EXECUTIVE REPORT 2017

Thank you to all of this year's Committee, Linda Martin, Merv Gabel, Warren Cole, Angela Passman, for all your long hours, dedication and help, without which we could not have done as well as we have this year. Also a mention to Christine our canteen lady and Andrew our BBQ man who make our life so much better by being there.

Thank You to the players, coaches, managers, and to all those volunteers who worked tirelessly as ground officials, team officials, canteen, setup and pack up duties. Also to the parents, family members and supporters who watch our games.

This year we had 40 Teams with 505 registered players.

With Division Champions in AA6, AA5 & U14/3's.

We had AA3 – AA7 – AA9 – AAL5 Yellow, U16 Yellow, U15/2, U15/3 & U12 Girls also making the finals.

The Club is in a sound financial position and with perseverance and tenacity we have received grants from State Government for new lights to be installed, and new watering system. The council has awarded contracts and work has begun.

A very successful year for the club.

INGLEBURN EAGLES HISTORY OF AWARDS

BRENDON O'ROURKE AWARD

This award goes to the most improved team in the club. The basis on which it shall be awarded is the difference between competition points reached at the end of the first round subtracted from total competition points attained for the season, but adjusted between teams who played unequal number of games.

If more than one team shall be equal on this basis, then the trophy shall be awarded according to the method used to determine club champions. This trophy shall not be awarded to the club champion team.

TOM FUREY MEMORIAL AWARD

This award shall go to the team with the best scoring average in their respective competitions, according to the method used to decide club champions, providing they are not Brendan O'Rourke winners or Club Champions

MARK BEKS ENCOURAGEMENT AWARD

In 2010 the Committee introduced this encouragement award selected by the executive for a junior team.

The award is to honour the contribution of Mark Beks (who sadly passed away prior to the commencement of the 2010 season) to our club as a coach, parent and supporter. Mark was a very successful coach of AA5 in both 2008 and 2009 and his team went through in 2010 undefeated to win both the Minor Premiership, Premiership and Senior Club Champions.

PRESIDENTS AWARDS – CLUB PERSON OF THE YEAR

Presidents Award decided by the President and the Club Secretary is awarded to the Club Person of the Year based on the following criteria, actively involved in Ground Duties (Set Up/Canteen duty etc) when their team is on duty, attends meetings, goes above and beyond their role in the club as a committee person, coach, manager, player etc.

MARK KENNEDY AWARD - MINI TROPHY

Mark was an integral part of starting our minis off, and was very prominent in the early days of the soccer club. Mark held many positions with the soccer division, he also went on to become involved in the youth club.

DAVID LAUKAITIS - SENIOR TROPHY

David was a player who had been with the soccer division for many years. One who always showed true sportsmanship and generally loved the game of soccer. He was always willing to lend a hand and help out with younger teams.

It was a sad loss to many people when David passed away so young due to a workplace accident. Hence many senior players wanted to honour his memory so his parents were approached and that is how the senior trophies came into being. Due to his involvement in Premier League and his fairness to the game the two trophies came into being.

STAN SHEPHERD COACHES AWARD

In 2009 long serving coach for our club for nearly 20 years, Mr Stan Shepherd, initiated this award at one of our meetings and as such the Club Coaches Award will be now known as the Stan Shepherd Coaches Award.

We know that each team has different challenges through the season, some will become Minor Premiers and Grand Final winners others will struggle at the other end of the table, the award is not just based purely on success. The award is intended to go to the coach who reflects the spirit of the Eagles as a family club.

GARY SMITH MANAGERS AWARD

This award was introduced in 2017 by Phil McKneight. Gary Smith is a long serving coach/manager for our club for over 20 years, and as such the Club Manager Award will be now known as the Gary Smith Managers Award.

Gary coached his son's team in the early '90's and as time went on, he hung his coaching role up to become a manager

Here we are again! At the end of another season. Wow that has gone fast! Great to see all the gang come back + 1 addition, Lukas!

From being coach last year where I couldn't keep them concentrated for more than 5 seconds, to seeing them take in what I have to say and to complete the skill or drill I have put in front of them should be another feather in their cap as far as becoming the footballers they want to be!

It puts a smile on my face every time I watch these boys play as I'm sure it does for the parents. Great to see them all not only enjoying themselves but evolving into good little soccer players.

Hard to pick a favorite moment for the year but seeing the boys excel at passing and playing as a team the last few weeks gives me confidence going into next year that it will be onwards and upward from here!

Thanks again! See you next year!

What a great season it has been once again. At the start of the season we were lucky to keep the same team of players as the year before and the friendships between the lads and their parents blossomed ever further . Myself (as coach)& Ravi (manager) would like to thank all the parents and Club for putting in the efforts throughout the season, it's not always easy so thanks to you all .

