EXECUTIVE REPORT 2018

Congratulations to all who participated in this year's competitions, what a wonderful year it has been for the club with:

591 registered players.
39 Teams
21 Teams in Competitions
3 Premiers
3 Champions
10 Finalists
3 Runners Up

Seniors: AA2 – AA4 – AA5 – AA6 – AA7 all made Finals
Juniors: U16Blue - U15'2 – U15'3 – U14 Girls – U12'1 all made Finals

We have had our new lighting installed on both our main and Mini Fields, which has allowed for a great improvement in training ability and night games being able to be played. We had 48 Sprinkler heads installed on our main fields, which helped incredibly through our long dry winter, but unfortunately we were unable to have the mini fields done with sprinklers and it showed by the end of season.

I would like to say a very hearty THANK YOU to all of the executive Committee this year, they have made the season enjoyable for all, without their commitment and selfless sacrifice of many long hours over a long season we would not be the successful club we are. To all the Coaches and managers, who tirelessly give of their valuable time and knowledge, to the Parents, Grandparents, Siblings and Care givers who make the effort to get their children to games again thank you. To all the players who dedicate their time and efforts to succeed at all levels, which is the reason the club is becoming so successful and one of the reasons we all dedicate so much time and effort for the Club, thank you.

EAGLES had a very successful year both on and off the Field, is financially stable and looking at what improvements we can secure for our future development. We on the executive are looking forward to even better year with all of you.

Yours in Sport

INGLEBURN EAGLES HISTORY OF AWARDS

BRENDON O'ROURKE AWARD

This award goes to the most improved team in the club. The basis on which it shall be awarded is the difference between competition points reached at the end of the first round subtracted from total competition points attained for the season, but adjusted between teams who played unequal number of games.

If more than one team shall be equal on this basis, then the trophy shall be awarded according to the method used to determine club champions. This trophy shall not be awarded to the club champion team.

TOM FUREY MEMORIAL AWARD

This award shall go to the team with the best scoring average in their respective competitions, according to the method used to decide club champions, providing they are not Brendan O'Rourke winners or Club Champions

MARK BEKS ENCOURAGEMENT AWARD

In 2010 the Committee introduced this encouragement award selected by the executive for a junior team.

The award is to honour the contribution of Mark Beks (who sadly passed away prior to the commencement of the 2010 season) to our club as a coach, parent and supporter. Mark was a very successful coach of AA5 in both 2008 and 2009 and his team went through in 2010 undefeated to win both the Minor Premiership, Premiership and Senior Club Champions.

PRESIDENTS AWARDS – CLUB PERSON OF THE YEAR

Presidents Award decided by the President and the Club Secretary is awarded to the Club Person of the Year based on the following criteria, actively involved in Ground Duties (Set Up/Canteen duty etc) when their team is on duty, attends meetings, goes above and beyond their role in the club as a committee person, coach, manager, player etc.

MARK KENNEDY AWARD - MINI TROPHY

Mark was an integral part of starting our minis off, and was very prominent in the early days of the soccer club. Mark held many positions with the soccer division, he also went on to become involved in the youth club.

DAVID LAUKAITIS - SENIOR TROPHY

David was a player who had been with the soccer division for many years. One who always showed true sportsmanship and generally loved the game of soccer. He was always willing to lend a hand and help out with younger teams.

It was a sad loss to many people when David passed away so young due to a workplace accident. Hence many senior players wanted to honour his memory so his parents were approached and that is how the senior trophies came into being. Due to his involvement in Premier League and his fairness to the game the two trophies came into being.

STAN SHEPHERD COACHES AWARD

In 2009 long serving coach for our club for nearly 20 years, Mr Stan Shepherd, initiated this award at one of our meetings and as such the Club Coaches Award will be now known as the Stan Shepherd Coaches Award.

We know that each team has different challenges through the season, some will become Minor Premiers and Grand Final winners others will struggle at the other end of the table, the award is not just based purely on success. The award is intended to go to the coach who reflects the spirit of the Eagles as a family club.

GARY SMITH MANAGERS AWARD

This award was introduced in 2018 by Phil McKneight. Gary Smith is a long serving coach/manager for our club for over 20 years, and as such the Club Manager Award will be now known as the Gary Smith Managers Award.

Gary coached his son's team in the early '90's and as time went on, he hung his coaching role up to become a manager

ADAM BURES GOALKEEPERS AWARD

Adam Bures started to play soccer at Ingleburn in 1995 at the age of 5 years. He took up the position of goalie when he was about 9 and the position was his and his only his in most teams he played in.

Adam gave up a lot of his free time to coach Mini and Junior teams, including being a mentor for your goal keepers within the club, the perfect role model that a parent could ever ask for to be coaching their child/ren.

Adam was Caring, Fun to be with, Loving to all around him, Loyal to his team(s) and the club, and Passionate towards the game we all love FOOTBALL.

In early 2018 he passed away due to a work place accident and due to his continuous service within the club the "ADAM BURES GOAL KEEPERS AWARD" was introduced

What a great year it has been. We started off being put into a team, in which the majority of us were playing football for first time on top of that, all kids have never seen each other before, but boys gelled with each other really well. First two games we were beaten 14 nil, and 12 nil, but after that, we end our season with just 4 lost.

Nirvik and Arjan had a great season scoring goals and setting up plenty. A well trained little player.

Shaket, Safin and Peyan, hardly knew how to kick ball, but they all end season scoring couple of goals and contributed lot for team.

