2015 EXECUTIVE REPORT

I cannot believe how quickly this season went. We started the season under maned with our committee. No Treasurer, Canteen manager or BBQ person. So we did struggle early on. Michael Winter came on board to take on the Treasurer role (which was a huge bonus) he also brought along our BBQ man Andrew (A great help Thank You) & with the help of the rest of the committee & some regular volunteers we managed to get the job done.

I would like to thank our great sponsors for this season DTech Computers & Technical Support, Salute Restaurant & Ingleburn RSL. Without the help of these companies our club would struggle to exist. So please support them when you can.

This year had 37 teams. Mini's again had good numbers. We had two girls sides U12's & U16's. both the girls teams had by all reports lots of fun & should be even more competitive next season.

In the Junior's we had a Division winner in the 14/3's & 4 semi finalists 16/2, 13/3, 15/1 & 12Girls. The 13/3's made the final but were runners up on the day. Hey but don't worry we will get them next year

In the seniors we fielded 12 teams. 3 would go on to make the semi's AA5, AA9 & AA11 Blue with the AA9's to get up in extra time in the final.

All in all a successful year with everyone enjoying themselves (I HOPE).

I would like to thank all of our Coaches & Managers this season the time & effort that you all put in is greatly appreciated by us & your teams. I would also like to thank the people that helped out on duty days setting up or in the canteen when they could.

With a club of our size we need to have a strong volunteer base as it makes the job so much easier for all concerned. We are always looking for more people to participate on the committee, so if you can spare the time please come & see us so we can get you on board.

Lastly a huge thank you to this seasons committee Linda, Michael, Andrew, Ian, Mark, Warren & Chris. These people worked very hard to make sure that all our teams had a great time. THANK YOU

I would also like to make a special thanks to Ralph Martin, Kristy Greenwood, Rachel Thompson, Phil Karen & Nathan McKnight. These people were there to back us up on many occasions this year when we were really short of help.

I would also like to invite you all to our AGM to be held at Ingleburn RSL on Monday the 9th November at 7:30pm. Once again if you are interested in helping out in any form please make sure you attend that meeting & put you hand up

And Don't Forget

THE EAGLES ROCK !!!!!

INGLEBURN EAGLES HISTORY OF AWARDS

BRENDON O'ROURKE AWARD

This award shall go to the most improved team in the club. The basis on which it shall be awarded is the difference between competition points reached at the end of the first round subtracted from total competition points attained for the season, but adjusted between teams who played unequal number of games.

If more than one team shall be equal on this basis, then the trophy shall be awarded according to the method used to determine club champions. This trophy shall not be awarded to the club champion team.

TOM FUREY MEMORIAL AWARD

This award shall go to the team with the best scoring average in their respective competitions, according to the method used to decide club champions, providing they are not Brendan O'Rourke winners or Club Champions

MARK BEKS ENCOURAGEMENT AWARD

In 2010 the Committee introduced this encouragement award selected by the executive for a junior team.

The award is to honour the contribution of Mark Beks (who sadly passed away prior to the commencement of the 2010 season) to our club as a coach, parent and supporter. Mark was a very successful coach of AA5 in both 2008 and 2009 and his team went through in 2010 undefeated to win both the Minor Premiership, Premiership and Senior Club Champions.

PRESIDENTS AWARDS – CLUB PERSON OF THE YEAR

Presidents Award decided by the President and the Club Secretary is awarded to the Club Person of the Year based on the following criteria, actively involved in Ground Duties (Set Up/Canteen duty etc) when their team is on duty, attends meetings, goes above and beyond their role in the club as a committee person, coach, manager, player etc.

MARK KENNEDY AWARD - MINI TROPHY

Mark was an integral part of starting our minis off, and was very prominent in the early days of the soccer club. Mark held many positions with the soccer division, he also went on to become involved in the youth club.

DAVID LAUKITIS - SENIOR TROPHY

He was a player who had been with the soccer division for many years. One who always showed true sportsmanship and generally loved the game of soccer. He was always willing to lend a hand and help out with younger teams.

It was a sad loss to many people when David passed away so young due to a workplace accident. Hence many senior players wanted to honour his memory so his parents were approached and that is how the senior trophies came into being. Due to his involvement in Premier League and his fairness to the game the two trophies came into being.

STAN SHEPHERD COACHES AWARD

In 2009 long serving coach for our club for nearly 20years, Mr Stan Shepherd, initiated this award at one of our meetings and as such the Club Coaches Award will be now known as the Stan Shepherd Coaches Award.

We know that each team has different challenges through the season, some will become Minor Premiers and Grand Final winners others will struggle at the other end of the table, the award should not be just based purely on success. The award is intended to go to the coach who reflects the spirit of the Eagles as a family club.

JEREMY COLE. SHUBHAM GORE. BRODEE HART. DOMINIC GENOS . YUVRAJ KHABRA.**

The Under 6 Blue's (Kookaburras) had fun time playing soccer this season. They were undefeated for the season and they lost their first game at the gala day. Most of the players were first timers to soccer. All of the boys worked really hard during the season and have been able to learn basic soccer skills.

Jeremy – Jeremy was the youngest player in the team. Quiet and shy at first but really shone during the last few games. Jeremy scored quite a few goals this year using his great left foot kick.

Shubham – Shubham joined the team in the second half of season. He was extremely enthusiastic at training and games and started to understand the game and develop his skills.