Once again the boys were together and like the year before they had a fantastic team spirit and luckily each and every player excelled once again .

The year earlier they won all their games and it looked like they were going to do the same this season but for two of the last 3 games they came up short but in my opinion it was a fantastic learning curve for the boys .The highlight of the season for me was when parents and coaches from other teams would complement on how well these 6-7 year olds were able to work for each other and pass as a team.

The team was made up of Arnav , Ethan Noah , Ricky, Tadhg and Timmy .

Arnav had a very solid season and is very strong when running with the ball .Late on in the season He scored a fantastic goal from a near impossible angle. He has a very bright footballing future .

Ethan like the year earlier is a dream to coach as he listens and does exactly what's asked of him . He got some great goals for us but it's his will to defend strong is what made our team so strong and it showed when he was missed when he was away on holidays .

Noah is the boy with amazing speed and the heart of a lion . He made some dazzling dribbles against opposing teams and was always willing to defend strong , tough as nails and I've no doubt he will also have a big future in the game like his brother .

Ricky is a very natural player and always gives 100% He's a fantastic passer and also chipped in with plenty goals . He's exactly what a team needs in an attacking midfielder.

Tadhg lives and breaths the game. He has a great engine and doesn't seem to get tired . He defends when he has to but he's got an eye for the goal and got plenty goals .His celebrations always seem to amuse also .

Last but not least is Timmy . Timmy is a powerful player who does not lose in tackling. His simple yet effective way of playing the game is amazing to watch .He’s also got a good eye for the goal and chipped in with plenty.

What a great soccer season our team has had this year. Most of our players returning from last season, with a couple of new kids to our team.

The skills our kids learnt and put into action were impressive, their skills and knowledge of the game has improved. The spirit and friendship of the whole team makes it so much easier to teach and train them.

To see our kids excited to play each week and put effort in at training was fantastic.

Some of our boys took a couple of knocks but got straight back up and fought on. They were gracious & humble when they won & learnt from their mistakes when they lost.

I couldn’t be prouder to be their coach.

A big thank you to our parents and supporters, without your encouragement and support we wouldn’t have a team. I’m looking forward to seeing my team return next season.

Thanks

Well, what’s the story? This is the story! We started the year with a number of players who had not played before, mixed with a few that had some experience. The first few weeks were a bit daunting. However it didn’t take long for all to overcome any shyness worries to then be a part of the team. To watch the boys show up at training with so much enthusiasm and willingness to get involved was such a pleasing aspect for me as a coach. They had a real mate ship at training and enjoyed what they did. We had a few wins, draws & losses but no matter how the game was going the boys never gave up and kept trying until the final whistle. To watch the boys improve as players during the year and for them to be part of a team playing for each other was certainly a highlight I am sure for all of us. From a parent perspective one part that was always interesting was that we were concerned when our child was in goals. It didn’t help we could not remember whose turn it was on a weekly basis. I am sure we will have these memory’s for a while. I would like to thank Preet for his assistance and managing the team this year it made my role easier. I would

also like to thank all of the parents. You entrusted me to coach your kids and gave me your full support and for that I thank you. Finally thank you my little team of soccer players, it did take me all year to nearly get all the names correct during the game but more importantly allowing me to be part of your soccer journey.

All the best

I can't believe another season has already come and gone. We had a great time in U9 Blue. We played a bit more structured with positioning this year. Last year all I heard from the U8's was "Can I be goal keeper?". This year it was the opposite with everyone wanting to be striker. I guess the novelty of finally having goal keepers wore off after just 1 season. We did however have some great displays in goals from our two smallest players with Mark and Evan putting their bodies on the line in a number of games.

Everyone got to play in every position but, even at this age some players just naturally move towards certain positions. Two of these players were Angus and Cooper who half way through the season started asking to be defenders. These guys were solid as rock in the back. Avish and Xavier will make great centre midfielders. They both hold the centre of the park really well in both attack and defence. Rishab, Lachlan, Abi, Evan and Mark can play every position just as well as the other and would never disappoint. Some players however just like running forwards. Tyrese is always hungry for goals. Well done boys!

We had a really good mix of players and I really enjoyed coaching them this year. Pity I missed half of the season though. I should have just stuck to coaching instead of making a playing comeback in our O35's when I busted my knee first game back.

A huge thanks goes out to our manager Trevor for keeping the team going all season another huge thanks to Casey for filling in with the coaching duties whilst I was out. To the parents and grandparents that made up our sideline crew you are all awesome. Thanks for everything you have done and for creating a fun and encouraging atmosphere every week.

I can't wait till season 2018!

Overall a good season kids have more confidence and are enjoying playing games only two issues that we had and hopefully next season they will be resolved .