All in all what a great year! Win, lose or draw these boys would still run around for hours after the games if we let them! Great to see how well they get along together! They have certainly made some friendships. Hope everyone else enjoyed it as much as I did!

See you next year!

The U6 White team had a slow start at the beginning of the season as team members are new to soccer and never met before. They quickly become friends with one another. After losing our first game, we realised we needed to practise our positioning and spreading out. They learnt this quickly. This resulted in a more competitive games throughout the season.

They really enjoy playing soccer, when asked “Who wants to start first?” all hands went up and “me, me” all shouted. Unfortunately, only 4 are allowed on the field. When being substituted, they wanted to stay on and play. They all showed up to Tuesday night trainings.

As the season went on, it was a joy to watch the team grew and progressed. Every now and then I saw brilliant play from them. When they scored a goal, the excitement they showed are priceless. I am glad to be their coach and am very proud of them.

Well done under 6 Green team!

This was the first year in soccer for all the team. It was great to see you all put so much effort into understanding the game and be rewarded with improved skills and confidence. Each one of the team displayed great sportsmanship and had fun on the field.

Jacob, Liam and Tejam developed amazingly over the session with their never stop attitude. David always brought his running legs, with his height often deceiving our opponents as he was regularly the fastest runner on the field. James always entertained with his often-successful long-range shots on goal. Nevaan came to the team with a serious love of the game which I hope will only progress, and lastly Aryan our youngest player who was always smiling with a great attitude.

Thank you to all the families and friends who supported the team this year getting the boys to the events, washing the jerseys and supporting the club. I would also like to thank the parents who supported team training and game days; I know the boys really enjoyed having you involved.

Thank you boys, for a fantastic season.

What can I say about our first season! Most of our boys knew each other from pre school, however welcomed our new boys and helped them settle into the team very quickly. Bayley, Brax and Caiden

had all played soccer at some level before and helped Luke, Liam and Ismael find their way around the ball. We only had one defeat all season which is a great achievement for 6 boys in their first season together!

I have been a coach for more years than I like to mention and can honestly say I have never seen a 5 year old play soccer like **Baley**, the way he controls the ball and reads the game is amazing and some of the goals he scored are premier league standard!

Brax is so passionate and listens to everything we tell him, he picks the game up so quick and we could not ask anything more of him keep up the great work Brax!

Caiden was very shy when we started our season but has come a long way and is a very important part of our team. His passion for soccer tells in his game and I hope he is part of our team for a long time.

Liam had never played soccer at any level before joining us, he is probably the best passer of the ball we have. He is always willing to learn and listens to everything he is told, he is a great asset to our team.

What can I say about **Luke**! At the beginning I didn't think he would see the season out as he had never played soccer and was more interested in food than soccer! Luke has got to be my most improved player of the season he has took to soccer like a duck to water and is our secret weapon.

Ismael has never played soccer before joining us and I picked him up from training sessions at the beginning of the season, due to family commitments he has missed some training and games. He has the ability to become a good soccer player and I hope he keeps the game up.

I would like to thank all the parents for bringing the kids to the training sessions and matches week in week out, without you the team would not exist. A big thank you to my assistant coach Nathan Smith for all his hard work and commitment through the season I really appreciate it. A big thank you to my wife Tracy for washing the team shirts everyweek and helping me with the paperwork side of things!

I am really looking forward to seeing all the boys again next season, see you all at the summer cup.

Thanks,
Gary Rogers

The boys had a very enjoyable, memorable and successful first season of soccer.

There certainly was a great deal of learning to be done at the start of the year. Through their efforts at training and matches, all players adapted to team sport and picked up lots of skills.

Most importantly, they had fun.

A big thank you to the parents for their support throughout the year. There was plenty of help on training nights so that everyone got the most out of every activity. Saturday mornings were always a great start to the weekend with our cheer squad encouraging our team and applauding good play from both sides.

As ever, our hard working Committee ensured everything was in place to make match day run smoothly. We are very grateful for their non-stop efforts before, during and after the season.

Referees did well as they started their careers with the whistle.

Thank you to all the players for what you did this year – well done! The soccer development of the boys has been great to watch and we are proud to have been associated with them. We look forward to the 2019 season.

We had a fantastic season. The U7 White team have grown and developed into great team players. They always played soccer with such enthusiasm and determination. It has been an amazing season especially as first time coaches. We have seen how far they have come and the great friendship formed. Thank you for the dedication from our manager and parents who helped and supported all our kids throughout the season. We are extremely proud of all the kids. All the best for next year!

What a great year! It started off a little shaky with all drama with sorting teams! But after the first couple of games the boys gelled so together. At training they always worked so hard, of course with a little bit of fun.

Aeshan was the most improved this year. He was always the most passionate at training with a thirst to learn. He started never had played a game of soccer- to being the one who always got in there, tackling like his life depended on it.

Jacob was out little pocket rocket. He would just run and run and run, absolutely amazing in defence and the best slide tackling going. He was always there to help the team and gave direction to those who haven't played before.

Elliot was the leader of the team, gave direction to everyone and tried his hardest to teach each player. He also would just run and run, with brilliant dribbling skills and an excellent kick.

Mason was our little team player. His confidence just grew every game. We had a slow start to the year, but once he was comfortable there was no stopping him. His team spirit was so uplifting, he had all the other boys so excited for the weeks game.

Jisan was also most improved this year. His confidence grew with every game. He was another one who could just run and run, his tackling was excellent and he tried his hardest to keep the ball in the feild.