Brodee – Brodee is a strong player and was never afraid of getting in to tackle hard. He gave 110% in every match and really started to read the game well.

Dominic – Dominic was a pocket rocket for our team. He is an all-rounder who played many games in defence and attack. He has a strong kick and always keen to chase the ball.

Yuvraj – Yuvi was another player who was great in both defensive and attacking positions. He played every game with determination.

Leo – Leo is a strong player who was never afraid of tackling bigger boys. He showed a great improvement in ball skills and had some great goals during the year. Leo always had a smile and would come out for rest without complaining.

To coach Steve, a big thank you, for the fantastic job in coaching the boys. It has been a pleasure managing this team. Special thanks to all the parents for bringing the boys to training and games every week. Well done boys and hope to see everybody next year.

MANAGER STEPHANIE STRIDE. BLAKE STRIDE. RICKY SHARDUL. RYAN THOMPSON. JARED MILLER. LORENA MATTIUZZO. COACH DIANE MATTIUZZO.

The 2015 soccer season was quite an adventure for the Under 6 Green Koalas. It was the first season playing for most of the team, as well as first season coaching for myself. I thoroughly loved watching each and every one of the players grow not just in their soccer skills, but as gracious sportsmen in the making.

Ricky, Ryan, Lorena, Blake, and Jared, improved weekly, even with all the missed training days due to rain, LOL. The trust that teammates must share, shown through more brightly with each passing game day. As well as each of them embodying the beauty of true sportsmanship, playing for the fun and friendships, learning every step of the way, celebrating each other's achievements, as well as those of the competition, win or lose.

Stephanie, my fantastic manager, I could not have made it without you and your support and patience.

To each parent, grandparent, auntie, uncle, brother, and sister, of my team, THANK YOU. Your support and encouragement made this a memorable experience for the entire team.

And to the Ingleburn Eagles Soccer Club, thank you for your support and encouragement. I loved every minute of this season.

My sincerest hope is that these littlies learned half as much from me as I learned from them.

ABSENT JAYDEN GREEN.

This year was a fun year of playing, learning and trying our best. Every child in the team ran the best they could and chased the ball whenever we didn't have it. We learnt that not only was winning fun but it was fun when we tried our best no matter what the result.

Stanley was always trying to get right in the action.

Jorja finished the season as a goal scoring machine.

Elijah loved to be the defender.

Ashton scored a huge goal from about the half way line.

Jayden had skills well beyond his years.

Overall a very successful year and hopefully each child will be excited to come out and have some more fun next year.

As coach of this side it has been a privilege to see these fine athletes take the field with such ambition and joy every week

These 6 children taught me so much about enjoying the simple things that go with this great sport, the biggest would be how to tie a pigtail.

We had a unique team this year and probably the youngest which included 4 out of 6 players eligible for u/6 next year

Special thank you to manager Sandra and the parents of the players who came to support us every week. It was a pleasure to have been involved with this team this year

The under 7 Green team had a great year improving on the skills developed as a team last year. It was great to see nearly all the boys return to soccer this year and the spirit and friendship the whole team have shown our new team member.

The boys displayed great determination to step up to the faster paced game of the under 7's. It was very rewarding to see each team member take up the challenges of the game as they grow as players.

Thank you to all the families and friends who supported the team this year getting the boys to the events, washing the jerseys and supporting the club. I would also like to thank the Dads who supported team training; I know the boys really enjoyed having you on the field for the practice games. A huge thank you to the team manager Mark Magro, you performed an amazing role for the team each and every week and made the role of team coach a pleasure.

Thank you boys for a fantastic year.

COACH WARREN COLE. EVAN COLE. TELESIA SOLI FUAPAU. NIKHIL PHILIP. XAVIER O'NEILL. RYAN ABIGAIL. LACHLAN SKELLERN. MANAGER DAVID CORBY.

U7 White had a fantastic season this year. The players' skills and knowledge of the game has grown tremendously since our first training session.

We have a good mix of naturally attacking and defensive players in the team. Nikhil and Ryan are natural defenders with Ryan also wanting to be a natural goal keeper. Sometimes he would rather just stand right in front of the goals... next year you can stand between the sticks mate. Nikhil's main aim is to just stop the opposition from scoring... and he definitely does not like it when they score. Lachlan and Sia were always cleaning up the scraps in the midfield. Both of them getting in there when it was messy and getting the ball out. Xavier and Evan both know where to be at the right time. Getting the ball out in the clear making some great runs and beating the opposition defenders. These attributes will be a great help to them next year when we step it up to the bigger field in U8's where positional play will come more into effect.

A big thankyou to David for managing the team this year and an even bigger THANKYOU to all of the families for your continued support throughout the year.....**BRING ON SEASON 2016!!**

What an exciting season of soccer for the Ingleburn Under 8 White team.

After taking up the coaches roll with a fantastic group of children and amazing support from Manager Ashleigh Pragnell the children have thrived in learning all aspects of soccer.

From a group of children playing as individuals to a team playing together has been an honour to watch unfold.

Several milestones were made throughout the season with first time goal scorers Teagan Hudson, Jordan Lloyd, Aedan Ryan and Sharlett Bruce putting away brilliant goals.

Games were convincingly won and games were lost with a happy face for playing the game of soccer to be had by all the team and parents.

Superb skill and talent shown by Joshua O'Neill, Tamati Robbins and Mohammed Abbas was great inspiration for all the team to follow.

