CLUB HISTORY

Since the beginning of our Year Book, we have been bringing to you our Division's history.

The first few years were a little inaccurate, but we can now keep an accurate record of our Club's yearly progress.

Following is a brief summary of our history:

1. Prior 1964

- 1.1 RSL organize cricket for children of members -probably 1962-63 season.
- 1.2 RSL considers formalizing Youth Club.

2. 1964

- 2.1 Soccer division first official unit of Ingleburn RSL Youth Club.
- 2.2 Total registrations - 67.
- 2.3 Home ground - Ingleburn High School (1964-1967).
- 2.4 Drama --- first game, referee rules combination soccer/league posts not acceptable. New "legal" posts arrive and erected.
- 2.5 More dramas --- shirts (with numbers on them) arrive just in time for match.

3. 1966

- 3.1 Under 7 side (coached by Mrs Peck) wins S.D.S.F.A. Knock-out comp and Premiership. Scored 70 odd goals for a handful against.

4. 1967

- 4.1 Club outgrows Ingleburn High School ground. Council approved Macquarie Fields Park with two narrow pitches but promises to upgrade ground for two "full size" pitches and lighting for training.

5. 1968

- 5.1 First All Age team formed. Mainly dads, coaches and managers of juniors.

6. 1970

- 6.1 Approximately 20 teams (approximately 270 players).

7. Dates Uncertain

- 7.1 Foundation member, Les Schaeffer, passes away and his memory perpetuated by "Schaeffer Shield" Trophy presented to Club Champions.
- 7.2 Groups of players from North Ingleburn and Catherine Fields join club.
- 7.3 Ladies team formed by Manager Tom Petrov and Coach Jim Selby who later took over the NSW and Australian teams.

8. 1976

- 8.1 Twenty-one teams.

9. 1977

- 9.1 Breakaway takes place. Glenquarie formed by former Ingleburn members. Ingleburn fields eleven teams.

2013 EXECUTIVE REPORT

Well the 2013 season has gone by in a blink of an eye and we are now at the start of our 50th year celebrations. We are one of the oldest clubs in the district and still one of the most competitive.

While we only had one Minor Premiership and Champions, it was an outstanding one with our All Age Ladies Division 5 undefeated and a goal difference of 102. There were some other excellent results this year. The All Age Division 3 team made the Grand Final and were courageous in defeat. All Age Div 10, Under U13-2s, U14-3s, U14-1s and U15-3s all made Division playoffs this year. This year also saw the introduction of an M-League side and while the boys did not have a highly successful year they managed to beat the two teams that played off in the Grand Final.

This year we had 30 teams, 18 of them playing in competitive competitions, 7 of whom made the playoffs. Our SSG teams finished the year with their Gala Days. Although it's not all about the successful teams, it is also very important to recognise the contribution to our Club that all of our teams have made. We are very proud of each and every one of you and thank you for all of your efforts on and off the field this year.

On the Club management side of the ledger we, as the committee, tried to consolidate the great work done the previous year and to improve the level of sponsorship. I would like to take this opportunity to thank the efforts of Linda Martin, Ralph Martin, Travis Maddick, David Hamilton, Melissa Carre and Steve Carre, our Executive, who worked very hard behind the scenes to produce what was a great soccer year. The financial outlook of the Club is very strong and our position for 2014 looks great, which will be commenced with a new playing strip released at the presentations.

Any club would not exist if it were not for the hard work of our many volunteers. I would like to thank the efforts of all of our Coaches, Managers, Ground Duties, Canteen Helpers and all the Parents that bring their children to training and the games. Your efforts do not go unnoticed and nothing survives this long without the hard work and commitment of volunteers.

In closing I would like to thank our many Sponsors who without their help we would struggle to exist; Ingleburn RSL Club, Lite 'n' Easy, Blue Tongue Homes, Specsavers Ingleburn, Tyrepower Ingleburn, Salute Restaurant at Ingleburn RSL and our new sponsors this year CLK Plumbing, D-Tech and Accustom Upholstery. Your generous support really does help to get us on the paddock every week.

Once again, I would like to thank you all for your efforts this year and look forward to seeing you all next year. I would also like to invite you to our Annual General Meeting on Monday, 13th November at Ingleburn RSL commencing at 7.30pm. If you think you could spare some time and help our Club grow, please come and put up your hand, as the more of us there are the easier it gets.

INGLEBURN EAGLES HISTORY OF AWARDS

BRENDON O'ROURKE AWARD

This award shall go to the most improved team in the club. The basis on which it shall be awarded is the difference between competition points reached at the end of the first round subtracted from total competition points attained for the season, but adjusted between teams who played unequal number of games.

If more than one team shall be equal on this basis, then the trophy shall be awarded according to the method used to determine club champions. This trophy shall not be awarded to the club champion team.

TOM FUREY MEMORIAL AWARD

This award shall go to the team with the best scoring average in their respective competitions, according to the method used to decide club champions, providing they are not Brendan O'Rourke winners or Club Champions

MARK BEKS ENCOURAGEMENT AWARD

In 2010 the Committee introduced this encouragement award selected by the executive for a junior team.

The award is to honour the contribution of Mark Beks (who sadly passed away prior to the commencement of the 2010 season) to our club as a coach, parent and supporter. Mark was a very successful coach of AA5 in both 2008 and 2009 and his team went through in 2010 undefeated to win both the Minor Premiership, Premiership and Senior Club Champions.

PRESIDENTS AWARDS – CLUB PERSON OF THE YEAR

Presidents Award decided by the President and the Club Secretary is awarded to the Club Person of the Year based on the following criteria, actively involved in Ground Duties (Set Up/Canteen duty etc) when their team is on duty, attends meetings, goes above and beyond their role in the club as a committee person, coach, manager, player etc.

MARK KENNEDY AWARD - MINI TROPHY

Mark was an integral part of starting our minis off, and was very prominent in the early days of the soccer club. Mark held many positions with the soccer division, he also went on to become involved in the youth club.

DAVID LAUKITIS - SENIOR TROPHY

He was a player who had been with the soccer division for many many years. One who always showed true sportsmanship and generally loved the game of soccer. He was always willing to lend a hand and help out with younger teams.

It was a sad loss to many people when David passed away so young due to a workplace accident. Hence many senior players wanted to honour his memory so his parents were approached and that is how the senior trophies came into being. Due to his involvement in Premier League and his fairness to the game the two trophies came into being.

STAN SHEPHERD COACHES AWARD

In 2009 long serving coach for our club for nearly 20years, Mr Stan Shepherd, initiated this award at one of our meetings and as such the Club Coaches Award will be now known as the Stan Shepherd Coaches Award.

We know that each team has different challenges through the season, some will become Minor Premiers and Grand Final winners others will struggle at the other end of the table, the award should not be just based purely on success. The award is intended to go to the coach who reflects the spirit of the Eagles as a family club.

It was a great first season by all of the boys. Their skills have come a long way since the start of the year and they have gone from being a bunch of kids playing soccer to being a team. I was most impressed with the boys passing and combinations they would put together to provide scoring opportunities and some great goals. I think we might have a couple of future Socceros!