Niyat was always the best and fairest. He is so competitive and passionate. He would always get in there and have a go. He was amazing at passing the ball.

Millhar was our super defender and attacker. Always tackling and weaving in and out of the players with the ball. He was never scared to get in there and tried his hardest to pass the ball to his team mates, even when he had the chance to score himself.

All in all, we had a fantastic year. The boys improved out of sight and above all had fun. They learned a lot, made some great ever lasting friendships and enjoyed their year playing as a team.

It was an honour to coach such passionate and beautiful children.

Thanks for an awesome year!

Under 8 Blues had a very enjoyable season. It was great to see some familiar faces with Mark, Matty, Jacob, Blake, Mason and Jeremy returning for yet another season. These player's skills have come a long way in the last 3 or 4 years. You can tell these players have been playing together a long time! A big welcome to our new players too! Hayley, Agnya, Aidyn and Aaron really lifted the team. It was great playing on a bigger field and with more people. All of the players gelled really well right from the start and they all had a really good time and some really hard fought victories. Throw ins were a great new skill to pick up.

CAN I BE GOALKEEPER?? This was the most asked question every week. Before every kick off and at every half time at least half of the team wanted to go in goals. I think they were a bit excited about finally having goalkeepers as part of the game... or they just wanted to stay warm by wearing the long sleeve keepers jersey.

A very big welcome to Coach Ben's beautiful little girl Amelia. We can't wait until she is old enough to play.

A big THANKYOU goes out to the sideline crew for all your help during the season, mostly for listening to me ramble on about needing a coffee for the past 3 years in a row!

One of the best years of soccer yet! Our year started off with the team from 2017 Under 7 reforming and gaining a few new faces. It was nice to see some of the same boys from last year rejoin and regain

enthusiasm for the soccer season together. Many of the boys had been playing soccer socially but some had not played at all before, but by the end of the season they were a mighty team indeed! The boys just went strength to strength where they barely lost a game, an enormous improvement from last season. Their dedication exemplified in the hours of training put in after many of the mini teams had gone, being dragged home at 8pm by the parents, with many begging not to leave. A big shout out to all the players on the team, you all contributed in such a great way:

Jay you have a great listening ear, taking on all the recommendations from coach with stride, well done!

Abhi, you were the little bullet from the back, always putting up a magnificent defense with you big kicks back down the line.

David, what can I say, we should call you flash, you ducked and dived and got through the crowd, managing to score a few goals and always being a great sport.

Riduan you came in not playing soccer before and by the end of the season you had found your strengths in defence. Your strong arms and big toss in's got us many goals throughout the season.

Vamouya you were a diligent, pacing player who listened to the coaches instructions at all times. You were a fantastic support to the team and assisted in scoring many goals. Well Done.

Hakeem, you came strength to strength this year, pushing through and providing some amazing defence for the team. Great Job!

Usayd, what can I say, though you spent a lot of time on the ground with your slide kicks, your enthusiasm and passion never failed. Thank you for being such an integral part of our team this year.

Devon, mate you did so amazing this year also. Always with the eye on the ball and sometimes even scoring 6 goals in a game. Great job, well done!

Rafin, your passion for the game grew throughout the year, your practice with your footwork definitely payed off. Great job in scoring some goals too.

All in all what a great year! Win, lose or draw these boys would still run around for hours after the games if we let them! Great to see how well they get along together! They have certainly made some friendships. Hope everyone else enjoyed it as much as I did!

We started off rather strong with 5 players returning an 4 new players . All seemed very keen to play . first half of season we went well as a team an seemed that we would have great fun this season.

Due to circumstances we seemed to struggle for a full team for the most of the season but all they kids turned up keen to play an enjoy the game . I feel that a lot have grown an have became much better players an those that are new have done very well an I feel that next year will hold more fun an better skills to do even better next year .

Look forward to see you all return next year an improve yourselves to be a better team..

Our U9's came a long way this season!! We started with a couple of players returning from last year and a whole bunch who haven't played at all. But they all became friends very quickly and this made for the start of a great, fun season!!

We started off slowly with a big focus on learning the rules of the game along with defense, which led to the first few games ending as a draw. Then they got into their stride and got some shooting practice under their belts and started winning a few games in a row.

They all improved so much all season which showed in their results as we only lost 2 or 3 games! And many of the draws that we had could easily have been wins as it felt as though we hit the post more times than we scored through the whole year!!

We had some big kickers, big throwers and a whole lot of scorers. Almost everyone scored a goal this year. And they all backed it up with solid defending. And everyone went home at some stage with the player of the week trophy.

Thanks to all the helpers throughout the year. Congratulations U9 Yellow for a fantastic season!!

Here we are again! At the end of another season & what a great season it has been. Our season started off with all our players returning with 2 new additions.

The team gelled very quick & developed strong friendships. Because of this, the kids played a fantastic season of soccer.

Some of our kids used Indoor soccer as their off season training & I feel this has given them a greater upper hand.

We only lost 4 games this season & we certainly learnt & grew from our mistakes.

U9 Blue have done me proud once again. I enjoy being their coach & look forward to seeing what next season will bring.

Last but not least, I would like to thank our parents & supporters. Without your cheers, encouragement & bringing the kids to training & games every week, we wouldn't have a team.

Thank you & see you all next season.

