# EXECUTIVE REPORT 2016

Our seasons to be slipping by in rapid succession, or maybe it is the older we get the quicker they go.

We had a total of 39 Teams this year a growth from last year, across all age groups as well as the Seniors.

I would like to make a special thank you to the members of the Executive Committee members for their support, help and advice, throughout 2016. Running a Football club is not just turning up on the weekend, opening the canteen, ensuring the grounds are ready to play, but a year round commitment, with decisions having to be made for the upcoming season.

I would like to thank all the Coaches, Managers and parents who without them we would not be the successful club we are.

Disappointing was the lack of attendance to our Monthly Meetings. They are held to discuss any issues you may have, and to attain information to pass onto your team. Although there is a committee that runs the club we would love the input from all involved.

The season started off early in February with 3 Senior Teams (AA4, AA6 and AA9) competing in the Augural Champions League and as a bonus the games on the newly laid synthetic pitch at Macarthur. All teams played extremely well, however it was our M League who through default played hard to come in 3<sup>rd</sup> position.

It is apparent that all Mini, Junior and Senior Teams enjoyed their seasons, however at the end of grading the Juniors, we know that some people were not happy, but you have to realise that all players cannot make the team they want to be in. The club looks at all divisions and we know that without various levels we as a club cannot function. Just remember whatever division you play in you are an important member of INGLEBURN EAGLES.

This year we introduced group coaching for our U6, U7, U8 and U9 Mini teams which was run by Warren Cole assisted by Ian Palmer. This was a great success and helped to introduce our new mini coaches to the game of football. This programme seemed to run very smoothly for all involved.

The season finished with the following results –

CHAMPIONS	COLTS
	UNDER 12 GIRLS DIV 3
FINALISTS	UNDER 16 DIV 2
	ALL AGE 4
	ALL AGE 5
	ALL AGE 6
	ALL AGE 9
SEMI FINALISTS	UNDER 14 DIV 2
	UNDER 14 DIV 3

We would like to thank our sponsors throughout 2016 –

# **INGLEBURN EAGLES HISTORY OF AWARDS**

## **BRENDON O'ROURKE AWARD**

This award goes to the most improved team in the club. The basis on which it shall be awarded is the difference between competition points reached at the end of the first round subtracted from total competition points attained for the season, but adjusted between teams who played unequal number of games.

If more than one team shall be equal on this basis, then the trophy shall be awarded according to the method used to determine club champions. This trophy shall not be awarded to the club champion team.

## **TOM FUREY MEMORIAL AWARD**

This award shall go to the team with the best scoring average in their respective competitions, according to the method used to decide club champions, providing they are not Brendan O'Rourke winners or Club Champions

## **MARK BEKS ENCOURAGEMENT AWARD**

In 2010 the Committee introduced this encouragement award selected by the executive for a junior team.

The award is to honour the contribution of Mark Beks (who sadly passed away prior to the commencement of the 2010 season) to our club as a coach, parent and supporter. Mark was a very successful coach of AA5 in both 2008 and 2009 and his team went through in 2010 undefeated to win both the Minor Premiership, Premiership and Senior Club Champions.

## **PRESIDENTS AWARDS – CLUB PERSON OF THE YEAR**

Presidents Award decided by the President and the Club Secretary is awarded to the Club Person of the Year based on the following criteria, actively involved in Ground Duties (Set Up/Canteen duty etc) when their team is on duty, attends meetings, goes above and beyond their role in the club as a committee person, coach, manager, player etc.

## **MARK KENNEDY AWARD - MINI TROPHY**

Mark was an integral part of starting our minis off, and was very prominent in the early days of the soccer club. Mark held many positions with the soccer division, he also went on to become involved in the youth club.

## **DAVID LAUKAITIS - SENIOR TROPHY**

David was a player who had been with the soccer division for many years. One who always showed true sportsmanship and generally loved the game of soccer. He was always willing to lend a hand and help out with younger teams.

It was a sad loss to many people when David passed away so young due to a workplace accident. Hence many senior players wanted to honour his memory so his parents were approached and that is how the senior trophies came into being. Due to his involvement in Premier League and his fairness to the game the two trophies came into being.

## STAN SHEPHERD COACHES AWARD

In 2009 long serving coach for our club for nearly 20 years, Mr Stan Shepherd, initiated this award at one of our meetings and as such the Club Coaches Award will be now known as the Stan Shepherd Coaches Award.

We know that each team has different challenges through the season, some will become Minor Premiers and Grand Final winners others will struggle at the other end of the table, the award is not just based purely on success. The award is intended to go to the coach who reflects the spirit of the Eagles as a family club.

## GARY SMITH MANAGERS AWARD

This award was introduced in 2016 by Phil McKnight. Gary Smith is a long serving coach/manager for our club for over 20 years, and as such the Club Manager Award will be now known as the Gary Smith Managers Award.

Gary coached his son's team in the early '90's and as time went on, he hung his coaching role up to become a manager

2016 was a wonderful season for our players. This was the first year of football for our little ones. As the year progressed, so did our team's confidence, skills and enjoyment of the game. Thank you for "turning" your ears on and listening to your coach throughout the season.

A big thank you to Mr & Mrs Suarez for filling in the coaching and managerial duties in my absence. Special thanks to all the parents, grandparents, siblings and extended family members for coming along to support our players and for the high fives at the end of the matches.

It has been a pleasure coaching and I hope you all had fun.