Zach – I can really tell that he loves the game. He has excellent vision and just knows where to be in both attack and defense. Also has good ball control and his left boot has come on from the beginning of the season... scored a great goal with it in one of the last games.

Nikhil – Always has a smile on his face and runs around none stop. He made some awesome tackles out of nowhere that saved us in a few games and also setup some match winning goals with his passing.

Ryan & Kyle – Two cousins that couldn't be separated on the field... so why separate them now? Kyle however, did manage to get away on the odd occasion and scored some fantastic goals. Love those goal celebrations, mate. Ryan got much better as the season went on and had some excellent touches on the ball.

Dane & Rylan – Two more cousins that also couldn't be separated. A great season had by both boys... even if they did say during half time in a match, "Soccer's boring! We're gonna play rugby league next year". Hopefully they stick with the round ball and come back next year. Dane will make a good captain one day. He was always motivating the boys.

Evan (My boy) – Is very passionate about the game. Every week we had to count down how many sleeps until the next training session or game. He always wanted to put his boots on as soon as he got up every Saturday morning. If anyone wants to know who we played against in round 4 and what the score was just ask Ev.

I've had a great time in my first season as a coach. I'm sure the boys also enjoyed themselves and even learnt a bit about playing this beautiful game and I can't wait to teach them even more next season and have a blast doing it.

I've loved football as a player and a spectator and I now love it even more as a coach.

With 17 wins, 2 losses and 1 draw what a fantastic year 2013 has been for the Under 6 Gold Cockatoos. As the year progressed all players showed improved soccer skills and confidence. The players were always well behaved, enthusiastic and willing to listen and learn. This bodes well for the future of the club.

The 2013 U6 Gold Soccer Stars are:

Joshua O'Neill - Small in stature but fearless in attack. Joshua was the most prolific of our goal scorers, leading our goal scoring tally for the year. He shows incredible talent for his age and is a player to watch for in the future. He has high ball skills with both feet. He is an outstanding forward and great runner, tireless in his efforts.

Aiden Richardson - Aiden has developed into a strong and reliable all-rounder. Whether it is in attack or defence he was always there, providing support to his teammates. Aiden was one of the main reasons that goals scored against us were so low. Not only did he score goals for the side, he continually acted in a defensive role ensuring that forwards from other teams did not get an opportunity to get near our goal line. Another player to watch for in the future.

Jayden Cooke - Jayden is a quiet person on and off the field but possess a powerful kick. When in midfield he tackled hard for the ball and when he went forward he used his strength to score goals. Jayden was always trying his best every time he played. Jayden provided good support in the mid-field and was improving his soccer skills.

Javier Ward - It took Javier a few matches to gain confidence. He then started looking for the ball and scored some good goals. A good all round player who enjoys scoring goals, Javier is strongly built and he used it to his advantage in attack and defense. He finished the season being a confident soccer player.

Jesse Naidoo - Jesse started the year slowly. As the weeks progressed, he became a better and confident player and started to enjoy his soccer. He always looked forward to training and match days. He ended the season with a bang, playing his best game on our final match. He kicked a goal and played great in defence and helped his team win. He is looking forward to playing soccer next year.

Ryder Verity - The youngest player in our team, grew in confidence as the year progressed. This season has been a good introduction to soccer for Ryder and I am sure that next year will see improvement with age. He had some good touches of the ball on match day. Wishing every player all the best in your dreams and aspirations and continue to have fun playing soccer.

A big thank you to Kirsty (Manager), Darren and parents for your help and support during training and match days.

The 2013 season saw the club gain seven new fantastic players along with a new coach and manager. The team consisted of Sienna, Bianca, Aayan, Mohammed, Tamati, Maheer and Deegan.

The season started with great anticipation and excitement. All the players gained confidence and their football skills jumped in leaps and bounds. Each player contributed their own special touch to the team. We always had fun and played hard.

I would like to thank the players, parents, my manager and the club for making the 2013 season a memorable experience for me.

I wish the next generation of football superstars all the best for the 2014 season.

U6 Blue had a great year. All of our players enjoyed themselves.

I would like to thank them all for their enthusiasm and for listening to their coach. I hope they all return to soccer next year. Thanks to all the parents and grandparents who helped throughout the year and came to support the little ones. Big thanks to Kritika for doing managerial duties.

It has been a pleasure coaching this season. I would like to praise the players for their good behavior and for their soccer skills as individuals and as a team which have improved greatly due to their efforts put in at training and at games.

The Under 7 Blues had a tougher year with a few ups and downs this season. However all players showed great skill, sportsmanship and determination throughout the year.

It was great to see that the kids were able to "control the ball" a skill that I drummed into them last season. From this the team was able to move forward with other soccer skills.

Jayden : He has grown in confidence this season and improved in his game the more he played. Scoring a couple of goals..... Jayden gave 100% on the field.

Madison : SUPER LEFT FOOT GOAL OF THE SEASON !!!! Her overall soccer skills improved greatly as the year progressed. Keep up the good work!

Tenaya : A tough player who always fought hard to get the ball from the opposition. She played well both as defense and attack whilst scoring some amazing goals throughout the season.

Cooper : AWESOME HEADER at gala day saving a goal ! He was a great defender, putting his body on the line to protect the goals. Cooper gave it his all on the field, scoring some awesome goals.

Nathan : A fierce player who was always focused on the game and never wanted to come off the field . Nathan has an awesome kick on him which resulted in some very fluky goals throughout the season.

Jack : Jack was willing to learn which showed his improvement as the year progressed. He played and trained with lots of energy and commitment.

Many thanks to all the families of the players.....Their support and commitment was much appreciated.

Overall the Under 7 Blues had a fantastic year and it was FUN to coach them once again!!!!

What a great season it was. Rookie coach and a number of rookie players. I know that all the players enjoyed the season. As a new team, we had a slow start to the year. However, the team improved in leaps and bounds as evident in the improvement in our results. It was an honour to be associated with this team and am immensely proud to be their coach. Special thanks to all parents. As the season progressed, we all became part of one big family.

Lachlan Duggan_: Lachlan 'the pocket rocket' is a very talented player. He has been consistent throughout the season. He is good in both attack and defence. His presence alone lifted the team.

Josh Rule_: Josh is the tallest player on the field. He used his size to defend ferociously. He improved throughout the year and used his strong kicks in attack.

Zach Tilley_: Zach possesses excellent ball skills. He had the longest kick in the team. He used this to the team's great advantage to set up goals. He was also like a rock in defence.

Ekam Sodhi_: Ekam built his confidence throughout the year. He focused on defence in the first part of the season. However his attacking capability started to shine as the season progressed.

Jashan Singh: Jashan joined the team a few weeks into the season. His game focus improved throughout the year. Consequently he scored a number of goals while improving his defence as the year progressed.

Akash Sharma: Akash's ball skills improved throughout the year. His concentration grew as he started to enjoy the game and made new friends.