Occasionally in life there comes a time when we dare to dance with perfection. That is what the Ingleburn Eagles FC Under 10 Blue team did this season. 13 wins and 1 loss, a near perfect season. We watched a group of kids become friends and a team over 4 months and it was an absolute honour to be a part of their journey. One game in particular that stands out in my mind, was an away game where we were down 1-0 at half time. I basically told the team that I knew that had the ability to win this game and that if they went out and played the way I knew they could, then we would win this game. They responded and then some. A rousing 5-1 victory. I won't mention any names in particular, because everyone contributed in such an amazing way, but there were multiple outstanding individual and team performances over the 14 games.

Then we come to the gala day. A hard fought win in the qualifying round to get into the cup proper and then an incredibly tough 3-1 loss in the 1st round, then could so easily have been 2-2 and heading for extra time only moments before. It was difficult to see the disappointment of the faces of the team but they had absolutely nothing to be ashamed of. Eloise (the coach), myself and all the parents were so very proud of what they had achieved, both in the season and on the gala day.

We would like to thank first of all the team for being such a great group of champions on and off the field. All the parents for getting them to and from training and games as well as your support on the day. Your sacrifices are greatly appreciated. Last, but not least, the club. Ingleburn Eagles SC. Thank you for all you do to create and environment that is both safe and rewarding for children to come play and grow in.

Many thanks.

Eloise Marsh and Kyle Johnson

U11 BLUE

Players: Ayman, Joshua, Rehaan, Chintan, Prasanta, Joshua T, Jesse, Johaan, Yousef, Prithu, Alex, Sahaj

The Under 11 Blue team had an incredible season playing in the advanced division against the best under 11 teams in the competition. We farewelled 5 players from our 2017 team and welcomed 6 new players who blended in seamlessly into the playing group. The team played 17 matches finishing the season with 2 losses and capping it off with a win in the Grand Final.

The team's strength this season was their defence, conceding 13 goals in 17 matches which laid the platform for our front line to score 37 goals. . Our defence and goal keeping were rock solid in the back which frustrated opposition teams causing errors and creating opportunities for us to score. Their expansive passing and positional play improved as the season progressed. Every player improved through-out the year which was one of the most pleasing observations as a coach. It was certainly rewarding coaching such a fantastic and talented group of boys. The boys respected the club jersey and always displayed great sportsmanship and competitiveness throughout the season which I am extremely proud of as these are great character building qualities. The players have built friendships and camaraderie amongst themselves. Thank you to Nathan for doing an excellent job as team manager. Thank you to our great team of Parents, Grand Parents and supporters who cheered and supported the team each week.

Bring on the 2019 season!!!!

Well, what can I say about this year, it was tough. 2018 saw us in Division 1 and it was hard. Under 12/1's welcomed 6 new players to the team. We knew this season was going to be hard for the boys and a challenge being in Division 1 and it was but no matter what, every week the boys came out and gave it their all. I have to commend them for their sportsmanship on the field, working well together as a team and it was a pleasure to manage a great bunch of kids as I was proud of their effort and determination. Thanks again to Travis for your time and commitment to the game to coach the kids each week, and to our new Assistant Coach Dee for stepping up and helping Travis with the coaching and training. Also to the parents who make our jobs as Coaches & Manager that much easier. I again have enjoyed being manager for the 8th year in a row and look forward to managing again, a position I really enjoy!

Linda Maddick –Manager U12/1

This year was our first season at Ingleburn after coming across from Moorebank and I very much enjoyed my time as assistant coach with the Ingleburn Eagles U12 team. I'm grateful to Travis for taking a chance on letting me help out, and I think we made a good team. The team consists of a bunch of kids who all seemed to enjoy playing together, and gelled well as a team. We had some great games, and some near misses, and I think we can build upon this year and have a great team next year. I'm looking forward to it.

U14 GIRLS DIVISION 1

With only 4 original players, another 5 coming back to the team from U/12's, and the rest new players, with 2 of those never playing soccer before, I didn't really know what to expect this year. So I was pretty excited when the girls came out firing, winning games, and winning by a lot. They worked as a team, supported each other, and trained hard.

Mid-year the comp was split in two with us sitting third. This meant for the first time in 4 years the girls were to play in the division 1 comp. As the season progressed it was only 2 teams that we could not crack. Harrington United only just beat us both times, and Tahmoor, we drew with twice.

As we headed into the finals we remained 3rd on the ladder, but we were the team with the best for and against.

We played Oran Park in the semi's and cleaned them up in a very physical game.

Preliminaries put us up against Tahmoor again. Both teams are very equal, and could have gone either way. Scores were locked 0-0 at full time. After extra time, still 0-0. As they have shown throughout the whole season, the girls never gave up, and gave their all, but after 80 minutes of soccer, on the biggest field in the comp, in tough, windy conditions, we ended up going down in penalty shootouts. Not a very nice way to lose any game let alone a preliminary final. But to the girls credit they held their heads high and were fantastic sports.

Thanks to Bradley for all his help and support throughout the season at training and game day as manager. To the proud parents, thank you for all your support too. When you have a great bunch of kids with a great bunch of parents it makes the whole season much more enjoyable.

What a promising season we started with enthusiasm and marched through the season playing 15 Games, with 12 Wins, 2 Losses and 1 Draw. Ending the season, outright 2nd on the ladder. It was a great effort from

all the boys, although we couldn't take our form through to the finals, it still was a great season and I am proud to have coached the team.