**Zion** – A pocket rocket with great enthusiasm. You have the determination to take you a long way. Some great tackles and goals. Great work in midfield.

**Ethan** – A steady player who enjoys playing full back. Some great tackles and goals. Gave the hardest high fives to warm the coach's hands.

**Jayden** – Another pocket rocket with great energy. Gave a hard time and tears in defence to some much older and experienced opponents. A solid tackler and all-rounder.

**Stan** – Steady defender. You have shown great commitment and enthusiasm. Some wonderful passing and tackles.

**Kalan** – A solid forward with some great goals. Provided the team with much needed height and force. Scored some wonderful goals and played the game in great spirit.

**Suhani** – A steady fullback. You have shown great commitment and team spirit throughout the season. Some great tackles and goals.

All in all a wonderful season. Thanks for coming to training, games and bullrush!

It was a pleasure to witness the enjoyment the kids had and the improvements made, from the first game to the last. All tried had during their games, especially when we were short.

We had a good mix of players and changing our coach mid way through the season did not worry them.

Special thanks to to all the parents for their assistance throughout the year

It's hard to pick a most improved player for U6 white, if not impossible. All the boys have greatly increased their skill level over the season. Game 1 was a frenzy of feet and enthusiasm, but we were still to learn in which direction to kick the ball! By the last game we were aiming at goal and gained confidence to tackle the opposition.

Capacity and endurance on the field was an obvious point of growth this season, especially for Jackson and Michael. Everyone improved their ball skills and it was good to see Micah and Rayeed use it to full advantage. Brendan and Ethan both gained a strong kick and used it both to sweep and score goals.

Well done boys, it's obvious you love the game.

What a great year! We started off being put into a team, which the majority of us already had known each other through daycare, the boys soon made Jez and Matty well and truly part of the gang. The majority of them had never played soccer with each other before. We came up against Appin United in the first game and they were very excited. And that showed by how well they played. The score is not kept in U6's however, the boys sure knew what the score was, who had scored and how many the team had scored!

Jeremy had a great season scoring goals and setting up plenty. A well trained little player.

Mark scoring from pretty much halfway was one of my highlights for the year. He was very proud as were all the parents.

Mason is so competitive and passionate, even at 6, that he would tear up when they conceded a goal. Matthew always had the knack for knowing when it was his turn to kick the ball in. He got more into the game with every week that passed.

Blake in his second season just kept improving with every game he played in attack and defense. Jacob's passion for the game grew throughout the year as he became aware of his ability and love of the game.

All in all what a great year! Win, lose or draw these boys would still run around for hours after the games if we let them! Great to see how well they get along together! They have certainly made some friendships. Hope everyone else enjoyed it as much as I did!

See you next year!

What a fantastic season the Under 6 Purple team have had this year. Personally this was the first time for me being a Soccer mum, and also doubling as a Manager it was wonderful to see how far our boys have come along with their game and grow as part of a team. We were unbeaten all season and each child improved their game weekly.

Noah, Tadhg, Ricky, Ethan, Arnav and Timmy - it has been amazing to see the important lessons and values you boys learned about working together with your teammates and displaying the spirit of competition, with cheering each other on when your teammate scored or showed excellent skill with handling the ball. Each and every one of you played so well in every game. WELL DONE LADS!

I also wanted to say thank you to our coaches Anil and Marcus for your knowledge and input with training and moulding our boys to become fine little athletes. Last but not least a big thank you to all the parents and relatives for your participation, with handling the jerseys to helping each other out when another parent was not able to bring their child to the game. Your efforts were also very much appreciated, so thank you.

The U6 Purple team had a fantastic year and I hope to see you boys playing together again next year. Again well done boys!

We had a good season for learning .It was heartwarming to see so much enthusiasm still around even at the end of the season.

All our players had a degree of talent that came across whilst training and playing against other teams. The most important part of this team is that they enjoyed playing in such a friendly side and they made the most of it each week.

Although they had had a mixture of wins, losses and draws they never lost faith and always had a smile on their faces.

It was a real pleasure to coach this year and I thank all the parents for their support and help throughout the season.

## UNDER 8 BLUE

It was a really fun season had by the Under 8 Blues. It was great to see some familiar faces with Evan, Xavier Lachlan, Ryan and Nikhil returning for yet another season. These player's skills have come a long way in the last 3 or 4 years. Ryder, the son of a former team mate of mine from way back in 1993 joined the team along with some first time players with the twins Hayden and Chloe and also Emily. All of the players gelled really well right from the start and they all had a really good time and some really hard fought victories.

CAN I BE GOALKEEPER?? This was the most asked question every week. Before every kick off and at every half time at least half of the team wanted to go in goals. I think they were a bit excited about finally having goalkeepers as part of the game... or they just wanted to stay warm by wearing the long sleeve keepers jersey.

A very big THANKYOU goes out to the little brothers of Evan and Ryder for filling in during the season. Jeremy and Eligh both helped out a bunch of times throughout the year and you couldn't even tell they were U6's playing in U8's.

Another big THANKYOU goes out to the sideline crew for all your help during the season.

The 2016 season was a really enjoyable and rewarding season for me personally as a coach and also for the kids as well. 6 of our players returned from last year's under 7's team (Angus, Eamon, Leo, Mark, Maroun and Rishab) while we gained 5 new players (Cooper, Gianna, Jude, Lachlan, Tyrese) to form a great new under 8's team. Some of the rookies had never played the round-ball game so it was fascinating to watch them transition into footballer players.