Overall the team grew in confidence, improved their skills and consequently won a number of games. I am confident that all of these players will keep improving as they mature as soccer players. Wish all players the best of luck and look forward to the next opportunity to coach these great bunch of kids.

Five players returned from 2012 and no one joined us. This meant we had a great bunch of kids and parents who all knew each other and created a great and supportive atmosphere. Every player improved their skill levels and game play and we maintained high standard of play all year. Once again the team proved to be a team of ferocious defenders always seeking to be first to the ball and chasing with great energy. We greatly improved our passing and this will continue to develop.

Once again I want to say they are a great bunch of kids and it was a privilege for me to be involved with the players and their families. All the families of the players were excellent, every family helped out as needed when called upon. The families created a great atmosphere for the players to have fun and learn to play the beautiful game.

Elijah Daniels: a ferocious defender who improved his all round ball skills greatly. Elijah played and trained with lots of energy and commitment which is contagious.

Elias Palacios: without a doubt our most improved player. He developed a real tenacity this year and was a frustrating player to play against as he chased and never gave up. Once again his ball skills improved as the year progressed. Elias enjoys the game and it has been great to watch him continue to grow as a player

Lachlan Maddick: a hard working player whose skills developed this year. He is a determined defender who saved many goals with his speedy chases. His attacking play also improved this year particularly his passing ability. I think Lachlan will prove to be a very effective mid field player in the years to come.

Simon Watson: Loves to dribble and do tricky things with the ball. Greatly improved his defence this year and became a very hard defender who won more than his share of 50-50 balls. His shooting was often outstanding and he scored many goals.

Cooper Wilesmith: a busy player who loves scoring goals. Cooper's dribbling abilities improved greatly this year and his finishing was regularly clinical. Cooper defended well all season.

We had a great season together. A big thank you to the parents who were consistently helpful, positive and supportive throughout the season, thank you for allowing me the privilege of coaching these kids over the last few years.

Special mention to Linda, who was a great manager, and made Saturday mornings very easy for me.

This team was made up of brand new players to the club. Two players that I had previously coached agreed to coach this side with me. It was the first time I had coached this age group in over 20 years and soon realised what a pleasure it is to coach the younger age groups again.

The team started off like any new team would, not a lot of passing and playing very much as individuals. We put a plan in place to improve their skills and by the end of the season this team was able to pass the ball to each other and had learnt how to mark players in the other team. During the year they never lost the sense of fun that they started the season with and had started to win some games on a more regular basis. We ensured during the year that it was all about fun while teaching them the basics of soccer at the same time.

Jack – Was the defensive player in the team and seem to drop to the back naturally to stop the opposition scoring goals. Jack always had something to say and continually made us all laugh.

Jasneil – Always had to be every where and was a bundle of energy chasing the ball all over the field. Again very hard to keep quiet, made us laugh all the time and was always happy regardless of the results.

Dante – A quiet achiever who started the season slowly but became a solid player that the team could rely on. Also learnt how to find his way to goal and contributed with a few during the year.

Mia – the only girl in the team but you would never know it. Always tried her hardest and always enjoyed playing each week.

Alex – Another quiet achiever who never said much but let his actions on the field speak for him. He was probably one of the quickest players in the team and scored many goals during the season.

Amal – the last player to join the team this year and was playing up a year as the under 6's were full. Amal never showed that he was playing a year up and was a solid contributor to the team.

To Dean and Conner thank you for taking them for training each week. I hope that you may decide to stick with us for next season.

To all the parents' thank you for making this, such a great season, it has been a pleasure getting to know you all and the kids and I valued your support throughout the season. I hope to see you all back next year.

Thank you

Under 8's - the Year of improvement!

2012 was a challenging year for a team of first timers and our expectations for 2013 were not high. We retained 4 players from the previous year and had 5 others join of which 3 were first timers, so in terms of experience we were light on even at this tender age.

If we look at the season as whole it was fantastic; we were competitive against all bar one Barcelona like team. We 'won' probably two thirds of our games, I know we don't officially keep score but as we all know the kids do! It terms on how it compared last year the performance on the field was a vast improvement. All the credit must go to the kids for their hard work, enthusiasm and willingness to improve.

A special mention must also go to the families involved who all have become quite close and supportive of one another. Brett and Frank with their 'c'mon son' and 'c'mon Will' will echo throughout the off-season!

The dads also had a great post season drink down at the RSL!

We must mention each of our little superstars!

Logan - always well behaved and a great listener. Eager to learn and has progressed well for first time player.

Coach advice - get some fire in the belly Logan and watch your game take off!

Max – Has the biggest smile on the field. Skills are improving nicely and we love the back heal stop!

Coach advice - find a brick wall at home and keep passing off it. Stop it pass it with side of the foot - get the technique right for next season

Rhys - Our resident joker! Always keeps me laughing. Plays with passion yet in Great Spirit and love the fact you are never happy come off!

Coach advice - same as Max get your side foot passing technique perfect

Ben - Heart of a lion - something no coach can teach! Competitive and a massive boot on him - the one who always gets the boys fired up.

Coach advice - don't be hard on yourself! And remember get control of that ball first and foremost from there you will be very effective

Joseph - some wonderful skills in the field I will always remember the lob and header to beat the defender! The team also appreciates your willingness to be keeper!

Coach advice - get the ball out of the feet quickly and remember stay engaged at all times

Paul - Tremendous ability to track the defender down and win the ball, always running and renowned for dumping his drink bottle in random locations!

Coach advice - keep the ball under control especially when your near the goal about to shoot - work on that final touch

Anton - found a liking to score goals this year and becoming an excellent finisher also becoming a dead ball specialist. Great energy levels and great combination play with Kurt

Coach advice - Practise, Practise and more Practise. It paid off last summer and if you want to play for the wanderers a long road lays ahead. You need to learn to do things as quick with your feet as your mind thinks them out!

Kurt - does this kid run on batteries or what? Absolute powerhouse who plays 10 times his statue. The best tackler in the competition. Set Anton up for many a goal - keep working on this combination with each other

Coach advice - your biggest strength is also your biggest liability - you can't go in 100 miles an hour every time. You need to be more cautious. Same with Anton - practise as much as you can.

Will - every coach takes pride in the biggest improver you have from start to end. Will stands about 6 feet tall literally and is arms and legs everywhere.

As the season wore on he has gone from a shy timid young lad to red face beast given his all and starting to read the game well and has nice vision!

Coach advice - stop growing! Let your body catch up ha ha listen to that old man of yours' he might be a bit of a nutter but has vast knowledge! Also get outside and kick the ball around this summer!

Over to your Neil.....

Well well well where do I start?

Firstly, I must say what a pleasure it is to be surrounded by an enthusiastic team of superstars, and the proud parents that turn up every week to support these troops of ours. What a lovely bunch of people.

I really hope everyone turns up next year (contract negotiations have started) and with any luck and hard work we look forward to be able to stick it to Narellan Rangers next year... which has become our triple bogey team.

Secondly I'm as proud as punch to watch these boys grow as a team and turn out to be great friends. Keep improving, keep us cheering and keep on smiling.