First issue was that two particular parents werent paying match fees and i had to constantly put in for them. I highly recommend that next season that match fees be paid upfront with season fees. Second issue was that three players continously not at games or trainingas it greatly disadvantaged our team and our players that did show up to training and games . Overall a good season and happy with the progression of the children in both learning and enjoying the game .

Thankyou.

UNDER 10 BLUE

Players: Aaron, Alexander, Aryan, Chintan, Jesse, Johann, Joshua, Nikhil, Myron, Rehaan, Rohan

The Under 10 Blue team had an incredible season playing in the advanced group. The team played 14 matches finishing the season with 10 Wins, 3 draws and 1 loss. We welcomed 4 new players to the team who blended in seamlessly into the playing group.

With the wash out of our trial games, the team got off to a shaky start with our one and only loss in Round 1. With a settled team list in Round 2, the players powered on week in week out. The boys embraced the two weekly training sessions with ease and demonstrated both their team spirit and dedication to football. The team's favourite mantra's were "defence wins games" and "positional play". The team scored 101 goals and conceded 13 this season. Over our last 8 matches, the team scored 56 goals and conceded only 2 goals. Our core defensive unit and goal keeping were rock solid and a force to be reckoned with, together with our dynamic midfield creating opportunities and our attacking forward pack always on the prowl for goals. Every player scored a goal this season and contributed to our attack or defence. The team's biggest strength was their expansive passing and positional play which even had opposition coaches commenting on the entertaining brand and level of soccer this team played.

Every player improved through-out the year which was one of the most pleasing observations as a coach. It was certainly rewarding coaching such a fantastic and talented group of boys. The boys respected the club jersey and showed great sportsmanship on and off the field. The players have built friendships and camaraderie amongst themselves. A team and coach cannot function or be successful without a great Manager. Thank you to Kritika for doing an excellent job keeping the team grounded. Thank you to our great team of Parents, Grand Parents and supporters who cheered and supported the team each week.

Bring on the 2018 season!!!!

2017 was an awesome season!!! Under 11 yellow welcomed 3 new players to the team. With only 1 loss, 2 draws and 11 wins the team played awesome games of soccer. We also made it all the way to the 4th round playing for the Cup at Gala Day this year was an impressive effort also. Well done to my 12 little champions; Lachlan, Cooper, Simon, Elijah, Nicholas, Jarod, Zachary, Cedrik, Lee, Angus, Yehyah & Christopher for their sportsmanship giving their all each week on the field, working well together as a team and it was a pleasure to manage a great bunch of kids, they really made the whole coach/managing worthwhile with their effort and determination. Thanks again to Travis for your time and commitment to the game to coach the kids each week, and to the parents who make our jobs as Coach & Manager that much easier. I again have enjoyed being manager for the 6th year in a row and look forward to managing again, a position I really enjoy! Next year we are off to the big field as Juniors and can't wait. We look forward to the new challenge and look forward to the team returning next year.

As this year of soccer began, my mum, Renae and I, were assigned to be coaches for the Under 12 girls team at Ingleburn. As it was our first year coaching, it was a learning experience for both the girls in the team and the two of us. Some of the girls knew each other from past teams, but the majority were new players, keen to be involved in a great sport. It was quite clearly evident that throughout the season, each girl improved to a higher standard and had fun doing so. The girls had prevalent skills and talents in different areas of the game, from great goalkeepers to fast-moving attackers.

I would personally like to thank each and every girl in the team for making the season a great one. Thank you to Vanessa, Camryn, Lara, Bronte, Eva, Madi, Leearna, Georgia, Sara, Abi, Liah and Emma for your participation. I loved watching you all grow as players and improve your skills.

Win, lose or draw, these girls gave it their all and put in a huge effort, week after week, and enjoyed themselves while doing so. From the first game of the season (which we won) right up until the end, the girls came up against some tough teams but never gave up. The girls made it to the grand final where they equalised in the last four seconds of the game! We unfortunately were defeated when it came to the penalty shootout but it was a great end to the season.

Thank you to all the girls and those parents who were involved,
Hope to see you all on the field again next year!

Report by Renae (Coach)

Wow, what a year for our U12 Girls team, plenty of highs and a few lows. This was the first time we, Hannah and Renae, gave coaching a go and what an experience it was with a great bunch of girls. Needless to say, there was a lot of talking going on at training on Thursday nights but we did manage to get some training in as well. We had 12 fun and lively players who put their all in, every week. Their enthusiasm and passion was brilliant! We had our Golden Boot Striker, Liah, who scored a hat trick early in the season against Mount Annan. Her pace could not be matched!

Followed closely behind by Abigail, who's persistence and love for the game was amazing. Her confidence and skills improved immensely over the season which saw her put the team on the scoreboard.

Lara was non-stoppable as our centre mid, putting two in the back of the net in our very first game, as well as plenty of assists during the year. Her commitment was exceptional!