Exceptional effort from Kuvam Goyal, Sharlett Bruce, Teagan Hudson and Aedan Ryan in goalkeeping saw many goals saved throughout the season.

A big thankyou to Zavier O'Neill and Rebecca Robbins for the consistant support in making up the numbers in games that we were short of players.

I look forward to coming back together with all involved next year for another fun filled season.

The 2015 Soccer season saw a wonderful group of energetic players and parents form the Under 8 Blue team. Under the strict guidance of our coach, James Mackie, Thursday nights were fun yet fruitful training sessions.

The season was a first for some of our players and parents but didn't take long for the team to bond. The standout feature for our team was undoubtedly the cohesion and support by the coach, manager, players and supporters.

Each game started and finished with good spirit, motivation and words of encouragement followed by chips, chocolates and lollies.

The team unit was such that it allowed individuals players to develop their particular strengths and skill.

Our Superstars and a quick few words:

Ainslie – a fit talented and skilful player who matched the boys for skill, strength and speed.

Adithya – outstanding goalkeeper and powerful tackler. Some great saves over the season and even played with a fever!

Eva- talented midfielder with great passing and assisting in goal setting.

Kunaaal – assisted the defenders and strikers well with his enthusiasm and passing.

Lawerance – another star goalkeeper and defender. Some great solid tackles.

Nikhil – good skills and teamwork throughout the year.

Phillip – unfortunately couldn't make the games but showed great potential at training with his passing and enthusiasm.

Rehaan – Solid midfielder and defender. Used his speed to make some crucial tackles.

Rohan – talented attacking midfielder, great ball control and vision.

Coach – Showed great dedication to his team and encouraged each player to go strive for their best.

All in all, a great year, some fantastic goals, lots of oranges, great parents support, loved those high fives at the end of the games. Keep them coming!!!

Aaron, Alex, Arunabh, Aryan K, Aryan U, , Gordon, Jesse, Milan and Mohamad, Thankyou!

Another fun and entertaining year with the Ingleburn Eagles. It was rewarding to see the kids develop their skills throughout the year.

I enjoyed watching the boys develop their passion and hunger for the game, it was nice to hear all of the boys tell Coach what position they wanted to play.

It was satisfying to see our team win against a team that had beaten us earlier in the season.

One of my favourite memories was Aryan K and Jesse's penalty free kick, totally unrehearsed, complete with a dummy run over, it would not have looked out of place in an A-League Grand Final!

I'd like to give Gordon a special mention for how hard he tried and how well he played this year. Well done Son!

The team performed well this season and have really improved.

The 2nd season for this team with a few new faces, the boys came into this season with basic knowledge and skills of the game. Through a mixture of repetitive and fun drills, the boys are continuing to develop their skills to a point where they started to introduce them into game day situations.

As with most 8-9- year olds, distractions and short attention spans are at times challenging, but over the course of the season these became less so. It has been a challenge, but seeing the development and notably the enthusiasm the boys have displayed has given me a buzz.

Friendships have been made, lots of goals kicked - The looks on the boys faces when they get a goal has been fantastic to watch!

We hope they continue on an upward path of development through their years.

Special thanks to the parents for their enthusiasm, turning up on Saturday mornings and cold training nights!

My thanks to all the parents for your support. We hope to see everyone again next year.

2015 was a great season!!!

Under 9 yellow welcomed 4 new players to the team and welcomed back Don Watson as our coach after Russell Hutchinson unfortunately left with his boys playing at a new club. With only 2 losses all season the team played awesome games of soccer this season.

Well done to my 9 little champions; Lachlan, Madison, Cooper, Simon, Elijah, Nicholas, Chloe, Jarad and Halim for their determination and sportsmanship giving their all each week on the field and it was a pleasure to manage a great bunch of kids! Unfortunately we lost one of our little champs Halim towards the end of the season having to move overseas with his family, we missed you Halim and hope you continue to play over in Geneva.

We also had a big achievement by 4 of our team members in Cooper, Lachlan, Elijah and Simon receiving their 5 year service awards from the Club. These guys have been playing together since they were 4 years old and I hope they are still playing together for many years to come.

Many thanks to Don for your time, commitment and passion for the game to coach the kids each week, it's not an easy task and you stepped up and gave it your all every week and I thank you.

A big thanks also goes to the parents for bringing your child to training and games each week, your support and commitment was greatly appreciated and makes my job as manager that so much easier and I look forward to seeing you all and managing again next year.

I hope to see you again for Season 2016

Another fantastic season that finished with an epic Gala day of 9 hours of football and a credible semi final finish! Not bad for a day with 57 teams!

We continued to improve all aspects of the game except the kids and their love to whinge.

'When are we going to play a game'

'I'm always on the bench'

'I don't want to play at the back'

LMAO they just kept coming – well at least they are passionate.

Once again all the kudos go the mum's and dad's for putting up with my screaming at their children and all the kids themselves for giving me 100% every time they set foot on the field and for the mate ship they show on the field.

A few words about the players -

Max - another strong year that and the golden tan you came back with after his European holiday was immaculate. Looked like a Brazilian superstar all over!

Ben - always left EVERYTHING on the field just needs to stop being so hard on himself. Always good for a chuckle and to fire the boys up

Arun - was always eager to play hated it when the game is called off or training also, lots of enthusiasm week in week out

Paul – bit too much time off training due to Neil stopping off at the brewery on his way home. Strong season and kicked quite a few goals. When Paul fired the team was at their best

Rhys - As usual according to Rhys he spent 90% of the game on the bench and no one else came off. Smartest kid ever. When he fires up he is an unstoppable force and without doubt is set for a future on TV with his enormous personality!