See you all in 2014.

Thank you to Nick who coaches the team with passion. You have the upmost respect of the team and that's brilliant to see.

I'll continue to manage if he coaches

Firstly we would like to thank the parents for giving us the opportunity to coach your children. It was a rocky start to the season with limited players. Once we gained a full team the kids worked very hard to build rapport with each other as most of the team had not played before. Every week our team improved.

We came so close each week. Our best game of the season was our last game on gala day. We WON our first game. We hope to see each of our team players next year.

Cameron: Achieved his ultimate goal this season. He showed us how it's done by kicking a goal from the half-way line. He is a great player and is always up for a challenge. He is a very passionate player.

CJ: Outstanding performance throughout the season. He scored most of our goal this year. He is a very dedicated player.

Krish: Showed great improvement throughout the season. He blocked goals with his body. Good job mate.

Jawad: He was always keen to get out on the field and give it all he had. Great improvement,

Navtej: Great soccer player he has a passion for the sport and he showed his skills on the field.

Tamara: Outstanding first time player. She showed great team work and played the ball well. She was also a great goal keeper.

Brendan: Played a great season of soccer this year. He scored 2 goals. He is a very passionate player.

Alyssa: Played a great season this year and gave all her best to every game.

Nikolai: Great improvement throughout the season. He kicked the first goal for the season.

Josh: Played a great season always gave his best to each game.

The Ingleburn Eagles Under 10's had another great year improving every week and it was a joy to coach and manage them once again.

This was a challenging year in that the team lost three of our players to the RAMS after only three rounds of the competition. This left us with no substitutes for a few games but the team dug deep and played their hearts out during this time showing real team spirit and what real team values are about. Each and every one of them went the extra mile to help each other out with no complaints!

Everyone showed great improvements in their ball skills and fitness levels this year. Winning this year took back stage as it was more about having fun and enjoying the team camaraderie.

Adam took on sharing the goal keeping role this year and showed great determination in stopping a barrage of shots at goal in some games. His effort and running were a feature improving as the season progressed.

April was new to the team and being the only girl in the side showed she could more than keep up with the boys. She played with real enthusiasm and her ball skills and speed down the sidelines was something to admire. Played consistent all season and scored a goal.

Aiden as always was very competitive and with his running game caused the opposition sides plenty of headaches during the season. His never give in attitude rubbed off on his team mates.

Mitchell was always having fun and keeping everyone guessing on his next attacking run. His ability to get past the opposition was a tribute to his improved ball skills.

Bryce took on a more attacking role this season with his passing ability and ball striking a feature of his play. Bryce scored a goal this year and with a bit of luck he could have had many more.

John was new to the team this year. He was always looking to get involved in the play and was an excellent chaser of the ball in play. He showed some astute defending skills as well.

Nicholas joined the team this year. His enthusiasm for defending and helping out his teammates when under pressure was a feature of his game. His passing skills were also a highlight of his game.

Lauchlan was resolute in defense and shared the goal keeping duties this season. His ability to launch the ball downfield helped the team out of many a sticky situation.

Sean showed some great improvement this season in his passing and running game. He was always keeping the opposition guessing with his darting runs and ability to take the ball off his opposing player. Sean scored a great goal this year.

Victor showed what playing as a team member was all about. His ability to stop an opposition attack and then pass the ball to his team mates was great to watch.

Thank you to all of the parents for supporting the side this year. Watching the team play and enjoying each other's company made it a fun experience for all involved.

The U/11's this year, were great bunch of kids and a pleasure to coach. With a mix of some returning players and new players our season consisted of many ups and downs, but all played in the spirit of the game.

I hope that they all enjoyed the year and come back next year to further their soccer journey.

Our team consisted of the following players

- **# 11 Blair Brown** - Blair had a good season, he is a very strong player and able to beat players with a mix of foot work and strength. His highlight has to be a goal from half way at the u/11 gala day.
- **# 3 Marcus Capili** - Marcus is an exceptional talent; he has fantastic footwork and pace to burn. He scored many of our goals this season and will be a defenders nightmare next year on a full field.
- **# 12 Anthony Chate** - Anthony was our rock in defense, a coach's dream defender and a natural leader. Anthony will do well if he continues his soccer career and is a strong addition to any side.
- **# 7 Shaelee Grainger** - Shaelee was very enthusiastic and always tried hard on the field. Shaelee was our go to player for throw ins as they were Huge!
- **# 10 Jason Greiss** - Jason played in our midfield and was as good in attack as he was in defense. Unfortunately Jason missed the last half of the season due to an overseas holiday.
- **# 9 Elias Haman** - Elias is a very enthusiastic player and always gave it his all, no matter what position he was put in. Elias is a real goal poacher and knows where to be to be in a position to slot them.
- **# 16 Elise Hoy** - It was Elise's first year with the added pressure of Dad coaching. After a slow start she really found her confidence and became an integral part of the team. Hopefully she plays again next year to continue her soccer experience.
- **# 14 Anthony Kairouz** - Anthony is an outstanding player with natural drive and determination. He scored an abundance of goals for us with a highlight being an incredible free kick in the top corner. Anthony will do well next year on the full field.

- **# 4 Ivan Ling** - Ivan was a real pleasure to have in the side. He is a very enthusiastic player that will run all day. He got back in cover defense without hesitation and saved as numerous times.
- **# 8 Dylan Prpic** - Dylan developed well as a player and become a key member of the team. Hope to see him return next year and further is soccer development.
- **# 2 Vinal Sharma** - Vinal is a talented player with some fancy foot work. He will benefit from moving to the full field where he will have room to put these skills to use.
- **# 5 Roxanna Sokalski** - Roxanna was a new player but keen to learn. Unfortunately she left us early in the season before we got to see any of her abilities.
- **# 1 Luke Thompson** - Luke was a real asset to the team. He is a natural tough defender, but really shined when he put on the Keepers jersey. Luke showed outstanding ability in goals and with the aid of some keeper training through the year, his skill level grew. I hope he continues with his keeper training into next year.
- **# 6 Jayden Lo** - Jayden is a great all round player, He has a lot of determination and this shows on the field. He never backed away from a challenge and was happy to play in numerous positions, a great addition to any side.

I would like to say a big thank you to all the help I had through the year.

Thanks to Rachel for making my job a lot easier and keeping everyone up to date with info.

Thank you to Charlie and Adam for your assistance at training and on game day.

Thank you to the parents for your time and helping when asked.

What a year! We started in Division 1 and it looked like it was going to be a long tough year. We lost our first few games some by a considerable margin. After a few rounds we were placed in Division 2 and this proved to be about right for us.

After moving to Division 2 we were competitive in all but one game. We actually had a streak where we did not concede a goal in 5 games and only conceded 1 in 7 games. A significant reason for this was the great improvement in our keeper who benefitted greatly from the GK training provided by Ross and co.

Speaking of training, I was proud of how many boys came to training twice a week and most importantly the intensity at which they trained. The way we trained often drew comments from others as they could see the effort being put in. I think the best example of this was when we did not have a game the first week of the finals and the team demanded we train and 12 boys showed up on at 8am on a Saturday ... and trained hard.