Sara and Emma were brilliant on the wings and quite often in the midfield too. They both won the ball just about every time, when it came to the chase. They never stopped running and got many great passes away. Their talents also shone through whenever they had to go in goals, simply awesome!

Bronte was our "last minute" team member and boy, were we glad! She was a pocket rocket and a wall of defense in our back line, not to mention an amazing goal keeper. If we had two of her, we could have put her up front as well!

Camryn was a force to be reckoned with in the back line, not much got past her and we saw many perfectly timed tackles from her. She also had such a powerful kick which she used so very well!

Madison and Georgia were two more of our defenders and we couldn't have asked for better. They both had great enthusiasm and could read the game extremely well. They would so often win the ball and then continue for runs down the line, to get the ball out of our half. They easily slotted in as great midfielders as well.

Vanessa was one of our wings and was so enthusiastic every week, she won many challenges on the wing and never stopped trying, pulling off some great tackles. She was also always the first to volunteer to be goal keeper. And last but NOT least, Leearna and Eva who could switch between defender or wing, on demand, and were so versatile in both positions. They never stopped running, putting the pressure on to force opposition errors, winning the ball to put their team back on the attack!

A special thank you to our manager, Maree Grant, our fill in manager/trainer Karen Winter and of course our occasional substitute coach, the president of our club, Michael Winter!

We had a great end to the normal season coming second on the ladder and beating first place, Camden Falcons, in the first semifinal to go straight through to the Grand Final. Saying the Grand Final was a nail biter is an absolute understatement, when the girls scored with less than 10 seconds to go to equalize, which sent them into extra time. Extra time produced no more goals so a penalty shootout it would have to be. Unfortunately, the girls went down in the shootout but held their heads high.

What a season! Well done girls you should be so proud. We hope your love for Football continues. [GO EAGLES!](#)

I had a great time coaching the boys this season. We had 12 boys register for the start of the season but played with 10. It was a tough first round as we weren't lucky enough to be able to borrow any players. But once we got into the second round the boys were having a real go. We had no recognized goal keeper at the season start but Brendan stood up and did a top job. The boys were working hard at training and the under 16 boys were helping them with their tackling and passing skills. Unfortunately we still had not been able to get that elusive win. It was getting very frustrating if we had a full team we could beat some of these teams.

We had our first Sunday game. CJ played his first game and we borrowed players from the under 11's Yellow. It was great to watch we had a full team and 3 reserves. We lost the game 3-2 to a spot penalty but we were the better team. We just weren't used to getting the ball into so many shooting positions. The boys were disappointed when they came off the field due to loosing again but all of us parents were so proud. For the first time this season we were a soccer team.

From that moment we had the 11's hooked. Wherever possible they helped us out. It was again a Sunday against the same team that beat us 3-2. Our first half was a below average effort. We were down 3-1 and it wasn't looking good. Michele handed out the snake lollies and I gave them a spray.

We came out a different team and blew Harrington Park away and won 6-3. All the under 11's had great games. We let out a big 1,2,3 E.A.G.L.E.S at the end of the game. We were on a roll and won 3 games in a row with the help of the 11's.

To me we had 2 real standout games.

First was a defensive effort on a very hot Saturday. We only had 8 boys available and borrowed 1 from the under 11's who could only stay until half time. We were down 3-0 at half time. The boys were spent. Michele handed out the lollies they all had a big drink and I spoke to our boys and we could hear the Minto coach telling his team they were going to put on a big score. We went out there with our 8 players and took it to them. I yelled at the boys to keep running, keep going. They did and we scored 2 great goals and just missed the equalizer. We lost 3-2 but it was a great defensive effort and score 2 goals with 8 players was unbelievable.

The second game was against the eventual grand final winners Gunners. We played them on the Saturday and had to play them again on the Sunday. They play a hard physical game lots of pushing and shoving in the tackles. I had to carry 3 boys off the field due to illegal tackles. It was our last home game for the season 3pm kick off. Unfortunately we could only get 6 players from the 13's we borrowed our champions from the 11's. We only had 9 players to start the game and unfortunately conceded a questionable goal.

Then 2 more boys arrived and we had a contest. It was a tough game lots of our boys were getting smashed in the tackles but they got up and kept going. It was real bruising affair. We lost the game 1-0 but it was exciting to watch. Big thank you to Lisa for the cupcakes they were delicious.

Special mention goes to Michele our manager. Not only did she make sure we had a team each week but went out and picked up the boys to bring them to our games. Without her effort we would have most likely forfeited the season. Also thank you to Linda and Travis and all the parents from 11's yellow for allowing their boys to play. We

appreciate the extra effort you guys made to get to our games and all the phone calls both Linda and Michele made each week to make sure we had a team.