We started the season and end the season as almost 2 completely different teams. Now we know that scores aren't kept and under 8's is non-competitive, but no one explained that to the kids and they tell me we only "won" about 1 of our first 8 games, but they also told me we won our last 6 games straight so I say that means we came home in fine style.

Lastly, I would like to thank all the parents who gave their time to help with setting up and taking down nets and cones on training nights. Also, thanks to those who volunteered for canteen duty and field set up for home games and also to those dedicated souls who washed shirts. If you think that's a lousy job for under 8's, just wait till under 16's when there are 15 or 16 shirts, far smellier than they are now.

Finally, the biggest thanks is saved for Mark Magro, the manager who does ALL the managing and leaves me free to do the things I do best - make bad jokes, trip on size 3 soccer balls, help kids enjoy the beautiful game and encourage them to keep trying and come back again next year.

To this end I know we have lost Leo as they have moved onto greener pastures so good luck to Leo, Liz and Nas. Hopefully we'll come up against you when we play Harrington Park in 2017.

Best wishes for a safe Christmas and Holiday season and Happy New Year for 2017.

First of all we would like to thank Ingleburn Eagles to present us a fantastic season for the children to play soccer. Our team was immensely privileged to have such a great opportunity not only play soccer as a team but also learning social skills including sportsmanship.

Nabhan, Nehan, Keenan, Aayan, Kartik, Avinash, Prajwal, Tashan, Ceryl and Manha – well done for the great effort to show your best performance. You all will develop more skills in next few years.

Children are growing and this kind of team work is very useful to develop their social skills. Our team strive to participate most of the matches regardless of the outcome.

They are still learning and will learn to play skillful soccer in the upcoming days and I hope next year they will play their best in the background of their previous year skills.

Coach Harry did his best to engage all the children in the game despite a lot of challenges.

Finally we thank all of the parents for their continuous support throughout the season for bringing their children and remained enthusiastic which also made a lot of difference to encourage them to play.

Regards

Manager Muzahid Hassan

An incredible season is best to describe Year 2016. Many kids playing together as a team for the 1<sup>st</sup> time. The season began with comprehensive losses in both our trial games. We had 5 players turn up for our round 1 match which we won. We lost our round 2 match by 1 goal but showed signs of improvement. Their enthusiasm and dedication towards training started to produce results on the field. They began to gain confidence in themselves and their team mates. Our last loss of this season was in Round 5 on the 30<sup>th</sup> April. The team has been undefeated for 4 months. If ever they doubted their abilities, it changed in round 14 on the 2<sup>nd</sup> July. We were playing a team that beat us in round 1. The kids produced a herculean effort to beat the opposition convincingly. Unknown to us, the opposition team were unbeaten up until then. The opposition coach commented that it took a team of champions to beat his team. We have scored a total of 102 goals and conceded only 18 goals. Our season ended on a high winning both our gala day matches with a margin of 13-1.

If there was a points table for our competition, it will look like this

Team	P	W	L	D	B	FF	FA	F	A	GD	PTS
U9 White	17	15	2	0	0	0	0	102	18	84	51

**Aaron** - One half of our defence that made up our brick wall. Controlled our defensive line with his partner Alex. Great balls skills and is comfortable playing in any position. A strong player with the stamina to run the length of the field. Responsible for our fantastic defensive record.

**Alex** – A naturally gifted defensive player. Second half of our brick wall. Controlled our defensive line with his partner Aaron. A tough cookie who does not take a backward step. Lots of speed, strong in his tackles and plays with a smile on his face. Also responsible for our fantastic defensive record.

**Aryan** – A zippy player who shows up in places you least expect him to – like goal mouths and then slots them in. A little pocket rocket who is versatile and had some good saves in goals.

**Jesse** – Youngest member of our team. Confident in his ability, vocal and played centre right and goals. Loved to play with his team mates. Good saves in goals and scored good goals. Formed some good combinations and provided some good passes.

**Kunaal** – 2<sup>nd</sup> youngest member of our team. Improved as the season progressed. Committed and confident throughout the season with good kicks. A happy go lucky player who made some good saves in goals.

**Rehaan** – Big improver in the team as the season progressed. Quiet by nature, he became confident and started running the ball. Not short of a smile but always determined to go looking for the ball. Improved ball skills and tackles.

**Rohan** – Sublime ball skills who controlled the front line with confidence. Works well with midfield and is comfortable playing in any position. Found the back of the net many times with his powerful kicks and touches. Quiet by nature but has lots of talent and ability.

**Mohammed** – Good ball skills and speed. Comfortable playing up front and improved on his passing game. Made some good saves in goal and scored good goals.

**Monish** – A tough team player who does not mind putting his body on the line. Has developed his ball skills and has a very powerful kick. Another player that pops up everywhere.

**Nikhil** – Naturally talented player who controlled our midfield and forward line. Fantastic control of the ball who has the ability to read the game and good positional play with his forward line. Comfortable playing in any position. Found the back of the net many times with his skilful boot.

A team cannot succeed without the support of parents. A big thank you to parents, grand-parents, extended families and overseas visitors/spectators for their support. The dedication of the parents saw most kids turn up at training on cold windy days unless they were sick. A big thank you to our Manager Kritika who managed to keep the coach, players, parents and families in check whilst being the most vocal supporter.