I have no doubt that our season results could have been better, but I continually challenged the boys by playing them in positions which they were not accustomed to. While some found this frustrating all of them grew as players and have a greater understanding of the importance of all positions on the pitch. I greatly appreciated the fact that the boys put in 100% effort every week even when playing in a position that was not their favorite.

The highlight of the season was when we beat Bradbury comprehensively 4 nil. This was particularly satisfying as they went on the win both the minor premiership and the grand final. Unfortunately we never really produced that form again – it was just one of those days where we clicked in attack and defence. Another great effort was against Camden where we came back from 2 nil down just before half time to win 5-2.

This was my first venture into competitive coaching. It is really quite different from SSG and I found it quite challenging. I thank the boys and the parents for their patience. I also want to take this opportunity to thank Scott, Dave, Ross, and Andrew who all ran games or training in my absence. It was great to have them as willing back up and all of them also proved to be worthy advisers.

The season ended for us in the semi final. After a mix up in the semi final we ended up playing on a Wednesday and after winning that we then had to play the following Saturday. It was an 11am game that we played in about 30 degrees. We led 1-0 and got pegged back, and with 2 minutes to go were not given a clear penalty (according to the other teams coach). The boys picked themselves up for extra time and lost 2-1 after conceding a goal with about 5 minutes left. I have never been prouder to be a coach that day as every player had given all.

The great thing about sport is the people. I want to thank this year's manager Neil Minton who I did not know but have come to consider a friend. He is a top bloke who cheerfully and competently performed all the managerial tasks that freed me to coach and the boys to play. I had a very enjoyable season and a large part of it was because of Neil's encouragement and friendship ... although I do worry about his obsession of seeing a fat man in a tight shirt!

2013 proved to be a great season for the U13-3 team. Whilst we had a combination of both under 13 and under 12 year olds, all players seemed to gel and were all full of energy and enthusiasm, it wasn't long before the boys were working well together as a team. They trained hard, were keen to learn ball skills and all picked up basics strategies of the game.

Throughout the year these boys gave 100% each week and went out there with a great attitude Win or Lose, you all did yourselves and your parents proud with your Sportsmanship and competitiveness.

While the boys enjoyed the few wins that we had through the season the main aim of our team was to have fun and to work well together (and to not finish on the bottom of the ladder) which we achieved.....

We would like to thank all the parents for their time and effort not only on getting the boys to the games on the weekends but also to training on cold Wednesday nights in the middle of winter.

Paul and Travis would also like to thank all the boys for a great enjoyable season and hope to see you all again next year.

Congratulations boys on another excellent performance in 2013.

We improved once again on last years' result, finishing 3rd on the ladder. We played a great semi final, winning 3-1 and filling everyone with confidence that we could continue on. Unfortunately it was not to be and we bowed out in the Final, losing 2-1, falling just one game short of the Grand Final.

The 2013 team consisted of 8 returning players and 6 new ones.

We looked pretty good during our trial matches and all our positions were covered confidently.

We performed consistently throughout the year and all the boys gave 100% in every game.

Unfortunately, we picked up a few injuries, which disrupted a number of positions, requiring Arbin and I to make some positional changes. The boys adjusted to these changes and we continued to play well.

We lost a number of close games, which could have gone either way or beat some teams convincingly.

We defeated and drew with eventual Premiers and Grand Final winners, Narellan. This shows the quality of players that we had in the team and given that half the team had not played together before, this was a pretty impressive effort.

Zac and Wade worked well as a combination up front.

Keegan, Zane, Pritham, Nish, George and Christian played great roles in the midfield.

Luke, Brendan, Makenzie, Savio and Alec were a strong backline that kept the opposition scoreless on many occasions.

Robert, in goals made some game winning saves and kept us in contention all year.

A special mention goes to our Captain, Luke Jackson and also Makenzie Johnson, who will both receive a jacket this year, for 10 years' service to the club. Congratulations to both of you.

Arbin and I would like to thank all the parents for their help throughout the year.

We would like to say a big thank you to our manager(s), Judy and Ali Glass, for their continued help, organization and hard work which makes our job easier.

Finally, I would like to say thank you to Arbin, for coaching with me throughout the year. Arbin's son, has gone on to a higher level of soccer but he still turned up every week to help me out. Thanks mate.

Thanks to you all for another great year.

After taking over this side as coach in round 5, I had 3 expectations from the team.

- Finish in the top 4
- Have fun each week
- And most importantly come back next year as team.

As a team we succeeded these expectations by coming 4th (1 point away from 2nd), having fun each week as a team and with all the boys saying they can't wait for next season.

The best game all season the boys played was the last round of the season against minor premiers Douglas Park defeating them 2-1 and defending the whole second half. It was one of the great efforts I have seen and was very proud of the team.

Coach's top moments this season.

- Defeating the minor premiers Douglas Park twice in 3 attempts.
- Michael Pace scoring a goal and saving a penalty in the same game (have never seen a goalkeeper do that in my life including professional soccer)
- Adam scoring his first goal of the season, he couldn't wipe the biggest smile of his face.
- Justin scoring a screamer of a goal in the last 5 mins against Bradbury from an angle in the corner winning 1-0 in the end.

Joshua Bolomey – Consistently did his job each week at left back. Always calm during the game

Gaurav Devarkonda – Found himself at right back at the end of the season and always played his best

Neacail Dhungana – A great impact player to come off the bench into his right mid position

Justin Edwards – Leading goal scorer of the team and the quickest in the division. A natural striker

Zayed Hafij- Went overseas for 2 months but when he played he was a great defending midfielder.

Radith Khan- Played centre back all year and always did his job for the team.

Conner Ling – Found himself a new position as left wing. During the last round, Connor played his best game ever.

Adam Maxwell- A player who never gave up each week and always will be a leader in the team

Aidan McDonagh- A great attacking midfielder and is a natural soccer player. A player everyone wants in their team.

Michael Pace – Took over as goalkeeper and played great all year. Never wanted to be goalkeeper but he did his job each week, I have already promised him he's on the field next year.

Lucas Perras – Last year with Ingleburn Eagles this year, as he has moved to Cronulla. The best centre midfielder in the division.

Lachlan Reid – Spare goalkeeper and was a natural right midfielder/ back all year.

William Taylor- The best Sweeper in the division all year and always saves our team by defending his best.

Kristian Thierjung- A player, who loves his soccer so much, always is happy for training and game day.

Tushar Janakiraman- The other impact player who comes on and plays left mid or right mid and does his job.

Suzanne, Ashley and I would love to thank all the parents for coming each week and supporting the team.

I would like to thank Suzanne for being the manager this year, without a manager there is no team. Thanks Suzanne

Thanks to Ashley for being Assistant Coach this year, I just love each week how the boys annoy her because she plays for Gunners. At least the boys know where our loyalty stands for her.