To all the parents of the U13/'s. Your boys were a pleasure to coach. They had their moments as all 13 year olds have but they were always polite and respectful to both Michele and I. My question to you reading this is "your boys deserve to be playing with a full team each week. We need to get 6 more players for next season. Start asking the boys friends to come and play at the Eagles. It's a great family club."

Well what a season, see sawing for the title of Division Champions and taking it to the end of the season to decide. 19 Players for the team, but only able to play 16 each week (when we had them all) praise to all involved knowing that we would have stand down players each week and all took it well.

The boys all played well and put in the effort required to be Champions, It was a pleasure to be a Coach for this team, although my vocal cords are yet to recover. To parents who turned up each week a big thank you.

Thanks to Karen Winter for putting her hand up to being Manager of the team. Lots of shirt washing and paperwork.

I thought the odds would be stacked against the girls this year. Boy was I wrong.

A draw, win, and a loss were our first 3 results for the season. I thought at that stage, this was going to be tough. I should have known by now not to underestimate this team.

After that we won 6 straight including the Camden Falcons who were at that stage undefeated after 8 games. The back end of the season was a bit up and down but managed to seal 3rd on the ladder with only 4 points between us and first.

Semi Final's saw us up against Campbelltown Collegians who we had drawn once, and lost once in the regular season. Cleaned them up 2-1.

Prelim time. Eschol Park who we had never beaten throughout the season. SMASHED 'EM. 3-1
GRAND FINAL. Guess who? Minor premiers. Camden Falcons.

They gave us a bit of a scare with an early goal. But as I said before don't underestimate these girls. They got one straight back, and then went ahead. Back and forth till full time and we were deadlocked. 10mins extra time still saw us all drawn up.

We went into penalty shootouts. At this stage, I'm sure there were more people watching this game than the stadium game playing next to us. 7 shots later they had us. A hard way to end a game, especially when I thought we were playing all over them throughout. Just unlucky and our girls never gave up.

Thanks again to all the girls for an awesome year, I really enjoyed coaching this year.
To the parents for all their support.

And a big shout out to Nicolina Bercich our manager. The last 2 years have been great working with you. You have done more than your fair share of managerial duties and we are definitely going to miss you next year. Couldn't have done it without you.

This really was a season of two halves.

The boys were promoted to Division 1 and played competitively against some strong opposition. However, they were regraded into Division 2 half way through the season.

The team then went on an amazing unbeaten run for nine matches. This featured some brilliant team and individual football, and sensational goals.

We finished third in the regular season, won our semi-final (probably our best performance of the year), but were beaten by the minor premiers in the preliminary final.

It was great to see the boys improve their football so much. The enthusiasm never wavered even after a tough beginning to the competition rounds.

Our Committee again worked tirelessly to guarantee a great season after the extremely wet start.

A big thank you to all our parents, who supported us through thick and thin. A particular thanks to Assistant Manager, Gavin Lo, especially for setting up teamapp, which provided a wealth of information. We look forward to 2018.

The 2017 season for the Under 15's Division 3's had its highs and lows. The team actually started off the season in Division 2 so the first few months of the season was quite tough. After the first seven rounds of trying to compete against some quality Division 2 sides the team was re-graded to Division 3. This led to some much more successful results over the remainder of the season.

There is one thing that this team showed no matter what the situation was or who the opposition were and that is determination. Each and every payer on this team always tried their best which is a testament to the 'never say die' attitude of these young men.

As the games went by you could see the team gaining confidence on the field. The hard work that they were putting in at training was now coming to fruition. Their ball control, passing and movement on and off the ball started to strengthen which was great to see. The boys were all starting to figure out their role in the team which enabled them to gel much better on the field.

The team finished the season in 3rd spot. The first semi final that they played was their best game of the season and what better time to have such a solid performance. This 3-0 win against Narellan Rangers was by far the highlight for me as coach. Not necessarily because of the score but more so because the communication, tenacity and hunger, that I had always known this team was capable of, was now on display for all to see. In the preliminary final we fell short of making the grand final after conceding a goal in only the final 5 minutes of the game. While I'm sure the boys were disappointed at this, I want them to focus on how far they had come and how much they had grown over the season, both as individual players and as a team.

I just want to say a big thank you to the team for their commitment and dedication this season. You guys have been a great group to coach and I wish you all the best in the future.

Last of all, a big thank you to the team manager, Andrew Miller, for all his time and effort in sending messages to the parents about training and game day as well as filling out of match card. You made my job a whole lot easier and I can't thank you enough!

This year was another exciting football season, where we displayed a lot of potential pre-season. The M League squad was a blended team made up of young “Colts”, Champions of 2016, and a mixture of lads that had played together in previous years. The challenges the team faced laid within the dynamics of creating a united team culture, strong leadership, player development and field positioning. Another test for this team was the late appointment of a coach, new to the club and unknown to players.