We had some new players who added to our line-up this season, adding some great flair and resilience to the team. We also had the valued assistance of new assistant Coach Chantelle Alcaide. Thank you also to Lena Dandachli for taking care of the team and all the paperwork, shirts and organisation for us. Thanks to all the parents who supported the team throughout the season.

Players

Michael Dandachli	Will run all day, scored one of the best headers all season and could not stop telling us about it.
Bowden Hudson	Plenty of natural ability, laid on some nice assists as well as scoring a few himself. Had a bad season for injuries and illness that kept him away too often.
Ryan Le	Played Right Back and what a revelation as a player very strong and giving it his all every week, showed some great skills.
Jagger Payne	Outstanding addition to the team, awesome Goalie showed his talent on many occasions, made the difference many times.
Dylan McQueen	Great addition to the team, scoring from anywhere, a pleasure to coach could be the greatest, if he could take penalty kicks. If only there was 2 of him
Jacob McQueen	Great addition, ran the engine room all season and made some great assists and scored as well. Has all the skills. If only there was 2 of him.
Ahnaf Rahman	Still has some great speed and scored some cracking goals, if only he had 2 feet to shoot with his left seems to be a passenger, but keeps saying it will come.
Bailey Roberts	Played Left Back and was extremely solid all season, showed that he has grown into his own.
Heyden Roberts	A gifted player, strong defensively and showed attacking flair, that would match or better any player. Strong boot and accurate shots, silky skills.
Chandanu Samarasundara	Great addition to the team, showed true determination and ability as our centre back. Strong defence and attacking flair.
Karamo Sesay	A great player with a lot of skill, only let down by injuries (from playing basketball) which left him out for a lot of the season.
Bryce Vigenser	Played wing and was outstanding all season made the position his own. Great runs and even better positional play.
Patrick Winter	Showed ability and growth during the season. Played a great fill in role for the team. Right boot is coming into its own.
Sam Wright	Can beat any player one-on-one, and showed great skill with a ball at foot. A great asset to the team.

A slow start to the season trying to put a team together, having to forfeit the first 3 games due to lack of numbers. We finally had our first game in round 4 on a warm day at 1:40pm at Oran Park Vs Oran Park who had 15 players and we had 10. We went on to win 3-1 on the day and the boys showed great heart to win in difficult conditions.

It was one of my proudest days watching this team put in the effort they did. Unfortunately, it was to foretell the rest of the season struggling for numbers each week.

We made the finals through grit and determination only to fall short of the Grand Final.

A great season for a team who struggled for players each week.

Adam El-Achrafi Goalie for the first part of the season, could not finish the season out.

Rafsan Elahi Played with great skill and heart.

Nafis Fuad Heart of the team ran the engine room and directed play.

Caleb Ghebreselassie Skill on the ball, put in some great efforts.

Ali Hamzeh An asset to the team, scoring some great goals, if only he could work the offside rule.

Cameron Holmes Put in some great efforts, a team player.

Christopher Irani Has skill on the ball and put in a lot of effort.

Billy Lok Has all the skills up front, scored some great goals, just wish he knew what offside was.

Anthony Sbirziola Played with heart, gave it his best each week.

Monther Shahoud Played in the backs, great defender, gave it all.

Mohamedbelal Shahoud a late addition to the team, played on field and also was a good alternative goalie.

Zaed Taisir “Mr Energy” would chase down everyone if you let him, showed great heart and persistence.

Patrick Winter Showed a great improvement through the season, put in some great efforts and played some great defence.

2018 was a hard year for the boys due to a number of factors.

The side that had previously played in division 3 the previous year suddenly found themselves playing against division 1 teams. Additionally due to player movements and some players dropping out the side regularly played short. Additionally the team also had players that were still gaining experience with playing soccer.

All the players continued to try their hardest throughout the season to often be unlucky and not have more results go their way.

With the splitting of the competition after the halfway mark in the season the team was more competitive but continue to struggle for player numbers. The core group of 13 players that were left continued to fight for every opportunity for a win.

Luck continued to avoid the side but some strong performances were put in during the year by the boys.

All the players can also be proud of the clean style of soccer they played and the fact they managed to continue to have fun and operate as a team. Every player improved over the season.

Thanks to the borrowed players from the under 15 sides that helped out on many occasions.

Thanks to all the parents that continued to come and support the team.

Thanks to my wife Katrina for being team manager and helping to get the boys on the park each week.

Wow what a year! And what a team ably led by Coach Terry Dumont.

First of all, the squad was 19 strong, and the boys blended in nicely with a mix of returning players and new members.

We started off our first game in those blustery conditions that fanned the huge bushfires starting at Casula and tore through Holsworthy. We didn't have the best start to the season with these challenging conditions and the score line we were glad to hear the final whistle.

With round one behind us we knew the teams success would only be achieved not by individuals but as a team.

We ventured into the season round by round. Some wins, and some losses. But each game we set to improve from the last.

Some opponents were quite physical and we ended up with a handful of injuries mid season as the teams settled in and team rhythm came into play.

The team has the right attitude and are determined to give 110%. Our play improved week after week. Guidance from Coach Terry assisted the boys with positional play and where they needed to improve their game.

With a large squad it usually meant high subs rotation and keeping players fresh, but that wasn't always going to be the case with a combination of Injuries and holidays we still had a few games with only a couple on the bench!

This year we saw a number of players improve their game, lifting the overall capability of the squad. Others continued to be strong players and developed their team play.

All in all we had a fantastic season and wrapped up as u16 Div 2 Premiers.