Kurt – A little superstar in the making just need to control when to go in 1000 miles an hour. Bamboozled many a kid with his tricks that makes me think he is watching a lot of You Tube J Well done Kurt keep up a big off-season.

Big Willie – We are now at the stage that he is only known as Big Willie thanks to me J His understanding of the game went to new level and his exhausted red face shows no-one gives more than him. If we can get the lazy kurac to football educate him at home he is going places!

Shaym – The smartest kid on the team with a wonderful nature. Switched on he is rock solid and I expect big things next year

Robbie – WOW for a first time player what a beast. Really enjoyed having another kid who took everything in and did his best. Best of luck down the coast next year!

Bailey – Another first timer at Ingleburn always up for some joking around and helped level me out. Played about his size and a team player

Anton – Meh I got nothing against this kid. Boy kick ball good. Probably suffered a little bit with dad making him play everywhere on the field at the one time J Already is better than his father at tender age of 9 – Anton needs to decide how much we really wants to pursue this football dream.

Managers comments :

Both the kids and the parents noticed how much passion that Nick coached this year as we all had to wear earplugs. Man he can get angry, but it was all with good intentions :-).

The boys only had 4 losses this year and they were proud that they finally beat a Narellan Rangers team. Woo hoo!! To lose the last game of the gala day was shattering for the boys after making it so far. So shattering that Paul tore his shirt off in anger, stormed off to the car, then realized that he left his boot bag on the sideline. Haha.

Really happy with the friendships and commradery amongst the boys this year. Looking forward to it to continue.

This was a good year for the boys in their first year of competition soccer with the boys coming close to making the semi-finals and finishing 5th.

The boys continuously put in strong efforts and showed a great deal of improvement over the season and started to work as a team. Our boys always had fun playing together regardless of what the result was and always showed good sportsmanship.

The year had some memorable matches throughout the season where the boys played extremely well especially when playing short. The 2 best being our 1-0 win over Bradbury after being beaten by them the previous week and the game against Gunners where we played with 9 players and came from behind to secure a good win.

2015 showed the signs of a good side starting to form and hopefully 2016 will be an even better season.

Congratulations girls, what a great year you had. For years Ingleburn Eagles has not had an under 12 girls team and this year we had sixteen players making the club, and your parents proud.

Only six out of the sixteen girls had played soccer before, and full size fields were a first for all of them. Eleven of the girls were playing above their age group, so it was always going to be a challenge for these girls this year. But let me tell you this great bunch of girls never let age or inexperience stand in their way when they hit that soccer field. Every week there was improvement in the way they played, learning from each game and training session. Evidence of that was proven when they made the semi's only to be pipped at the post in a very close game. No matter what the result they always showed great sportsmanship, held their heads high, and enjoyed themselves.

We would love to see all these girls come back for another year. It has been an absolute pleasure.

Of course a big thankyou to all the parents for their support.

Coaches shared the load between Mark Mott, Adam Weeding, Lee Gray, and Mike Kilcar, and Amber Weeding for her managerial duties.

Firstly I like to thank Rachel for all her time & effort gone into making this season happen.

Well boys I must say it was a season to remember, we started the season off with a massive drive & showed the rest of the group we were here for a purpose.

While the rest of the teams stepped up their level to challenge us in the second round, I think we started to enjoy our soccer & maybe pulled back on our winning streak.

Although we finished in second place, it was a great effort by the team & set's the boys on a new challenge for next year.

We started the year off getting use to each other & working towards a playing style, then finished the season off by making a new friendships & a great team that work hard for each other.

We were unlucky in the Grand Final. Boys played great, but the breaks didn't go our way. Thanks once again to Manager Rachel, our supporters & all the club volunteers.

I would like to thank all the parents for bringing the boys together & making their way down to each game, I know the boys really enjoyed you guys cheering them on.

Firstly a big thank you to Eagles committee. At the start of the season we had lost 6 players plus the coach from last year's team. We got together for our first training session 1 week before our first trial game. We had 6 new players join the squad with a total of 15 boys.

Our first trial game we were soundly beaten and I was really worried what lie ahead for us.

I was talking to our Manager Fiona and Scott about what we were going to do when the boys had got together in a huddle and started to talk to each other and having a laugh. I saw a few leaders step up in the team and our season had started.

We trained hard for the next few weeks and travelled down to Tahmoor to play our first game of the season. Tahmoor was traditionally a grudge match for us and a team we had struggled to beat. We blew them off the park and won 5-0. We dominated possession and the boys had fun and our run of wins had started.

We went on to win 15 games and 2 draws during the regular season scoring and amazing 72 goals and conceding only 13 against. Some of the goals we scored were crackers. Our goal keeper was the best in the comp. Kept many clean sheets had outstanding season.

All the boys played with lots of heart and never give up attitude.

It was just unfortunate that our striker had to go overseas and missed the last couple of games as well as both semi's. It was a real tough from that point. But we won our last remaining 3 games to win the minor premiership and go into the semi's undefeated.