2016 was an awesome season!!! Under 10 yellow welcomed 6 new players to the team and welcomed Travis as our coach.

With only 1 loss all season the team played awesome games of soccer. Well done to my 13 little champions; Lachlan, Madison, Cooper, Simon, Elijah, Nicholas, Jarod, Zachary, Issabella, Cedrik, Lee, Zackery & Heath for their sportsmanship giving their all each week on the field and it was a pleasure to manage a great bunch of kids!

Some hadn't played competition soccer before and it was just inspirational to see the improvement in not only the players who had come back but the kids who hadn't played, they really made the whole coach/managing worthwhile with their effort and determination.

Many thanks to Travis for your time and commitment to the game to coach the kids each week, it's not an easy task and you stepped up and gave it your all every week considering you had another team to manage and I thank you, we made a great team!

A big thanks especially goes to the parents for bringing your child to training and games each week, your support and commitment was greatly appreciated again and makes my job as manager that so much easier.

We hope to see you again for Season 2017 GO EAGLES!!

The U10s Blue have performed well this season and have really improved year on year.

The 3rd season for this team with a few new faces, the boys came into this season with basic knowledge and skills of the game. Through a mixture of repetitive and fun drills, the boys are continuing to developed their skills to a point where they started to introduce them into game day situations.

As with most 9-10- year olds, distractions and short attention spans are at times challenging, but over the course of the season these became less so. It has been a challenge, but seeing the development and notably the enthusiasm the boys have displayed has given us the drive to keep going each week and giving it our best.

Friendships have been made, goals have been kicked and blocked - The looks on the boys faces and the team work used when they get a goal has been fantastic to watch!

We hope they continue on an upward path of development through their years.

Special thanks to the parents for their enthusiasm, turning up on Saturday mornings and cold training nights!

Thanks

Started this season with a very mixed team in aspects of age, ability, and experience. I know we had our ups and downs during the season but I am very proud of the team, never did they give up or backdown from any challenge, they never worried about the score or goal difference and for that it shows how our teams attitude towards the sport and the character each player has, that I know is a great quality to posses for life.

Well Ladies and Gentlemen, boys and girls, what a year we have had. Wooden spooners last year to GRAND FINAL WINNERS this year. WOW what an effort.

These girls came back this year with a glint in their eye, and fire in their bellies. They love their soccer and trained hard week in, week out. All year their commitment to training was outstanding. The improvement that we all saw was amazing. The team just gelled and great friendships were formed.

We progressed into the grand final by beating the minor premiers in the semi-finals 2-0. We had a couple of weeks off leading up to the grand final so what did the girls do? They trained of course. Saturdays and Thursday nights. Grand Final day arrived, we were playing minor premiers (Oran Park) again. It seemed like we were always a goal behind the whole game. It ended up 3-3 at full time. 5 minutes extra time each way was all we needed. The girls lifted, stepped it up a notch and ended up scoring 2 more goals. End result 5-3. The girls war cry never sounded better.

It has been an absolute pleasure coaching such a wonderful group of girls this year. Each and every one of you girls deserve this, so enjoy it.

Shout out to our amazing manager Nicky. Could not have done it without you. You're a champion and you made my season so much easier. Also Kurt, there every training session and game helping me out. You're a legend.

**13/3's** had a mixed season of highs and lows ( playing short in our first game played with 8 players against 15 on a very hot day, down 2-1 at half time came back 2-2 in first 5 min of second half only to get the legs run of us and go down – proud of the courage the boys showed and that stayed with them for the rest of the season. Never say die.)

Had some amazing moments throughout the season with some spectacular goals and some awesome saves, but through other obligations and commitments we were unable to keep the entire squad together at crucial times throughout the year and went down narrowly in some hard fought games, that cost us a place in the finals. I would like to thank all the boys for season and hope to see you all back next year, so you can take out the Division Championship.

Starting the year they were a bunch of kids with some mediocre talent but a lot of heart and thirst to better themselves..... we had our downs to the start of the year and after finding a sticking gel they started to play and enjoy the game more and more as the season came to the close..

Our first couple of games where really a learning curve for our team as most of the boys playing in a higher age bracket with both under 123s and under 13s boys being put together.... But just our 3<sup>rd</sup> game in with some very tired boys from playing the day before on the sat, turning up to a Sunday game at Minto...

*This game took myself and others to the brink... with shots missing left right and centre from both teams with our star goalie Sebastian doing some great saves...however after a well-played ball forward a new player to the game Moustapha did the natural thing and kick the ball towards the goal ... however the ball sailed over the head of the goalie and into the back of the net..... Not only did the team go up in the air but I've never seen a father jump so far into the air when his son scored his first goal... thus the team then lifted and won the game this being the first win in years for some..... I have never seen happier faces on these kids....*

After this game those that players seem to start to enjoy the game more and more knowing it was only a matter of time until there next win... which happen some weeks later but it came with a great win vs Harrington park and then towards the end of the season another 2 nil win vs Minto....

I would love to go through and single out every player and there great talents ... but I don't have pages to use here..... so I would love to congratulate all of the players this season that played for the 13/4s with a special mention to the boys from the under 11s for helping out fill in for some of those games with them even scoring a few of the goals for us... A big thankyou to the eagles committee for your support this year ... the parents for allowing your children to play as well as turning up to those cold morning to support your children weather setting up the field/working in the canteen or being a cheer squad on the sideline...