The semi finals were a close match seeing us play against Camden Falcons which saw us draw into extra time and push into a penalty shoot out which didn't go our way.

Preliminary finals saw us pitted against Minto (last years Div 2 champions) and we won that game with great ball work and some sensational goals!

Grand finals put us back in front of Camden Falcons. It was always an exciting game as the teams had strengths and weaknesses in different areas and it was a matter of who could capitalise the most. At full time it was 2-2 and in extra time we each driving the score line to 3-3. Ethan our keeper saving a penalty which kept us in the game. Unfortunately Falcons got a lucky break and scored the winning goal in the final minute. It wasn't our day but the entire team did awesome job securing Premiers in 2018.

Many players have committed to returning to this successful squad and only a handful will be focusing on their year 12 studies. We wish them the best and look forward to their return in 2019.

We farewell Juan who is returning to Spain and has been great part of the team.

Also a big thank you to Ben Capili for help with the team and the committee for your support and help throughout the year....

And lastly thank you to all the parents who support the entire team and their boys as well as my family for putting up with me throughout the season as well..

Well what a season for the **Skyrise Scaffolding** under 18's Ingleburn eagles Division 1 side.

Firstly a huge thank you to our awesome Sponsor **Skyrise Scaffolding** and the local band of supporters that followed us thru the season that had its highs but also had some terrible lows..

The step up from 17-1's to 18-1's was a huge leap forward and it honestly caught us by surprise, we always knew it was going to be a tough year but what we experienced was a lot more than that. With no less than 4 teams in our competition that would give any state side a run..

We did manage to have a few wins thru the season and a few games where we really took it to some of the better teams and surprised them with great team work and physical play which caught them out a few times..

We did lose our way in the mid-season after a number of large defeats but to the credit of the boys we rallied and played out the season with a changed mind-set of support and enjoyment..

Thanks to Jason Byrnes for his commitment and dedication this season to the team, and the support he provided to me when I needed it will always be remembered.. Thanks..

Finally to the players, gentlemen I enjoyed the season immensely although at times it may not have appeared that way from the side-line. You have all earned my respect not only as players but young men and as your coach I am very proud of the way you conducted yourselves and discipline you displayed during the year. Something that I can also learn from (given the number of cards that I received from the side line).

Thanks Again.

Pre-season started late October 2017 for our ML3 team with 30+ players attending. It was a long hot pre-season which saw some players drop off but, also saw a lot of players step up to compete for the final 15 spots in the team. Some really tough decisions were made during this time but, I'm confident that the right decisions were made to see the club well represented in the ML3 competition.

The ML3 competition began with 14 teams and was split to the top 7 and bottom 7 after the first 13 games. We finished the first part of the season sitting 2nd on the ladder with 7 wins, 4 losses and 1 draw. At this point in the season we still believed that we could catch St Mary's who were sitting on top and were undefeated. We were unlucky in 2 of our losses with a few decisions not going our way and the less we say about the other 2 losses the better. The wins... and even the draw were fantastic games where we looked like we really had a chance to take the Premiership if we could put it together like that every week.

Saints gave us a sniff in the first game of the split comp but, we couldn't capitalise on their hiccup as we also had a loss. Still, second place was still ours for the taking. We all knew we were good enough to do it but, suspensions at the back end of the comp combined with injuries and a bit of wavering commitment saw us falter when it mattered and we ended up finishing in 3rd place. Still a fantastic effort from the team but, we know what it could have been with the quality we had.

That 3rd place finish saw us into the finals with a 2nd chance should we need it... and unfortunately we needed it after the first Qualifying Final when we went down gallantly to Bradbury 4-2. It was the only game of the season when we had an empty bench. We still had a couple of suspensions and some injuries including some walking wounded in our 11 and thanks to the ML3 rules we were unable to bring any players up for the finals. We put in a great effort and got the score to 3-2. We were on top of the game and looked likely to score the equaliser when a big Bear sent an unstoppable rocket into the top corner of our goal and sent us through to an Elimination Semi Final against Eschol Park.

Even though we were knocked out 2-1 it was probably one of my proudest moments as coach of these lads. The way we came back out to the field in the second half after the team talk by our Captain Michael Flood and Jamie Alcalde (which took the words right out of my mouth) was amazing. Everyone was pumped and keen to leave everything out on the pitch. For every second of that last 45 minutes we still had hope that we could come away with the victory but, unfortunately it wasn't to be and our season was over.

If the team can take that fighting spirit into next year then I'm sure there will be bigger and better things to come.

Thanks to all of the players that came to play up throughout the season especially Owen Peck and T-Jay Tallar who were more than happy to sit on the bench for 90 minutes to help out. It was greatly appreciated and I hope you all got some valuable experience out of it.

Another huge thankyou to our President Michael Winter for Managing the team and everything you have done throughout the year.

Yours in football.

Season 2018 for Trevor Morgan & Jack Byrne's All Age 2 Ingleburn Eagles team saw us achieve something very special to take home & celebrate this year. A premiership in the highest All Age Mens division after winning it in an 18 round competition. Not to mention having the best defence in the league also.

We had built a stronger team from last year. Replacing 7 players & signing 8 new ones including names like Matt Conroy, Josh Finn, Adrian Mosca, James Hearfield & AJ Oakes (two of them mid-season as well).

Our pre season involved 3 trial games all with mixed results & had shown alot of good signs to come of this squad.

First up we had beaten a full strength AA3 Gunners side with only 10 men at the end after goalkeeper Jack Byrne went down re-injuring his leg. Forcing him to sit out the remainder of the match and from there a 3 month stint on the sidelines.