The 2013 season saw a number of new players join the 15'1s. These players included Ricky Alvarez, Andrew Sorial, Shazeel Sheik, Khattab Mohamed and Daniel Maric who returned after a year away. They added a great deal of depth to the squad which made the team a lot stronger compared to the previous season.

The boys started the season very well but fell away towards the end. The team showed great potential but unfortunately they just missed out on the Semi's having finished in 5th spot for the second year running. The team displayed the ability to have cemented a spot in the top 4 however, with players missing at training and on game day the task of competing in Division 1 was made that much harder. I know from a coach and player's point of view that if the team stick together and commit whole heartedly to each other there will be further success for them in the 2014 season.

I would like to thank Amanda Cescutti for her role as Manager this year, the way she organised money and filling out team sheets has made my job a lot easier.

A special mention and thanks to Paul and Renee Williscroft for coaching and managing the team while I was unavailable.

TITLE The team nobody would coach.

KICK OFF

The season opened for our under 15's with a 5.0 loss to the team which would later be crowned the minor premiers of the competition, with this happening and everybody still getting to know one another the morale was down to a low.

The team needed 2-3 extra players to be brought into the squad to help make the numbers and definitely boost confidence! With only nine players the team rallied together at training sessions Tuesday's and Thursday nights to find a resolve.

Chris, Christine and I worked hard on building team communication, team bonding as well as gaining the three players in Kristian, Prantik and Nikhil who would later be the players to restore confidence and harmony in the team.

The next four games of the season proved hard games for us as we went down two games with losses and two draws with most notably a very outstanding performance against St Mary's despite having only eight players on the field our stars only lost 5-3. The next games saw us lose to Collies again which made the team very unhappy, the motivation was missing from the team.

Chris, Christine and I, treated the kids to a day out and team bonding session at Five O's restaurant where everybody had lunch and an enjoyable time getting to know each other a bit better and reflecting on the games that had passed, for us this was a turning point in our season.

The next three games that followed saw the team win 2 from 3 only narrowly losing to Cobras who were placed second at the time. The next game we played 1st place Collies and we went down 3-0 this spurred the team on as they worked harder and harder every training session to achieve the results on the field.

MID SEASON

In the next 3 games the team registered wins against St Mary's, Camden Falcons and Eschol Park and at times during training the boys would reflect on the games and talk about different things that they could've done during the games, the team leadership and communication was building and from a coaching perspective we were all very happy with the mood. The boys then had a 2-2 draw with Cobras and in the games that followed we had a win against St Mary's and then narrowly losing out to a scrappy goal from Collies only to go down 1-0 at home.

Each loss spurred the team on to achieve higher and better results. The defensive line-up which included talented players, Nikhil, Liam, Shamus, Simon, Ryan and Kristian proved too good for most opposition teams, rock solid throughout the season from midway to finish as they buckled down in training and got the results they had wanted for so long.

At the back end of the season players in the likes of Jack Pragnel, Jack Dawes, Andy, James, Swapnil, Parth and Prantik(lookout division 1), helped us to important victories against Falcons, St Mary's and best of all winning 3-0 against 2nd placed Cobras who we hadn't beaten all season, the best was saved to last.

THE END

The dream was reaching the finals and this was achieved as the team finished 3rd place on the table, the coaching staff was very proud of all of their contribution to the team throughout the whole season. We went down in the end to Camden Falcons that had a strong team that beat us 3-2 in the end. All the boys were disappointed but at the same time were proud of coming from the bottom end of the table to finish 3rd.

From a coaching perspective, Chris, Christine and I are very proud of you all and we hope you return next year. We would all like to thank the parents for bringing the boys to and from training and game days and cheering them on the sidelines and we would also like to thank Christine for doing a great job as manager.

Ps. Top goal scorer goes to Jack Pragnell who finished with 16 for the year. Thank you to everybody involved in a great first season together, and also a thank you to those involved in filling for our squad earlier on in the year, Jason Minton, Nick Mena, and Connor Ling. See you all next year!!!

A very good season on the whole with three new players coming on board. Getting to know the players and their strengths gives you an idea of where to play them each game.

As the season went on the team started to gel and the wins started coming, Div 2 is a hard division with a few teams dropping down from Div 1 this can make it hard for teams coming up but for us, we liked the challenge and played well against the stronger teams.

I hope the players enjoyed their season finishing in the top half of the table and hope they all come back next season to take up the challenge again. Well done boys and a big thank you to Janice our manager for her efforts throughout the season. It made my job a lot easier.

It was the club's first year back in the M League and what a baptism of fire it was for the squad. Building a team from scratch and competing in the top competition was always going to be tough and unfortunately it took until mid season to get close to settled line up and the amount of points left to chase to avoid relegation proved a mountain too high!

The great plus of the season I felt though was the return of many ex-eagles players to the club to take on the challenge. Players like Tim Spain, Geoff Norton and Dean Morgan returned from the State League with others like Dave Palmer, Dave Fairbrother and Matt Fairbrother who had played in the old Premier League here in the past. We also had some others return from the southern districts competition, T-Jay Tallar, Jamie Alcade, James Staines and Chris Buxton, to once again pull on an Ingleburn shirt.

I'd also like to acknowledge those from within the club who stepped up, Mitch Roach, Daniel (DJ) Rodriguez, Mandella Mark and Daniel Holmes, and left their respective teams to become part of the M League squad!

Our new players included Dean Bradley, Dave Gray, Ben Green, Glenn Cook, Jay Cordeux, Jared Lewis and Fernando Rodriguez bought great experience from previous seasons in the M League or higher, as well as Darryl Spies and Kevin Sananikone, who finished the season as reserve grade captain!

My proudest experience of this season though was watching the young players step up into the M League and excel! Jake Dicostanzo, Matt Conroy, Blake Taylor, Luke Oakes and Michael Italia followed me from CUCSC and all fitted into life at Ingleburn with great ease. All adjusted well and had their chance in First Grade, with Luke and Matt in particular holding their place every week! It was a great thrill for an old coach like me to watch two generations of players I had

coached play together at this club! Added to these were Kurt Oliver who had played U18 at Gunners last year and the very young duo of Dean Smith and Sam Clarke who came into the squad late in the season from the AA/11 team.

I'd also like to thank the players who filled in for us throughout the season, there are too many to mention, but in particular Scott Brown and Daniel Prince who not only played but supported the cause off the field.

My final thanks goes to our manager, Theo Dicostanzo, the reserve grade coach, Mark Palmer, and our fitness coach, Matt Roach. Managing 35 players through a season like this is a real team effort and whilst it didn't always go smoothly, we had some highs along the way.

A squad like this provides a pathway for young players to follow and be retained by the club that develop and nurture them. Starting is always difficult but if we can all stick with this, momentum will soon build and success will come. Thank you to all those within the club that supported the team and to the players for taking a chance on something new, while not all of us will continue next year, I hope the core will remain and continue to build for the future.

As a competitive team, and manager... It is hard to look at the seasons results and be happy with where we have finished in the competition.

Unfortunately, I believe this is another year of what could have been. We have been a more consistent team this year, and have beaten or drawn with every team in the competition.