The expectations from Club President, Michael Winter, was to make the finals and win the competition. This goal that was not out of the teams reach, however required dedication, determination and discipline on a weekly occurrence. There was a need to create a competitive team able to maintain possession of the ball while competing physically on and off the ball.

Our training and preparation for the season was at times less than desired. However, each week the team played together, our confidence grew and the team developed.

The players scheduled to play and those that took the field required a little encouragement at times to believe in themselves. The team, made up of young men, turned up each week and played with passion and desire. The team listened to instructions and executed the game plan to achieve the mission.

Our communication on and off the field was defined by a direct approach where player management and team building exercises were applied. At times we called upon other teams to fill the void, which was much appreciated. This contribution was significant for the team’s results and players growth/development.

In summary, the Ingleburn Eagles M League Team for 2017 displayed greatness for a promising future. During the season we had three (3) stand out games that would compete against any 1st Grade team. Our achievements included consolidating 5th position and an opportunity to make the finals. We then competed in an Eliminator Final, outplaying Narellan Rangers 4-0. The seasons overall results ended in 4th position, a great bench mark to work from in coming years.

The lads provided great team work and service where our striker Lachlan Marsh was awarded the Golden Boot and player of the year. The overall results for the year have been a great outcome for the team and club. This is a team that will mature with growth by development and will continue leading into 2018.

Another successful season for the team, after being promoted from Division 4, finishing in second place and reaching the Grand Final but again missing out in a penalty shootout.

Possibly could have finished Minor Premiers if not for a season interrupted by injury, some serious and season ending, illness and at times unavailability of players, which prevented us from having a consistent team and structure at times on the field this requiring players to play out of position during matches, to make the team competitive.

As a coach you want to see your players happy and be successful on the pitch, to win if possible but accept that, that won't happen in every game and have pride in their performance. This I think we achieved in bucket loads, as one could not fault their effort in each game they played this season, none more so then having to play two games in less than 24 hours (nice bit of scheduling that by MacArthur match committee) winning both I may add.

During the season you realise the players individually and as a team are performing well, when referees and their assistants comment on how well they are playing. However when players from opposing teams also express an interest in playing with the side the following season, you know the team are doing something right.

I would like to thank the committee especially Michael Winter and Linda Martin for their assistance this season plus our Manager, Jack Byrne for always ensuring I was kept up to date about player availability and making sure we had sufficient players to fill a team.

Finally to the players, gentlemen I enjoyed the season immensely although at times it may not have appeared that way from the sideline, you have all earned my respect not only as players but young men and as your coach I am very proud of the way you conducted yourselves and discipline you displayed during the year.

TREVOR MORGAN
COACH

Season 2017 for Trevor Morgan's Ingleburn Eagles all age men's side saw us promoted to AA3's for the first time. Our side had also replaced seven players from last season, & a new manager (Jack Byrne) stepped in. At the start for us it was always going to be hard to gel together as a team. And after a month of washouts, we finally had our first pre season game with the ML3 Ingleburn side with minimum training under our belts. However the game with the M-League boys wasn't a bad hit out either with the score finishing at 1-all. Not bad at all for our first game together.

With more washouts occurring, we were training week in and out indoors keeping fit as a team to carry momentum into a delayed seasons start.

And with the first month of soccer coming around we had the worst of starts with 2 draws and a loss. It was a good kick in the butt for us to improve.

That we did. We went on to win 13 games, & lost & drew only 2 games each during the regular season. Finishing 2nd & 16 points clear of 3rd place, we only just missed out on securing the minor premierships by 2 competition points going into the finals.

Week 1 of the finals saw us play off in a top of the ladder clash with the winner going into the grand final & the loser getting a second chance to play off the following week.

We went down 2-1 in week 1, but bounced back in week 2 of the finals. Winning a penalty shootout 3-1 after a 1-all draw after full + extra time & qualifying for our third consecutive grand final in 3 years & 3 seasons.

Unfortunately in a hard fought final we lost 6-5 in a penalty shootout after a 1-all draw after extra time. It was very disappointing at the time losing another grand final, but couldn't be prouder to play with such a great bunch of blokes. Not only did we qualify for a third consecutive grand final in 3 years, but each season our team has gone up a division in doing so. Which is quite impressive & a achievement in itself. So for that couldn't be happier.

Our team stats were something special as well, with 15 of our 17 players all scoring at least one goal each which was incredible. Camille Kelibitaka scoring the highest with 10 for the team. We scored 42 & conceded 21 goals during the regular season also.

Special thanks to those borrowed players who helped us out during the year to get us into the final. And a big thank you also to our beloved coach Trevor Morgan for putting up with us again for another season. Very much appreciated.

Overall a successful season in my eyes as team manager & goalkeeper for AA3. We will be back next season stronger than ever for the blue & yellow of the Eagles nest.