Thank you to Scott (aka commando) Mr Reynold's and Mr Holmes for helping me out this year when I was away with my own family commitments .....

But the biggest thankyou goes to Michelle Reynold's... For your continued support and always helping out in your best possible way for the team.....

Finally to the boys, you're all great kids growing into men. But don't forget upon growing into men u need to sit back relax and have fun as much as you can while you can....and playing soccer can do this for you all ...

See you all next year  
Daniel Prince

The 14-2s finished a creditable fourth this season.

The team was very solid defensively and kept the goals scored against us to a minimum.

The mid-fielders battled hard each match, helping to create some fine passing movements.

Up front we had plenty of opportunities, but luck was against us at vital times when goals looked certain to be scored.

It was great to see so many players develop their skills at training and then demonstrate those same skills during matches.

Our hard working Committee members need to be praised for all their efforts this year.

A big thank you to the boys' parents who have been very supportive and proved to be a fantastic cheer squad.

We are proud to have been associated with the boys during 2016 and look forward to seeing them return for season 2017.

It was a pleasure to be involved with the U14/Div3 side as coach along with Terry Dumont and Gary Smith. We had the pleasure of instructing a great bunch of young players that were always keen to train with the majority of the players present at every training session.

All of the boys trained well throughout the season and all of the boys showed improvements in their skills by the end of the season. It was particularly encouraging to see how well some of the players that had not played before worked hard and soon showed great improvements in their skills and game play.

The side had a good year and progressed from a group of players to a team that worked well together. The boys by the end of the season were able to play a structured game in which they were competitive with any team in the competition.

The boys played many good games but the most memorable was when the boys played the competition leaders on a wet and cold day and every player worked extremely hard to help achieve a 1-0 win, another was the day we played Narellan at Tahmoor with only 9 players and came away with a 1-1 draw.

The boys qualified for the Semi's in which they played a great game to beat St Marys to earn a spot in the next round to play Narellan. Our game against Narellan started well with the boys playing a good structured game that produced an early goal to take a 1-0 lead however things didn't go as well as we had hoped with players suffering from the heat and we eventually went down 3-1.

With increased dedication to fitness and drill training the boys will be able to continue to improve and have the potential to win a grand final next year.

Well what can I say.

It was a hard start to the season which really showed the boys what it was going to take. After a few losses and one that the really hurt the boys pulled it together.

They were the only team to take a point off the team that won the comp.

They also ended up winning against every team out side of our own Ingleburn team and the Collies.

Paul and myself saw a massive improvement in the boys both in their skills and their understanding of the game. It was a pleasure to coach every one of these young men. I would also like to say a special thanks to Paul as he was always there for the boys and myself.

I personally know the boys have a massive amount of respect for Paul and he was the man that helped pull the boys back together in the hard times.

A big thanks to all the boys for their efforts in season 2016.

From not knowing if we would have a team at the start of the season, then players leaving, trying to get new players, not having a recognized goalkeeper, bringing boys in that could still play under 15's it was always going to be tough.

With limited preparation we managed to win the first game of the season, but now looking back we probably used up all of our luck we were going to get during the season in one game.

The season after that game was never going to be easy, but to the boys credit they never gave up, everyone worked hard at training.

We endeavoured to play football rather than just kick and chase, and this was noted by other coaches and even referees who complimented us on the way we were trying to play. However we weren't quite strong enough to get over some teams and the luck didn't go our way. We were on the wrong end of the scoreline in most games but this didn't reflect the effort we put in, and with a bit of luck we could of been on the right side of the scoreline in many games.

Everyone contributed in their own way during the season, and I hope all the boys got something out of the season. Just a special mention to Brandon who stepped in goals for most of the season and did a great job. Thanks also to Ky, Shaun, Ashik, Sami, Tanmay, Lochlin for going in goals at different times in games.

It was a pleasure to be the coach of a great bunch of young men, so thanks guys.

There is no doubt that this year was a tough year for our team. It did not start well as we couldn't get a 14's team up so we combined the 2 teams to form the 16's. This meant that only one player in the team was an under 16, and about half the team were 14's (and three will still be 14's next year). From this squad we had about 4 players who had played outdoor soccer before ever and only 2 who played in 2015. What this meant was that we were starting from scratch.

The great highlight for me this year was watching players improve through the year. Players learnt a lot about the basics of soccer (striking, dribbling, first touch and '1 on 1') and also a little about positional play and game play. Throughout the season these skills grew and were applied making us a more difficult team to play. Many opposition coaches who played us a second time commented on how much we had improved throughout the season. This was demonstrated with a dramatic improvement in our results.

Our early results were not good. We were towelled up a few times (although no one got to double figures). But even as this was happening there was a resolve to keep playing, improving and enjoying the game. Often the sledges from the opposition teams steeled the resolve to not give up. As the season went on the results improved, we scored goals, and we even managed a hard fought draw.

During the season we also celebrated 'Women in Soccer' by playing a game down at Lynwood park on the new synthetic turf. This was a great occasion and the girls enjoyed the experience of playing on a fully 'grassed' flat surface with a referee and 2 AR's.

Overall we had a generally fun but tough season together. Thanks to the parents, families & friends who were consistently helpful, positive and supportive through the season. Also thank you to the Eagles club who are a very easy club to play for. Thanks to Mel who was an excellent manager. All the best this year's players as you continue to play the beautiful game.