The ladder will show that we have missed the finals by 3 wins, and with 6 draws to our name, it not only proves how competitive we are, but how easily we could have been in the finals, where we belong.

As this year is the last for some of our players, it has been great to see some new players fit in to our team culture and add value to the team. This year has also seen some other challenges, but has given the team the opportunity to really support each other, and uncover some new leaders in the team for the future.

The best thing about this year has been able to share so many positive experiences with the guys from their lives, this year we have celebrated: new babies, weddings, engagements, job and career progression, buying and selling of properties, even 1 member keeping the same car for over 12 months...

It has been an honor playing with you all on the field, and thank you all for the Support and Respect, but more importantly appreciate all the friendships made along the way.

Look forward to see our Eagles family grow even more..

Regards

Back to back grand final appearances are rare in this age of football. Although it all proved a bit too much for the boys with a gutsy 1-0 loss to Appin, not since the Roosters of 2003/2004 has a team lost consecutive grand finals.

We finished 3rd in the regular season, with only 4 points separating 1st and 3rd. A big effort considering some tough circumstances with injuries, holidays..... more on that later.

I would like to personally congratulate the team for giving it their all both in the grand final and throughout the entire season. Of particular mention is the prelim final against St Mary's. Expert shot stopper Big Dan got us through our 2nd penalty shootout in 2 years against St Mary's. We are certainly a thorn in their side. So much so he was poached by the St Mary's coach after the game. That game was 110 min including extra time, much of that with no subs. You can't train heart boys!

The team welcomed new additions this year in Drew, Gab, and Duane. A special thanks goes to Duano for flying back from WA each fortnight for games (he even travelled up from Wollongong for one of our very few training sessions and also a 9:00 Sunday game that was called off when he was just around the corner!). Commitment. We are working on finding Duano a job in Sydney next year so as not to disrupt the team's preparation (I hear Angels on Lancaster are currently hiring).

On a serious note, the team was always in for a hard season after marquee player Dale Matthews suffered a season ending knee injury in Round 2. I appreciate physio Lumpy for attending to my injury during the game. It was a solid effort by the boys to push on throughout the season, but we never really recovered after that. Thanks to Jason for taking on the captaincy in my absence. I will be back next season!

The team suffered further injuries, with Kyle also requiring knee surgery, and Brad Stark missing a few games with a wrenched knee followed by a bad ankle injury which was further damaged when he returned too early. We tried to warn him !!

To compound the injuries, the team line up was a constant guessing game week by week with absentees. The frequent flyers points in the team were certainly up this year! Drew, Gab and Brad Stark took off to Europe. Jason, Dean and Kyle visited the US. Troy and Brad Moore also flew out to the US on short notice to catch Mardi Gras. I'm sure Budge went away somewhere too?

Thanks to Chris Skellern and the Hutchinson boys for filling in this year when we were short on troops. From 19 registered players at the start of the year we were down to 9 by August.

A special acknowledgement to all the WAGs and parents who supported us throughout the year.... particularly Stone Cold and Mr and Mrs Sundo who were regular attendees. We look forward to all the great support next year (Blake – you should try to bring along some of your mates from the RBB next season. BYO flares).

A few notable awards for the year:

Golden Boot – Brendan Stark (yeah, we would be in trouble without this bloke!)

Clean sheet award – Tim Lapham (zero goals conceded in 45 min as keeper)

Nudie runs for no goals in the season – Andy, Sundo, and Trent. Tim has volunteered to do a nudie run anyway despite scoring 4 goals (what is with that guy?).

On behalf of the boys, a massive thanks to Coach Rod for your support again this year. Things just don't get done without you. Also a vote of thanks President Mick, and the committee for your continued support of the team and the club. Much appreciated.

I look forward to playing with you guys again next season. Until next year, stay safe and remember...we all love Pedro.

Cheers

Dale Matthews

Once again a story of what might have been. There was enough talent in the squad to have made the top four and end of season play off. In the tradition of this team, there was good football, exciting goals and some great wins. However, due to the inevitable injuries and absentees, several games were played with either no reserves or less than eleven players. We owe a lot to the guys from the lower divisions (8, 10 and 11) and over 35's (Daniel) for helping us out when we were short on numbers. Peter, who joined as our 17th player, was great. We would have been in even more trouble without him.

As usual, good discipline no red cards and only an occasional yellow. Great to see!

We had good wins against some of the teams who made the top four and losses to teams who finished below us. Defensive lapses cost us at times.

Guys, I didn't see any team who had more individual skills than you. It's always a pleasure to watch you. Having to play against good young teams makes it a bit hard at times.

It was a pity to lose Hamzeh to another serious injury so early in the season. He brings a lot of flair to the team.

Who knows what next year will bring, a restructure I suspect.

Praneet, Matt D, if over 35's is calling next year, I understand. You have been great for the team.

Aleks, it has been a pleasure to watch you over the last few seasons. You were always my 'go to' man when I needed something to happen.

Captain Nathan (zip-zip man, according to Linda) thanks for keeping me up to date with events and some great goals.

Thanks to all you other guys who did put in the effort week after week, our super efficient manager Gary (and his stand-in Linda), our supporters young and old, the Committee, the canteen people, the referees and their assistants.

Look forward to seeing you back next year (50th Anniversary).

First off I would like to thank a couple of guys for filling for us throughout the season.

Henry (player AA10) & Connor (stand in keeper AA11)

This year was a painful year with a lot of injuries that put as on the back foot, but we all pulled together and made it work.

I would like to thank the boys for all the effort they put into this season. I can see this group of guys are a great bunch of mates and pull together when they are needed.

So will be back next year and hopefully no injuries.

The Ingleburn AA10's began the season in terrific form, finishing 2nd in a North Sydney preseason cup with the likes Hornsby (each of which were graded much higher than ourselves, up to AA2's) and leading the competition after round 1.

Due to some unfortunate injuries though mid-season, we struggled for consistency and ended the season in a well earned 3rd place.

This was still quite an achievement, given that the new grading system implementing the M-league had pushed a majority of team down a division, and for us to stay in the same division meant we were technically playing a division upwards from our previous season.

What was most impressive about our season regardless of results was the way, in which we played the game, displaying a high standard of passing and possession football, as well as maintaining great on and off field discipline. In the semi finals we were able to put in a strong performance and win 2-1 to push us into the preliminary final against arch-rivals Campbeltown Cobras. In the preliminary final we found ourselves down 2-0 at half time and not playing as well as we should.

However, the team rallied well and ultimately deserved to win the game but instead was left rueing missed opportunities as we fell 2-1. In that second half, we showed our true potential as a team to dominate the opposition and create numerous chances, but it was not our day.

What this team looks forward to working on next season is to eradicate the inconsistency in our game, as we are quite a young team still finding our feet and gaining experience in competitive football. Most importantly though, the team is gulled with great guys who just enjoy playing the game and having fun, regardless of winning or losing, and that team chemistry is what keeps us together moving forward.

This was a good year, not in terms of results in the field but in the way we saw young and old players enjoy the game, the excitement when we won and the resounding support for the effort when we did not.