Losing nine players from last year's squad meant that the team had to be rebuilt. Two weeks before the start of the season, only 7 players were registered. We were able to recruit another 3 players from within the club and seven from outside, who just happened to be looking for a team to play with.

Due to the wet weather, we were only able to have one training session prior to the season starting.

The final team was a nice mixture of players ranging in age from under 20 (3) to 3 that were eligible to pay over 35's. It also included 5 sets of brothers.

If we include our parent managers Dave and Karen, we really were a family team within the family club.

Even though the season started with an unlucky loss (3-4) to the Camden Falcons, it was obvious that there was enough talent in the team to be competitive. The season was based on great defense (20 goals against in 18 games) with our keeper Liam making some vital saves. Apart from a runaway win against an undermanned Appin team and blitzing the Camden Reds 7-0, every game was hard fought. The team had the ability to win the close games, with some of the winning goals being quite spectacular.

Injuries kept a few players out for lengthy spells, but the team was good enough to overcome that. Compared to previous years we didn't have to borrow too many players, although we were short on numbers in a couple of games.

There was a great will to win the games, especially the crucial ones at the end of the season. First of all to become Premiers and then, going on to win the Grand Final. Overall, the team blended nicely to play some great football. The final results speak for themselves.

Well played, gentlemen I am proud of your efforts. Looking forward to next year for a repeat performance.

From myself and the team, thanks to our managers Dave and Karen, you were great. Once again, thanks to our supporters, the Committee and all the club volunteers.

After many years and many attempts plagued by injuries or falling just short, the AA7's made good on the potential we always had to win a championship.

Solid from the beginning, the team overcame many of the shortcomings that held us back previously. We hit the ground running after a dedicated preseason and started winning immediately, a nice contrast to the previous year where our league-best second half of the season was let down by our league-worst first half. We were stronger mentally too, frequently rescuing points from losing positions and no longer dropping our heads after conceding.

However the biggest shout-out has to be reserved for the defence, the major factor in our success this year and who improved from last season (with the same personnel) to halve the amount we conceded to less than a goal a game. We were comfortably the best defensive team in the league and this helped us get it done in the regular season, keeping a clean sheet every second game and in the grand final.

The team looks forward to returning next year and winning it all again!

We started off the season with a bang... 19 players on the card ... and wining our first couple of games in outstanding fashion....

With a many thanks to new players joining the older has-beens we grew into a really strong side.....

After having a few hiccups on the way with injures.... Work... and a very stupid Red Card.... We found ourselves coming towards the bottom of the table... Struggling to get 11 players on the park in the end....

Many thanks go to Dean Manning for looking after the Training halfway throughout the year ... due to my late work hours....

I would love to thank all the players in the team for turning up and enjoying yourself thought out the year....

I would also like to thank our ladies..... That helped doing the money on the sidelines and supporting their partners at every chance..... Win... Draw or loss..... You know who you are..... Mrs Bond/and new Mrs Love....

Lastly I would like to thank our great Eagles committee.. Without your continued support and caring ability we won't have a club to play for among sooo many other reasons.....

The composition of the team changed this season as many players from 2016 retired or chose not to return. Some new players joined the team, and the season looked promising with 18 players registered.

Unfortunately, most matches were played with less than a full side; injuries and work commitments diminishing the roster each week.

Being competitive became a difficult task, but the commitment of those who played each match was always evident. Moreover, in many matches the side was able to stay in the contest for a decent length of time before being overrun. An example was a late season match against Picton where, with lots of good fortune, we led a team to whom we had lost heavily a few weeks beforehand. Unfortunately, Picton scored two late goals to win.

Another match against Gunners - Peter's favourite opposition - saw us unlucky to concede a last minute equaliser when a rare win seemed imminent.

It was a long, unforgiving season, but one we were still able to enjoy. As many of us mused: it's always better to be running around than not.

The team was:

Ryan - Had the unenviable role of standing in goals most matches, but did an outstanding job against a constant barrage of attack. Ryan thoroughly deserved the Coach's Award.

Hector - Always played with total investment in the contest, often with disregard for his own physical health. An evergreen player.

Graham W - A staunch addition at in the backline having moved across from Leppington. Graham formed a strong combination with Matt in central defence, the team benefitting from his uncompromising style of play.

Louie - A much needed left footed attacking midfielder, who always played with passion and enthusiasm. Possesses strong ball control and set up a number of goals for Lionel.

Preet - Re- registered after a few games and added further strength to the backline. Always played hard, but fairly. A rugged defender, Preet loved to pull off the big tackle on a rampaging attacker.

Matt - Scored directly from a couple of great free kicks, spent a few games in goals when his hamstring played up, and thoroughly deserve his Player's Player Award.

Graham C - Enjoyed another consistent season in the midfield, strategically threading the ball through to teammates and adding much needed height at attacking corners.