The year started with Adam Maxwell and Danyon Kennedy rallying together to form a team from the players who were committed from the previous year but it soon became apparent that they needed to find new players. As the boys needed a coach, I agreed to take it on, providing they could muster a full team. It wasn't long before they had gathered enough willing players and then we were ready to face the season!

Trial matches were an eye opener, battling the heat, school holidays and work commitments but the one quality that came through was the boys' tenacity to play well. At the start of the competition, we struggled to gel though with the challenges they faced, it was clear to us we had the making of a good team. While this was not always evident in the final score, the boys never gave up and turned up the following week after some heavy losses with a fresh enthusiasm.

Throughout the season, we battled hard before we got our first win, with many close games that could have gone either way. Some games came down to the final seconds between a win and a draw or loss. This made for some exciting football for the players and spectators alike.

The 17/2's combined a mixed level of ability with several players playing multiple positions, depending on the situation of the game. During the year the boys showed a great enthusiasm for training with a good show up every week which resulted in strong teamwork on the field. They trained hard and their football improved throughout the year.

It has been pleasures to coach the 17/2's this year and wish the players many more years of playing football in the future.

- Danyon Kennedy was instrumental in rallying the team on and off the field as one of our captains. He had a busy season in goals and in the last few rounds showed us his talents by playing a forward. His passion for soccer is evident with his focus at training and during the match.
- Adam Maxwell as mentioned above was also instrumental in ensuring we had a team this year. He consistently showed his teammates his ability to score a penalty kick and was determined to be the one to convert one during a match and when he got his chance Adam knew it was a foregone conclusion he would score. The team and supporters alike were blown away with his success. A great forward who we have seen improve consistently over the many years he has played for the Eagles.
- Bradman Munson surprised us all in his debut season as a soccer player. For a first time player, Bradman played a good game of soccer, contributing to the morale of the team with his humour and never-give-up positive attitude.
- Karl Osborne demonstrated he was a valuable and versatile player, with his main position being right midfield. His consistent sportsmanship and team spirit is to be commended and was noticed by both players and supporters alike.
- Cassidy Wright redefined energetic. His enthusiasm and determination to succeed was second to none. As we already had our goalkeeper when Cassidy joined the team, he was happy to play on the field as a forward where he demonstrated his all-round football skills. An opportunity to go into goals late in the season gave him the chance to impress us with his goalkeeping.

- Lachlan Mangan played a solid defensive game as a centre back. Time and time again, he turned the game around by sending the ball soaring well into the opposing team's half of the field. He would be a valued player on any team.
- Joel Fincher helped control the game using his skills as a valued midfield player. While a quiet achiever, he contributed to our goal tally for the season. A great team player who was able to read the play well by making passes that kept the ball going forward.
- Christian Marinkovic came from another club to play football with the Eagles and we were happy to include him in our team. He played midfield, seizing every opportunity that came his way and always gave his best.
- Jack Pragnell had a significant impact on the field. Having been with the team for many seasons, he read the play well, working as a pivotal member of the forwards. Although not scoring as many goals as in previous seasons, he never gave up trying.
- Radith Khan returned to the team after checking greener pastures. The guys were pleased to have him back in the team with his strong presence in the midfield. A versatile player with a good attacking game, he presented us with many opportunities to score.
- Gaurav Devarkonda a midfielder with a hunger to score. He was another long standing club member who was always keen to be on the field. His enthusiasm fed through to the rest of the team, lifting their spirits and encouraging them to play well.
- Andrew Eggleston was another new player this year and an eager member of the team who embraced each game with enthusiasm. He played many positions and did well wherever he was needed.
- Michael Pace was our wild card, with his laid-back relaxed attitude, but he would surprise us all with his impressive tackling abilities and ball skills. A reliable right back that saved the day for us with clearing the ball and feeding it through to the midfielders.
- William Taylor always gave 100% on the field in the backs with his powerful kick and a determination to keep the other team at bay. A valued team member who maintained a level head when the team was under pressure despite the added bonus of having his dad for coach and mother as manager.
- Joshua Bolomey was a consistent reliable left back and our quiet achiever in the team. He always showed a great commitment to his position, defying the opposition's right wing attack on many occasions while backing up the midfielders. A good sportsman and a valued member of the team.

*WE ARE THE CHAMPIONS!!!*

What an amazing season had by the Colts. We finished the season in 2<sup>nd</sup> place only being knocked out of 1<sup>st</sup> place by goal difference in the very last round then going on to win the Grand Final 2-0 against the Premiers, Gunners.

With a new coach and a hand full of new players it took us a few weeks to gel having only 1 win from the first 3 rounds.

From then, we went on to dominate the competition with an undefeated run right through to the end of the season being led by our inspirational Captain and Grand Final Man of the Match, Darian Craig.

It was a great season had by all with a few stand out players who performed week in week out. Shaun holding our impenetrable defence together, Alec and Regan being the workhorses in both defence and attack down the right wing and our Golden Boot , Reggie who scored an amazing 48 goals.

On a personal note, this was my first season coaching a senior team and I couldn't have asked for a better bunch of guys to coach. Thank you guys for listening to what I had to say and executing it on the pitch. This was a season that I will never forget. I had an awesome time!

I look forward to seeing what next season brings.

Thanks

In my many years of coaching, I've had the privilege of writing reports like this for some pretty successful teams, teams who have lifted trophies, broken goal scoring records, teams I have been proud to coach.