We needed to find a new goalie & lucky enough came across a new one in Matt Turner being a free agent. Who took on the goalkeeping duties for the rest of the year.

Second we had our annual M5 Cup game with Revesby Rovers premier league ones reserve grade. Another good game for the boys which should of seen us take all 3 points with all our chances after it finished with a 1-all draw. A great debut also by the new gloveman who really impressed.

And lastly a in house game with Ingleburn M-League. This was a result we all wanted to forget after we had taken a 3-1 lead & losing 5-3.

Trial games were forgotten & the season was near. We had more mixed results to kickoff with. It saw us have one win, 1 draw, 2 losses & a bye. Definitely not the brightest of starts with the frustration building. Something had to change. And it did....

And from round 6 of the competition we stayed undefeated, Jack Byrne returned from injury to play his bit when needed on the pitch plus conducting his managerial job of course. Not to mention the signing of two more players along the way in Ben Taylor, a skillful wing midfielder & a new strong utility defender named Stephen Riley. With these extra boostings, they were much needed to help us as we had troops dropped due to injury.

But we still managed to pull together & won ourselves plenty of games, some we won't forget either. And went onto win a record 12 in a row for our team since forming back in 2015. Securing a maiden premiership.

Overall for us a successful season evening after being knocked out in the finals. As they say traditionally a premiership is more prestigious than a championship. Especially after winning a comp in 18 rounds and not in 3 final games.

And with saying that myself & Trevor were proud to call us the best team in our division for 2018.

This season unfortunately was very long and very hard, we had a lot of injuries which never helps anyone but at the end of the day my players always gave 100% in every game they played, regardless of the score or number of players on the field.

But at the end of the day we did the best we could and as their manager that was all I asked for.

I do wish everyone the best during the off season and hope to see you all back next year

Moving from AA6 to AA4 and losing several good players from last year's squad meant that this was going to be a challenging year. The competition was very even with none of the teams being easy beats. The outstanding team was Ruse, who went through the season undefeated.

The team changed somewhat during the year due to a couple of season ending injuries and new players arriving. The introduction of night games was particularly challenging this year. We just couldn't seem to play as well as on the weekends. Several games were narrow losses, usually due to breakaway goals by teams whom we had dominated but couldn't put them away. As the season went on the team blended

together more and played some good football. In the end the battle to make it into the top four was successful.

A great come from behind 5-4 win against St Mary's in the first semi final was followed by an even better 4-1 win against Ruse, the Minor Premiers.

I was proud of the way the team played in the Grand Final against Minto. With a bit of luck a 1-0 loss could easily have been a win.

From myself and the team, thanks to our managers Dave and Karen (and Michael Jackson as stand in during their absence).

Thanks to our supporters, the Committee and all the club volunteers.

Having gotten a taste of success in 2017, the AA5s showed no signs of intimidation to being promoted two divisions and went back to back with another championship in 2018.

The team's biggest challenge this season was consistency in a league where half the teams were competing doggedly for the premiership and the other half either forfeited or played undermanned. Ultimately some complacency in the middle of the season cost us the premiership, finishing second, but we pulled together at the right time and confidently dispatched both finals games.

We also overcame our toughest start yet, losing team stalwart and winger Cejay Grundy to a challenge that left his leg broken in two places nine minutes into the season. Cejay has been a part of the team since its first season in 2011 and it was fitting he lifted the trophy to conclude this one.

Finally, major recognition to both Jashan Gill and Brendan Lee for selflessly volunteering to sit out the finals as we had more players registered than could play. They were two of our best and most consistent players throughout and their absence was felt during the nervier moments of the grand final.

The team looks forward to returning and threepeating next year!

This season has been close to one of the best the boys have had. We have a habit of starting the season off very slowly and this season wasn't any different with 2 losses and 1 draw in our first three games but from that point, due to a great effort by every player the boys won every game to take out the premiership.

One of the outstanding aspects of the team this year was the goal shooting scoring 59 goals with a goal difference of 17. Again our defence line was very strong. It's difficult to pinpoint any player that excelled in goal shooting as most of the players seemed to find the back of the net – even our goalie Bryce came out of goals for the last 10 minutes of a game and managed to score a goal. In contrast to previous years there was no requirement to borrow players which enabled the boys to build on their own style of play..

This year we welcomed four new players who very quickly blended into our style of play and no doubt added to the overall strength of the team

Many thanks to Clayton and Lindsay for controlling the interchange that can be difficult at times. Also, thanks Lindsay for the half time "prep" talks each week – your comments are very unique

Congratulations to Lindsay who became a dad with twin girls and also Clayton for the birth of his second child

Congratulations to Evan for bringing up his 25 years with Eagles and Michael who has been with the 10 Years Clayton And Robert

The AA7's season was strange to say the least. They started off with a win over last year's premiers and grand final winners. Then we had a win over the losing grand finalists. Then we had a draw with a team that would finish near the bottom. After 3 weeks we were leading the competition. From then on we were up and down in our results, but playing in great fashion every week. Ball play and team work were the hallmark

of every game. In the second half of the season we struggled to find wins despite repeatedly outplaying our opponents as well as playing with 11 players or less, due to injuries, work commitments and other reasons. It all came down to 3 teams playing to make 2 positions in the finals and with a bye in the last week it wasn't good. Fortunately for us we made it into 4th spot. Then the team became giant killers going all the way to the Grand Final, with great wins in the finals. But unfortunately we went down in the Grand Final, although we had numerous chances, but the ball just wouldn't go in the net.