The last couple of weeks we had wet weather and limited training sessions. Everything that could go wrong did for the boys. We had injuries pile up and half the team had the flue during our 2 finals games. Due to the draw we weren't able to borrow our super sub Jack from the U13 due to playing at the same time. We created plenty of chances but lacked patience in front of goal. The boys chased everything and ran out of legs in the last 10 minutes of both games

I am so proud how the boys kept trying. During our last game against Camden we were clearly the better team in the first half. Scored our best goal for the season off a corner and also had a fair goal overruled after the referee had awarded it. It just wasn't meant to be. The final decision to stop our season with 2 minutes remaining was for the referee to award a spot penalty for a hand ball which clearly hit our players chest.

What is the most pleasing part of the season for me is how the boys have come together and become mates.

Don't get me wrong I really wanted to win the comp this year. But at the end of the day it's just a game and in years down the track nobody will remember who won or lost. But you will remember the friendships you have made and that challenge to keep trying to get that win.

All the boys have got together with Sally's help and have entered 2 teams playing indoor soccer. Your skills will improve and your positional play to get involved will increase as it is 5 aside. Fast paced and lots of running. This will be extremely helpful for next season.

I would specially like to thank Fiona for managing the team. Also Scott for all his help at training and game day. All the parents played a big part in the success of the team. We have a great team. The boys have grown to be young gentlemen that we can all be proud of.

From me I would like to say "thank you boys. I am proud and honoured to be your coach this year. It has been a lot of fun. I have enjoyed every game. Even the last 2 games. There are always winners and losers. In my eye's we are the winners Undefeated Minor Premiers. Congratulations Boys. Fitness will be the key for next season. Our goal for 2016 will be to make the top four in division 2 and win our first semi final game. (get that monkey off our back).

This season was a season to remember by all players, parents and supporters. This season was my favourite to coach out of the past 3 seasons. 3rd year in a row making the finals and even winning our first ever finals game in a dramatic penalty shoot out.

I would like to thank all 17 players this season which you all contributed this season.

As being apart of this club for 16 years as either a coach, player and a supporter the semi final against Oran Park was a game which would be a game I will never forget.

Down 2-1 with full time up we received a penalty to send us into extra time and Luke Jackson made it 2-2. Nothing much happened in extra time so we ended up in penalty shoot out. We won the shoot out 4-2. With 2 great saves by Danyon Kennedy and then Luke Jackson again stepping up to put us into the Grand Final Qualifier. This game was a nail biting game and the boys never gave up which shows never stop till that final whistle.

1. **Danyon Kennedy**: our goal keeper again for the year. Came out on the field for a few games including scoring a stunning goal against St Marys.
2. **Hammad Quershi**: played his same role at right back. And always did his job and never gave up. Another great year mate.
3. **George Mandanis**: controlled the midfield all year. Was a great up inclusion to the squad this year with his experience. Thinks his better than the coach but unfortunately George the coach is always better at all things.
4. **Jack Pragnall**: another great and exciting Inclusion to the squad this year. Our main striker with 14 goals for the year.
5. **Gaurav Devarkhonda**: as coach for the past 3 years, Gaurav as been my man who can play anywhere on the field and will always do his job. Scored a cracker of a goal in round 1.
6. **Joshua Bolomey**: played his usual position all year at left back. Was very good at the role. Another fantastic season
Josh
7. **Neacail Dhungana**: my super sub, coming on the field during the game as a right winger quick and skillful every time he had the ball.
8. **Lachlan Reid**: would either play right back or right midfield. Always did his job and always gave 110% on the field and at training. A great teammate.
9. **Hasib Hassan**: missed him a lot for a few games in a row but when he played he was a great midfielder with George.
10. **Justin Edwards**: very quick on the field and has a great kick on him. Scored a very crucial goal in the semi final against Oran park. Justin all I see on my Facebook is you dancing or gabbering..... Your no good with the dancing..... Stick to soccer Ahahah jokes.
11. **Luke Jackson**: the one who would control the game wherever he was on the field. With all his experience he helped the boys all year. He was very happy to be playing September finals as his parramatta eels don't know what that is. So Luke was happy wearing the blue and yellow colours in the finals.
12. **Luke Roseman**: the free kick specialist, scored an absolute stunning goal (goal of the year 2015) in the last minute to win 3-2 against eschol park after being down 0-2. Has a great left foot and great kick on him.
13. **Michael Pace**: played centre back this year and I think I finally found where he plays best. Also scored a goal this year. Great year Michael and I was. Very impressed how you played as centre back.
14. **Zuhyar Mohammed**: New player to the team and wow what a start scored his first goal in round 1. Very good left midfielder and I love the aggression you bring to the team. Keep it up mate, great year. Also to your family welcome to the club.

15. **William Taylor:** my main centre back that would control the game what he saw. Was my co- captain this year and his leadership was outstanding on and off the field. Great year will.

16. **Adam Maxwell:** my other co - captain and his leadership was exactly like Williams, your a great leader Adam. Your a guy every needs in the team, funniest bloke all year.

23: **Keegan McKneight:** another great inclusion from 1st division. Scored 2 goals. Left us for 2 games to trial for Real Madrid but return as he was not good enough ahaha joking. Stick to park soccer!

Thank you to Phil Roseman once again supplying the boys with sports tape for their socks and boots.

Thank you to Dane Taylor and Karen McKneight helping out being manager during the season and Karen for taking the team photos.

Thank you to Phil McKneight for helping out at training.

Thank you to Suzanne Taylor for being Manager again for the last 3 years. Your help to the team has been magnificent and I appreciate that all you do for the team.