This season, although I would have loved to write about a premiership or some other on-field success, I am still able to write this report with a sense of great pride and accomplishment.

When you read the stats, it didn't look good. Inconsistency with both performance and line up, poor attendance at training, all of these things led to us struggling to grab a semi final spot, although we were mathematically in the running right up until the end.

In the end though, our season will be remembered for a moment that in all my years of playing and watching football, will never be rivalled. A moment when a bunch of young guys (and a few old ones!) stood up for their mate, disregarding the consequences and made a stand together against something they felt was not right.

Although that moment ultimately may put an end to what this group may be able to achieve going forward, due to circumstances beyond our control, I hope the players involved will remember it as a positive thing. We all concede that in that moment, we did in fact break the rules and the punishment handed down will be adhered to without question, but I feel that the action came from a great place and I for one will always be proud of the part I played in it and hope the players are too.

To our players this year, thank you for an enjoyable season. Many of you came to us from other teams and the way the core of the team bonded together so quickly under trying circumstance was a great success in it's self. Special mention to our awards this season:

**Player's Player:** Nathan Chandra

**Coach's Award:** Kurt Oliver

And to the supporters, the partners that allowed the boys to put some time into this, the parents and friends that came down to cheer the boys on, thank you for the encouragement along the way. Most importantly, a huge thanks to our sponsors; **Glenquarie Tavern** and **Anytime Fitness Glenquarie** for their financial support this season.

I'd like also to make final mention to the Premiership Winning Colts team. They trained along side us for much of the season, lending us players when they could. You deserve your success and I hope you push on for another successful season next year!

Thank you guys for another entertaining and exciting year of football played in the right spirit.

Once agan we started the season with a squad of 14-16 players, however injuries, suspensions, and holidays soon disrupted the team.

Once again I would like to tahnk everyone for playing this season

A very successful and enjoyable season which did have its ups and downs, with the majority of players promoted from Division 5 and some new faces the season started in a very positive manner with the team reaching the last 8 of the Pre-Season Champions Tournament and culminated in the Grand Final game.

The season itself started well with the players playing a brand of attacking and skilful football, which had many people sit up and take notice of the teams ability, before injuries, suspensions and players pulling out mid season had an unsettling effect. Fortunately we were able to recruit replacements and restructure the teams formation to continue our path to the finals.

The team finished 3rd in the competition and went into the finals on the back of a bad loss, this loss was followed by 3 pressure games, the elimination semi, final and Grand Final in which they were the better team in each game. Although not getting the desired result in the Grand Final it was a testament to the character of the players that they came back from 2 nil down to send the match into extra time and then onto penalties.

No coach could have asked for more or have more respect for the efforts they put in throughout the season especially in the finals series.

Each and every player has contributed in no small way to the success of the side this season and if the majority can stay together as a team next year, would have in my opinion and even better season than this one.

Trevor

We welcomed seven new players and fare welled 9 from last years team.

Again the competition was close, and in the end we finished fourth. As in previous years, we had trouble getting a full team on the field in several games. The AA 7 team was very helpful in loaning us players throughout the year and we thank them for that.

In the first round we had losses to teams who eventually finished below us and that meant we never really threatened to win the competition. Still, we were very competitive, played nice football, and ended the season with a bang. Beating the Camden Falcons (penalty shoot out) and thumping Eschol Park 5-1 in the play offs meant we reached the Grand Final. We played the undefeated Camden Tigers and with a bit of luck could have beaten them. However, it was a great effort, and I am proud of the team. Overall, another season that could have been better, but still lots of good memories.

Thanks to our managers Dave and Karen, you were great. Once again, thanks to our supporters, the Committee and all the club volunteers.

Stan.

This season has been somewhat of a roller coaster ride for AA6, we started the season off coming from winning Minor Prems and Prems in AA9 jumping up 3 divisions to AA6, with a few new faces to the team we knew it would take a few weeks to gel, a couple of games in we started to gel as a team only to run into a spade of bad luck with a game being abandoned and a number of players suspended for extended time a quarter way into the season.

The boys didn't let this get them down at all every player filled in where he was needed and we continued to back each other up, even though we had guys playing in positions they had never played before the team started to hit their straps and away we went, we put the crap behind us and motored forward with a point to prove to all the haters and to ourselves.

We lost our first game in essentially 2 years in the last round of the season but again the boys regrouped and pressed forward finishing 2<sup>nd</sup> for the regular season with only 11 goals scored against us all year.

Finally some luck fell our way in our first semi which saw us sent through to the Grand Final. The boys have really showed what the word "Mateship" & "Determination" means this year and it's been a pleasure to have been part of such a great team and great group of guys. Not to mention our supporters who turn up each week and support the boys.

A special thank you to Hannah Smith our sponsor from MGF Lawyers & Tax Agents and to Christine Smith and Cody Morris-Smith for managing the team. I couldn't be prouder of everyone this year. Let's Keep Swarming Eagles!

The AA7's season was really a tale of two halves. In the first half of the season we struggled to find cohesion and rhythm that would ultimately cost us a finals spot.

However the second round of the season we went on a massive undefeated/winning streak that saw us push the team's at the top all the way to the end.

Ultimately we are a team that prides ourselves on sportsmanship, playing for fun and enjoying the game in good spirit and I believe that we as a team achieved this truthfully.

We found ourselves enjoying football once again after a rocky start and believe next year we'll be pushing onwards to greater things

This team came together in a Club in a new Association. The team had previously played in another Association for many years.