This was a new team, a “father and son” team. A combination of eight young men from the IE U16 Div 2 last year, four Over 35s from last year, three new fathers who had never played or had not played for years and years and added to that three new player of whom two were brothers that came to the team to play as a family.

All in all we managed to win a few games which is always important but the best part of the season was to see each young player develop and gain in confidence against taller, bigger opponents with considerable more experience playing All Age games. The Dads can also be proud of themselves as not only did they give all they had in the field but the example and support to the younger ones was second to none.

From the back:

- Connor – Has great reflexes and will develop into a very excellent goal keeper.
- Luke – Can play in any position, had some great games at the back and developed into an excellent defender.
- Daniel W – Very good defender but unfortunately could not finish the season.
- Dean – Also can play anywhere, started as a solid and dependable fullback and scored some great goals as a striker.
- Daniel R - from the old brigade, still fast for his age and a great team player.
- Christian – got better as the season went on, an excellent defender against bigger and bigger opponents.
- Joshua – Strong defensive mid/defender and a very strong tackler. Great at the 50/50 challenges.
- Nathan – from the old brigade, had some great games but suffered with injury.
- Samuel – plays anywhere, full of heart and will not stop running.
- Graham – Mr. Dependable in the middle, it must be all those years of experience.
- Marcelo – after decades away from the game had a great comeback.

- Craig – from not having played at all before, he learned quickly and became an integral part of the team.
- Steven – also from not playing before was able to fill a number of positions with great results, even as goal keeper when it was needed.
- Benjamin – a really versatile team player. Scored a great goal against Mount Annan to win us the game.
- Guillermo – really fast striker. Very impressive that he came all the way from Newtown (by train) to play with the family.
- Brodie – has some good skills, provided some good free kicks and valuable assists during the year.
- Jopheil - gave it all during the game. Unfortunate he could not finish the season.
- Dallas – also full of running and hard as nails. Pity he could not finish the season.

Now, to Nicole our Manager, a BIG thank you from us all, your efforts and support every week are very much appreciated by the whole team.

To the mums, dads and wives also a “thank you” from us all, I hope you enjoyed the season as much as we did and I do wish we all come back to play football again next year.

This year all the boys should be congratulated for a countless consistent performances, especially on those Saturdays were we struggled to make up a team to play, but that seemed to be the time when we played the best.

We may not have been able to beat the top teams of the division, but we defiantly gave them a run for their money.

Well done boys also on the fact we only had one suspension this season.

Well the 2013 season has come and gone.

With most of us happy in a way to see the end of it others can't wait for next season.

The ALL AGE 13 side consisted of 6 players from last year and with 5 new players forming a side to field each week was hard.

Not to forget injuries and people not being able to play due to other commitments we found ourselves on a downward spin... the first round saw us losing all games ... We didn't know it was happening but four of our players pulled the plug, but with luck on our side we had a 2 week break and during this period we found ourselves a couple of new players.

After a couple of warm up games to get used to the big game we finally found ourselves at the start of the 3rd round playing Narellan that was regraded to our lower division. This game was a game we started to lift in knowing if we can't beat this side we would have no hope.... Much to our amazement we won this game.... finally we are on the board after this win and one of the four players came back to play after missing us too much... and another two returned within a couple of weeks...

With a few of us being called up to assist Prem's, we all started to find our feet but still had the problem with lack of players due to injuries etc...

The 2nd last game found us only having 8 players for the game v 1 of the top side who by half time were 10-0 up. After the half the boys decided if you can't beat them have fun playing then and tried a couple of different things. One included a play out of the Mighty Ducks hockey side by doing the flying V from the kick off... it didn't last long thou lol

The last game of the season was pretty much a game that didn't really count for both sides as both weren't making the finals but to our amazement we actually had 12 players for a game, yes we had a reserve un-heard of for the entire season, we had a bit of fun in this game, even the referee understanding it. We went down but with goals scored by both teams we found a few flips and cartwheels where the highlight of the game...

A great end to the season

I would like to thank all players involved in this season new and old for putting their heart and soul into the game each week and even thou we kept on getting knocked down you all seemed to get back up...

I would like to also thank Greg for being there each week even though there wasn't much of a team to coach until the last game, you still turned up each week hoping for a big turn up only to be disappointed at the last minute by a late message... however the look on your face when we won that game is priceless and I don't think that can be forgotten...

A big thank you to Bodhi from the 16's who after filling in for 4 games found a place in our side for the last 2 games, also to the number of under 16's that helped fill in throughout the year, you know who you are....

Finally I would like to thank the parents and committee, as without your support we wouldn't be able to keep our heads high throughout the season....

This team was made up from an interesting group of players for the 2013 season. We had 5 players back from last years division 2 team, 3 came from other clubs or returned after being away for a season or more, 5 came from the Under 18 girls team last year and the remaining 5 players had never played before. Ages ranged at the start of the season from 14 to 45. As much as Val and I felt they would combine well only time would tell.

It soon became apparent that all the new players were more than keen and willing to learn. Our experienced players were patient and helped all the new players and last years 18's adapt to playing senior football.

We started the season with three straight wins and then came up against the other 2 teams in the division that were also undefeated. In both those games at about the 60th minute in both we had to have an ambulance called to an opposition player in one game and our player in another and both games called with a 2-2 draw. As the first round concluded we were still undefeated but running third with 5 teams separated by 4 points. At the end of round 2 we still remained undefeated with Appin and Narellan chasing us hard. The team at this stage were determined to try and finish the season undefeated. I am pleased to say that we were successful in doing this and finished as undefeated Premiers.

As we moved into the final series the team steadied itself and once again agreed as a team to take it one game at a time and not blow it form there. The Ladies won their semi-final 1- 0 and progressed to the grand final where we again met Narellan. The first 20 minutes were tight and the score was 1-1. Ingleburn Ladies then kicked into another gear and went on to win the grand final 5-1.

It is very hard to call out any one player in this team as in their own way all the Ladies more then contributed to out success the season. But I would like to thank Sammy, Jessie, Chantelle, Josie and Tanya for deciding to play soccer and all the Ladies thank you for your contribution on and off the field and the laughs you have provided during the year. Also to Tanya and Kym who suffered season ending injuries and could not play the final series thank you for turning up each game and being part of the team.

To all the Ladies thank you for playing with such a great attitude as always finding new ways to embarrass me, while still making coaching this side an absolute pleasure. Looking forward to coaching you all again next year as we step up a division or two and take on some tougher competition

Val and I would also like to thank all the supporters that turned up every week and all those that turned up on grand final day to cheer us on. To the club and the executive that make sure we have teams each year we also pass on our thanks,

Thank you

I would like to thank Ingleburn Eagles Soccer Club and all the staff members for all their support and another wonderful year and wishing the club all the best for an important 2014 season of football.

Our 035's team had a much better performance than last year and due to injuries to lot of our boys we couldn't finish in top 4 positions.

Overall I think we are proud of our performance and would like to thank all the boys for their contributions in season 2013.