Thank you Ashley Carre for helping Suzanne out as assistant manager and coming along to support the boys.

Also thank you to Vicki Maxwell and Tanya Kennedy for organising the team end of season party which took a lot of pressure of Suzanne and myself. Both of us really appreciate it.

Lastly I would like to thank all parents, players and supporters for the last 3 years, I appreciate you guys allowing me to coach the boys and I had so much fun and hopefully I improved the players ability, skills and mostly they all had fun playing.

I hope all yOu players come back next year and keep playing, I will be there watching you all and supporting you all.

UNDER 18

This year was my first year coaching and it was a absolutely great year coaching the under 18s div 1 team.

The team were very unlucky this year with some games, a couple of draws we should of won and some very close games, but all together we did well only just missed out on the finals by 2 points and it happened to be the last game.

The boys did well and I'm so glad to coach them, they are all good young lads and great players some stand out players were Ali who is only 16 but some how gave it is all and some how nutmegged nearly every player on the opposite team. And also Reggie who is 17 was our top scorer, he was the stand out player and is now playing in the African cup of Nations for Ghana!

Also Alex Perez our goal keeper did so we'll all year made a couple of slips but also made up for them. Lachlan, Brad, Owen, Shaun, Cameron, Alec, Bodhi and the rest of the boys also did well this year!

Very happy to say that most of these boys could play high divisions in All Age a do well.

Well done boys and keep on trying to become better.

ALL AGE 5

This year the AA5 brought together players from different ages and different levels from around the area.

After starting the season 0 from 2, who would have thought what was to follow. This led to a winning streak of 10 wins in a row and only losing another 3 games to conclude the regular season games.

With this said, AA5 finished the season in 2nd spot.

For a team that was playing together for the very first time which included some players under the age of 18 was a remarkable effort, a proud player coach I must add.

A season highlight for the team had to be the semi final win against Minor Premiers Harrington Park which put us into the Grand final.

The commitment and effort that was on display was first class from the lads who thoroughly deserved the win.

This ended into facing off against our rivals one last time in the Grand final. In a gut wrenching result, the team went down 1-0 after playing majority of the match with 10 players due to a controversial red card, with the last kick of the game after one of their strikers had a shot which hit the crossbar and bounced over the line.

I would like to say a big thank you to all the boys for a fantastic season.

This has been one of my most enjoyable seasons playing football with a great bunch of blokes. This group has formed a close bond which hopefully will lead to more success on the park in the near future.

A big thank you to our manager Amanda for all her time and effort filling out the match card and chasing Match fees.

The loss of 9 players from last year meant that we had to rebuild the team, especially in defence. Seven new players and a short guest stint from Zak returning from his US scholarship meant that we had a full roster that should have been enough to see us through the season.

After the loss of our keeper, Matt D, from last year, a big bonus was replacing him with Brandon, who was great throughout the year.

It was also good to welcome back Jason after several years away.

The competition was close, but unfortunately we finished fifth.

In the first round we only had one loss to a team who finished in the top four. This was to Harrington Park, who we really smashed in the second round. Unfortunately we had a habit of conceding late goals, one of which was to the Falcons (the eventual Premiers) who scored in 30 seconds of 'overtime' added on by the referee to secure them a draw after we had outplayed them during the game.

Throughout the year we had trouble getting a full team on to the field, or at least some reserves. We were grateful to AA11 Blue who often came to the rescue and Henry from AA8, who actually played more games than some of our registered players. In the end we had to beat the top two teams in our last two games to make the play offs.

A 1-0 loss to Eschol Park (runners up) with only nine players and another 1-0 loss to the Falcons, whose oldest player was 24 years, of age, meant the end of our season. In this game we had no substitutes and they had four, so that we had to keep injured players on the field and no rest for exhausted players.

To those guys who played in these games, you were brilliant. I could not have asked for more. Another season with no red card (5 years since the last one). I still enjoyed the season. You played some quality football and scored some nice goals.

We owe a debt to Manager Gary. You have been great over the last few seasons. Thanks to our supporters, the Committee and all the club volunteers.

Stan.

ALL AGE 8

The AA8's had a very tough season plagued by long term injuries.

We spent many games either barely playing with a full 11 or playing a man or two down. We still managed to pull together at points though and take points of some teams at the top, however the consistency week in week out was lacking.

No matter how the season goes for us though we're a team of friends and we continue to have fun and enjoy playing regardless of circumstance. We have plenty to work on heading into next season but we certainly have the players to put in a decent premiership challenge when we're all there.

2015 was our first year with Ingleburn Eagles, (my first as manager) and what a year it has been – 2015 Premiers and Champions! It was a well-deserved win for a team who worked together all season. Everyone developed an ownership of their position and played it well. The first few matches went well with a number of wins and after 2 losses in a row, the fire in their hearts sparked and the road to the minor premiership began.

Along the way the guys had some laughs and made the best of any potentially bad situation. Thanks to our left back **Jarrold**, we frequently got to see an Albatross or 2, along with some very touchy tackles – wrong sport Jarrod. **Charlie** showed just how flexible he is when under pressure by almost scorpion kicking his opposing player in the face. We even discovered our very own Mr 305 – Magic, **Alan**. He was the one who no matter what put his body on the line and was always there for our no.1 striker Nathan. **Nath** was the No.1 because of his commitment, his determination to keep the team together and to get the points up. Some may say an enigma of our team, I say leading goal scorer and scorer of freakish goals.