Michael - Not every team gets El Presidente as part of their playing roster. Always played wholeheartedly, particularly at home ground in front of his adoring fans. We think they were cheering ...

Lionel - Added attacking flair, and was responsible for scoring most of the team's goals, often from a solo run or a searing shot from 20 yards.

Peter - Peter the Pugilist liked nothing better than doing the hard yards at right back. Made some searching runs upfield to start attacking raids down the right. Jeffrey Horn look out - the gloves are off!!

Alan (Alby) - Always added a touch of humour to the pre and post-match banter, and played determinedly at left back stifling attack with his wily defence.

Neil - Claimed this would be his last season, but he still has a good few seasons left given the polished control he added to the midfield.

Warren - Came out of retirement after much harassment from Michael, only to injure his knee in his first match back.

Vineshwar - Played energetically in the midfield and struck up a nice combination with Graham C.

Martin - Another new comer who also injured his knee early in the season and was not able to play again.

Slav - A new player this season who was also injured - playing indoor. Missed the last half of the season as a result.

Juan - Signed up but decided to head to Spain. After some heavy defeats, others of us probably wished we were on an overseas trip as well.

All Aged Ladies 5 Blue had an eventful season. We were a new team with new players. Only 3 of us had ever played soccer before. For some ladies, this was the first time they had ever kicked a soccer ball. Despite this, these ladies trained hard and showed dedication to learning the game and to their team by attending training sessions twice a week for the whole season. Our first game was a shock to the system, with the ladies losing 16-0 to Oran Park, but they never gave up and they kept playing with good spirit and great effort.

Our first goal of the season was scored by Crystal who was our striker for the first half of the season. Thankfully her blistering speed was the one thing that other teams found terrifying, as no one could keep up with her.

We finally scored a draw halfway through the season against Uniting Church, and then went on to score our very first win against Oran Park. It was Jess that scored the 2 fantastic goals that led us to these successes. Jess was our silent assassin on the field, and one of the great strengths of our midfield as she could move around quickly, with a flexibility that allowed her to strengthen the team by being able to comfortably move around in several different positions.

Karen was our Lord of the Left Wing, with her never say die attitude, strength and stamina. She always gave 100% every time she stepped on the field and this lady will outrun you every time!

Claire started out as right back and was a solid defender. Unfortunately Claire fractured her ankle during our 5th game and had to sit out for 5 weeks, but it didn't stop her coming to support the team every week by encouraging her team mates from the sidelines. Claire came back to play with full force later in the season, moving into a defensive mid role. A special thank you to Claire for helping with collecting money and writing up the match card and handing out the shirts during the season, her help was appreciated.

Isabelle was our youngest player. At 16, she kept the rest of us ladies in check and showed us how to get fearless on the field. We called her the demolisher, as she could tear through players quickly with her speed and was not afraid to take on the fullbacks she came up against.

Renaë was Queen of our defensive line, and she kept the back line in order. There are games that this lady literally saved the day multiple times. Strong and skilled – what an asset to our team.

Tanya became a strong defender early on but, as her confidence improved we discovered she was versatile and could play any position if given half a chance. She'll be one to watch in the coming years as she improves her game. Melissa is an amazing goalie and she saved too many goals to count. This lady was quite possibly the hardest working player in the entire club during our early games when our defence was a little questionable. Slowly but surely we gave Mel a break and as we improved we came to learn that she was quite the secret weapon when she came out of goals and on to the field. That woman can move! Thanks for putting your body on the line for us every single week Mel!

Aida was the Little Engine that Could. With no soccer experience, Aida's will and determination carried her and she never stopped going or trying harder. When Claire was injured, Aida stepped in as right back and she owned the position with her determination and no-fear attitude.

Nicky (Nicolina) kept the team laughing. She played strong and hard, and always with a smile. Always quick to try and help others, she'd be the first to offer the referees a loan of her glasses if they couldn't see what they were calling!

Kelsie was another lady who was new to the game. A natural midfielder, she gave so much each time she played. We found she has an amazing, natural big kick on her and could clear that ball in some of the most crucial moments. Nicole was a Jack-of-all-trades, giving any position a try, even exceeding expectations by giving goalie a go on a couple of games.

I was there too. I, Aileen, was team manager and also played left back. I earned the nickname bulldozer because I'd started out timid, but soon realised she had to be a little brutal and get through the opposition somehow. Can't go over them, can't go under them... better go through them!

These ladies did not want the season to end. By the last month everyone's confidence had increased and we were out there simply having fun. The dedication, encouragement and support these ladies gave to each other was fantastic to both see and experience. I sincerely hope these ladies come back to play again in 2018 so that we can have another fantastic season. We would like to thank a few of the husbands, Andrew, Michael and Ryan, for stepping in and helping us from time to time throughout the season. We couldn't have done it without their support and the support of our families cheering us all on.

See you next year,
Aileen