The change of Clubs and Association was just the tonic needed to start enjoying their football again

We began with 19 registered players. The boys started on a high note with some very large wins and a draw. Then injuries, work and family commitments started to take its toll. At one point we were lucky to field a team (some help from the U/21s helped us get on the field. We had a few losses during the middle of the season. In the last part of the season, with players back, we were able to win the last 5 games. Unfortunately, we missed out on making the semi finals by 1 single point. If we could have turned an earlier loss into a draw, we would have made the finals and given it a good shot. The eventual premier we had beaten soundly in the first round (8-3) and lost by 2 goals with only 9 players on the field.

Our teams wind/draw/loss record for the season was 12 wins : 2 draws : 5 losses = 38 points

Overall a very enjoyable season. We found the management of the Club to be very receptive, informative & good-natured. The general refereeing standard was very positive. I'm of the opinion that the team maintained an overall high standard both on and off the field.

Bruce Donaghey – Manager AA8's

Firstly, I would like to thank everyone involved in our team for all the support we received throughout the year. Pat has been with us for a number of years and again I must say she has kept our team in check, I know the guys are very thankful for all Pat does with our team and look forward to many more years together.

Well the season started with a good run in the MFA comp, we topped our table and made it to the next level which had us playing a strong young Eschol park side. We scored in the first couple minutes of the game but it was clear Eschol wanted the win. We ended up losing in the last few seconds of the match.

We enjoyed our time in the comp and it was a good way to welcome a few new players into our team. The season began with a great start, we were unbeatable for the first round of the comp. This included all the teams that made it through to the finals series, we hit a hurdle when we were suspended for a match which was out of our control.

The boys didn't take it too well and lost sight of the season, which resulted in our team dropping on the ladder. We had a few key players such as Rich and Chris ending the season early with major injuries, which I think made the guys have something to play for again.

Luckily we had Rhys, Nathan and Ben who helped us cement our team into the play offs.

First game we knocked off the old Ingleburn team who moved to Oran Park in a 4-1 victory and then we met the top of the table Harrington Park team, who we played the game with only 10 men for 75 minutes, we lead the game and never lost the lead.

We Played Narellan in the grand-final and it was a tough game, which anyone would say it was worthy to be a grand-final game. The game ended up into a shoot-out which seen Narellan take the victory.

But after all the dramas in our season and the setbacks, we saw our season as a positive one.

We had tough games, some great goals scored and also saw some quality saves by our goal keeper Bryden. I must say this season has been one of my favourites. We had a great group of older guys playing against some younger teams and making our way through to the grand-final.

So thank you to all the boys for all the effort throughout the year and I like to thank all our supporters for coming and cheering our guys on.

Looking forward to showing you what we can do next year.

The 2016 season was a reasonable season for our team. A few old face and even more new ones.

Our performance this year was better than the previous year due to an all round better team effort.

We finished toward the bottom of the ladder but had heaps of fun in doing so.

Hope to see everyone back next year.

This year we found a renewed strength in our side with the help of some fresh new players..

WE started to gel work as a team and learn to run off each other well

I remember our first game it was vs cobras way back at the start of the year...we where nil all going into the 2<sup>nd</sup> half... when josh gets the ball scoring a great goal from a run down the right flank sailing over the head of the keeper and into the back of the net... all thou most of us believe it was a miss kick... that some how ended in the net... we where only 1 nil up which only lasted a few minutes when they scored from a easy shot... Shane then comes out of goals after jono gets injured in the play and made a immediate impact on the game with scoring from the penalty kick within 10 mins he ended up scoring 3 goals... showing all the younger players how to do it.....we finished that game with a 4-1 win and this brought forward a sea of wins for our team...

However this was short lived after hitting some injures mid season.. we came to a halt and then started losing.. however when those injures returned it was like a train had run over the strength we had and deflated us all the will was there but will-power wasn't...

We finished the season with a few rained out weeks causing trouble for the team as the rescheduling made us have to play Saturday games that not all of the players could make.. as much to our willing to change these games the governing body did not...

We finished the season in 7<sup>th</sup> spot equal 6<sup>th</sup> which is great for our team with 7 wins and 7 losses and 2 draws however the comp was that close that with 2 wins on the final weekend we could have been put up to 4<sup>th</sup>.... But this wasn't to be....

I would love to thank all the players this year for playing and supporting us when you where injured...I believe this year was the first time in a long time... that we had a full team for every game ..(that we played)

A big thank you goes to all of the wife's/girlfriends/Partners and family's that attended and supported us all Also a big thank you to the committee for you support and help throughout the year....

And lastly thank you to my family for helping me out throughout the season as well..

See you all again next year when we go even better

Daniel

Looking back at our season i am pleased with your performance and how our season ended up. I am extremely proud to have been your coach.

Our season began with little success, injuries, borrowing under 16's and playing short, but i was always confident that we would improve enough to compete against some of the top teams, when availability permitted, and we did. My only thought as a coach, is that each of you improved your own individual game in some way, you play as a team, enjoy yourselves, the results would come. And they did, from bottom end of the table to making the top 4 on the last game of the season,

Great performance and one you should all be extremely proud of.

Special thanks to our Manager Melissa, you made my job so much easier, all i had to worry about was coaching. To the under 16's Girls who filled in for us, thank you very much.

I enjoyed being your coach and i wish you all the very best.

Craig