During our Grand Final match vs St Marys Green, the other wives and I were talking about how nail biting the game was as we were ahead by 2 for so long, then all of a sudden the boys let their guards down and STM scored 1 goal before half time and another just after. We decided that **Andy** needed to bring out his “signature” header goal that he had sprung on us back in our previous Grand Final Game in 2012. We we’re sitting anxiously waiting for an opportunity all game and when Andrew finally saw the chance he took it and boy did it pay off. That big head of his charged right in and hit it perfectly to get our no.3 goal of the day in extra time. What a champion!

Jaime, our blue healer of the side, cover most ground in 1 game than most do in a year. Fearless and always in the face of his opponents. *Except the one time he was so hungover from the night before he let the ball roll straight through his legs and into the opposition’s goals, he’ll never live that down!*

Our little pocket rocket Frodo, oh sorry, I mean **Brett**. Brett was the quiet one in the team (so it seems) he is our Centre Attacking Mid and was ALWAYS there to help out the others, he’d never get cranky or lose his cool – *except if you’re a 6ft tall 100kg man tripping him over and getting in his face telling him to “get over it Frodo”...* that was the day we saw the demon inside him come out, and man what difference that made. Another moment he, and the rest of us will never forget. Sorry Brett.

Our guardian of the goals & our “self-proclaimed” captain. **Clayton** was unstoppable all season. He is the most injured player on the team but refused to give up each game, even when the sun was so strong in his eyes and let 2 goals in in the first half, he never let it happen again and from that game on, we were undefeated!

Though we were undefeated at this point, it didn't stop our one and only from getting a yellow card, or 2 – or 10!! There was nothing a ref could do with our beloved **Anthony (Tony)** but throw him a card to keep his mouth closed. There was always reason to contest and Tony was always happy to do so very abruptly. The last game before finals was the most memorable, for all of us. One of the CUC boys was mouthing off, and Tony had had enough and had somehow won the refs support after hearing the CUC kid's foul language and gave a bow to the player as the ref graced his with a red to finish his last game of the year just before half time. Tony and the boys clapped him off the field as he continued to curse. Finally things were starting to come around for our Tony. *We wouldn't have you any other way Tone.*

On that note, we will never forget our right forward **Adam's** opportunity to take one for the team during game 3 at Birriwa Reserve vs Mustangs, the ref was clearly adamant he was ref'ing a World Cup and Adam had had enough of his unfair calls so after receiving a yellow for questioning a call, the ref gave him a Yellow.. It wasn't good enough for Adam so he had to show who was boss here, "is that all you can do, c'mon give me another one, send me off" Ref agrees and Adam gets Yellow card no.2 and responds with a big "THANK YOU" as he walks off laughing.. Oh dear Adam.

Our Right Mid Field and Right Back man was **Craig**. Craig's one of the original team members from way back in the day. Craig always plays with his heart and gives it his all. He's had a fantastic year and gets better every year. He's pulled off some great saves this year and always kept up with his player and stayed in their faces. Craig was so determined one game in the finals he went in for a header and hit the wrong part of his head and blacked out momentarily. From the sideline it was hilarious to see but we were all so concerned he had to come off. He later went back on and with his determination, we won the game 3-1 vs CUC. Awesome work Craig!

Jeff was our bench man that made a huge impact on, and off the field. When on the field he was dominant in every play, he kicked freakish goals from all angles of the field and really kept the opposition on their toes. BUT, as he sat and watched the first part of the game each week, he took every moment he could to walk around and got to know all of the wives & girlfriends. He made sure we were all aware with what was going on and kept us interested. He'd also be the first off the field with minutes left of the game to change (in view of us ladies - WEW) *Which eventually inconvenienced my photo taking as he was the only one in plain clothes. Lol. Still, he's the soft spot of the team in my eyes Jeff.*

Tristan, our right mid fielder. The man that could out-sweat a sauna. As he's played with the guys for a number of years now he's proven himself time and time again. He's a great runner and can fill in most positions and always gives 100%. He also welcomed his first child towards the end of the season and never let it interrupt his game time. His memorable attempts of goals each game will forever be in our minds. No matter how big the opportunity was, he'd panic and fling the ball the wrong way, but came out of each go laughing, as we all did. We'll get you there for next season man.

Owen's our right back man and is an awesome team player and will do anything to make sure he puts in 100% in each game. We're lucky to have him commit to us throughout the year as he moved so far away he could barely make all games, but showed his pride and dedication at the end of the season by turning up in full speed to the finals games. You're a legend Owen, thank you for everything you contributed to this year.

Our newbie to the team **Johnno**. This man is made of steel. During trials he breaks his ankle and has 3-4 weeks off, comes back and after his first couple of week breaks his collar bone. The things he puts himself through, next years we'll wrap him in bubble wrap.

Another Newbie was **Mitch**. Whom we didn't see much of all season but when he came into the team half way through the season he made an impact that we can't forget. He was the biggest man on the field (tall wise) and was fast to get onto the ball and let nothing go past him. Until he injured his foot in the last game of the season but still put in his all for the team.

Now, to our Assistant Coach – Mostly just COACH, our little mentor and our back bone, **Cody**. You started this season ready to play but your knee injury had other plans. As hard as it was for you to sit on the sideline every game we are certainly glad you were the one to knuckle down and give these guys the support they needed from the sideline. You stepped up every week and made sure the plays were right and subbed each of the guys when needed. You are a massive part to this team and it won't be so bad if you can't play again next year, because you sure as hell made your mark as Coach for us, we'd love it to continue on for next year. The guys and I want to thank you for every single thing you did throughout the season, without you, we'd of fallen to pieces.

I would like to thank each and every one of the supporters, the kids, the parents and the other club members that helped throughout this season, it was a hell of a ride and I cannot wait to bring the madness again next year!!

ALL AGE 10 YELLOW

Well, what a season for AA DIV 10 yellow. Who would have thought we would make it as far as we did. To make it to the second semi-final was a great effort and every member of the team should hold their head high.

For a team who only just came together this year and did not train at all, I think we went well.

Not even a few torn hamstrings and rolled ankles could slow us down. I'm pretty sure every player over the age of 30 had some sort of injury this season.

Special thanks to Daniel Cochrane for washing the shirts every week and also thanks to all of our supporters who came every week to cheer us all on.

Hope to see you all again next year

Cheers.....Rob.

ALL AGE 10 BLUE

2015 brought a lot of fun to our team with all the boys getting on great together.

On the field the year was challenging and competitive. A lot of close contests with all the top teams except a couple of games when we struggled to fill a team. But all in all a good year.

Hopefully the boys will be back next year.

Nathan

ALL AGE 11 BLUE

Firstly i would like to thank Pat for all her great work and effort to keep this bunch in line. Pat was the drive for our team and made every effort to help the guys out when needed.

Well, what a season we as a team and as a bunch of old blokes showing we still have it.

We started the season with new players and a few big injuries. But I would have to say what started as a group of guys, turned into a hard working team with a goal.

I feel we had some really strong games and the season showed it. We finished the season in second and now have a goal to come back next year stronger than ever. Which I think means we might get guys to training...might.

But we played in the grand final with Harrington Park and to be honest we just didn't want it enough on the day. Hold your head up guys, that was the first time they beat us.

So I'm looking forward to next year and hoping we can bring it home.

I would like to thank the guys on a great season.

2015 was a good year for our team.

For the past couple of years we have struggled to put the ball into the back of the nets, but we found some form this year, scoring more goals than the previous two years. Some of these goals coming from some fresh, young blood, but it was good to see some seasoned veterans get in on the scoring as well.

The scoring of our team goals was a bonus however, as the most enjoyable part of this season was the bonding and friendship that developed between the players, and this showed on the field.

It has been very difficult each year to play as a team, when we lose half our team, and have to welcome new players.

This year ALL the boys worked well together from day one, and the results showed on the field.

This was a year that could have been, if not for injuries etc...but we were glad to do it with a great bunch of blokes.

Hope to see you all back again next year...we were just warming up.

What an enjoyable season. I've always said that people that say winning isn't everything are people that haven't one anything. BUT I WAS WRONG. These last two seasons have been the most enjoyable years I have had playing soccer. The group of players that we have in our team is fantastic. The team is just about playing our best soccer not about winning or losing & with this attitude we have formed a very good team & by the time the game is over we are too tired to argue with each other. I look forward to playing every weekend & cannot wait till next season.

Adam Weeding: Adam once again had a great season running himself to a stand still also scoring the most goals for our team

Kevin Brown: Kevin doesn't know how to play a bad game. He can play in any position & usually does most weeks

Hector Cerda: Hector sadly missed a lot of this season due too injury. He is human after all or is it OLD age mate???? . We missed his had work in our midfield & we all hope you are good to go for next year.

Graham Clarke: Graham has turned into a good midfielder for us & was a hard worker all year BUT had something missing this year. Maybe a trip to Woolies for a new environmentally friendly green bag. ???????????????

Rod Skellern: Captain Courageous!!! Another great year for this golden oldie. Missed a couple of games through illness & injury but managed to keep the Captaincy BUT only JUST. Rod was voted Players Player of the year. A great choice well done.

Matt Davis: Matty was another that we relied on for his youth & skill at the back & he didn't let us down.

Preet Khahra: Preet was a new signing for this season. After an injury that kept him out for a quite a few weeks he came back to play some great soccer. Playing at the back he was very hard to get past.

Marcello Mora: Marcello had some injury concerns as well but came back to help out in goals for us later in the year. Well Done

Vinesh Prakash: Vinesh rang to see if we had some room in our team for this season & I'm glad he did. He played some good soccer for us & also has renovated my bathroom. Well done mate on both jobs.

Jim McGuinness: Jim also had some injury problems this year. But when he was there he played the house down.

Fabrics Albert: Fab joined us this season as Keeper. He saved us on many occasions with some great saves. He later came out on too the field & picked up a bad wrist injury in the back end of the season which ended his year. Rest up mate see you back next season

Alex Judge: Alex is like old gold. He just keeps getting better. I think he is also enjoying playing in this team. He is also our Player of the Year & fully deserves this award well done

Neil Singh: Another of the golden oldies. He just keeps getting better. Led the team in Rod's absence & did a fine job. Rest those legs up for next year

Gary Wilson: Loves running the team & enjoys being part of it. Don't know what I will do when I retire???

Peter Stephen: Pete was a new player for us this year. He won free rego in the 50th Year Anniversary celebrations. He played some great soccer & fitted into our side well. Looking forward to seeing him on the park again next year

Steve Alleaume: Steve played scored some good goals this year & played strong. Pulled of some great tackles as well. The one on himself against Narellan was fantastic. We would of scored.