Ultimately we are a team that prides ourselves on sportsmanship, playing and enjoying the game in good spirit and I believe that we as a team achieved this and next year we'll be pushing onwards to greater things. A great bunch of mainly young men, and a pleasure to be involved with this team.

Hope everyone else enjoyed it as much as I did!

See you next year!

This was the first year this team all played together. Some players making a comeback after many away from the game or playing first year ever.

Even though we didn't win many games, the players commitment to turn up every week (including when injured) is to be commended.

Special mention to Bradley M for stepping in as keeper after losing our early in the season and doing a great job, Dominic as leading goal scorer and Gryffyn after breaking his wrist in the first game was there every week supporting the team and finished with a strong year.

Daniel Wong has been awarded Coaches Award. Daniel played his first year of the game and his improvement showed each week.

Joel Fincher was awarded Players Player after converting to a center back role and leading the defence.

Overall every player was committed and played hard week in week out.

Looking forward to another great year next year!

AA10 got together made up from AA9 and AA11 from the year before.

Start of the season resembled most of the first half of the season, topsy turvy. We lost the 1st game 7-1 and won the next game 7-1.

We were competitive but just couldn't get over the line in those first few games. Lack of continuity. Maybe fitness.....sorry definitely fitness.

Then something clicked. Not sure what, but it just clicked and we came home like a wet sail the last 12 games 7 wins 3 draws 2 losses, to the eventual premiers and runners up.

An enjoyable year had by all.

Thanks to all involved at the club for the effort that is put in, it is very much appreciated.

Hope everyone that goes, enjoys the presentation.

Thanks for the season!
Ben

We have had a hard season on and off the field this year. Starting in Division 4 which was hard on our team but very proud of you all with your commitment to just play and have fun. During mid season we were dropped to Division 5 which was the right division for us as the opposition teams were at our calibre. Even though there were outsiders making it hard for us to enjoy the season, all you ladies held your head up high and continued to play as a team and had fun.

Mellisa: Our Manager/Player – Does a wonderful job every year as our manager and always kept us informed and on our toes. It's plain & simple Mel gave 110% all the time on the field no matter where she played. Hope you enjoyed playing with your daughters.

Maree: Very persistent out the front & always fighting to get that allusive goal. Always willing to help out were needed. Her foot skills and determination on the field is nonstop.

Nicola: Has to be one of the wisest players that know how to read the plays. Always in the right position & fights for that ball at any cost.

Aleisha. R – Defensively one of my 4 strongest defenders. Would love to see her next year play more of a mid field role. With your skills you could play any position and be great at it.

Stephanie. R – A very proud Coach/Father able to watch her excel in every game. Very feisty and fierce and one hell of a left foot. Keep it up darling.

Tarj – Great in defence. Never stopped chasing the ball at any cost. Returned this season from having a baby and she played like she has never let. One hard Mumma.

Eloise – Very happy with the way she played this year. Played every position I put her way and gave it a try and done well.

Taleah – Another one of my defensive players with great passion for the game & understanding what she has been taught. Took every critic and bettered her performance. One hell of a kick you have.

Hannah – Her speed is as feisty as her temper. Due to that she was able to score some terrific goals. Where ever you look at the game Hannah was there and everywhere.

Tanesha – By far one of the strongest keepers in the woman's league & just as feisty on the field. At the end of the season she liked to play on the field and played well up front. Multi talented player.

Stephanie. S – Played awesome up front & scored some awesome goals, unfortunately was injured but came back just as strong. Her experience on the field reflected on her and she gave input to the newby players and gave them strategies and loads of confidence.

Candace – Feisty on the field. Gave every position a go with passion. Never minded where she played as long as she played. Willing to learn of new skills as the season went on.

Kim – Newby mum to the team, learnt to use her height & her strength to over power the bigger opposition. Very shy person but loads of skills you have learnt this year and this reflected on the field.

Jessica – A girl that lacked confidence at the beginning of the season but with a little bit of encouragement from the rest of the team she was able to play as a seasonal player. (Wing Jess Wing)

Alicia. B – Did a fantastic job this year in goals & out. Gave a go in any position. Your brother would have been proud of you. Also the supplier of the red frogs at every game Yum Yum Thanks

Kirah – Her persistence chasing & following the ball finally led to her scoring a great goal & Mt Annan which boosted her self confidence improved her game.

Hariklia – Unfortunately injured early in the season but still came to the games to support her team. Well done great sportsmanship.

Valerie – One of those players that everybody listens to when she has something to say. Great on the field & scored a couple of awesome goals in the last couple of games. Better late than never.

Summary: To all the girls I am proud of each and every one of you for the way that you played & conducted yourselves on & off the field as a team & played as a solid unit.

To my Backs – Move up, Move up

To my Centres – Put it thru, Put it thru

To my Forwards – Don't Stop, Don't Stop

To my Keepers – Keep Stopping, Keep Stopping

To Coach: We all thank you so much for your time and input during the season. We appreciate all that you have taught us, even kicking with our Left Foot. These skills we have learnt will be with us all for the rest of our lives.

Thanks Again Coach

2018 was a fantastic season for the AAL5 Blue team despite not managing to score a single win during the regular season. It didn't stop us from having a great time out on the field every week with a great group of women. Again we started our season with many rookie players. It seems that us ladies like to take a "better late than never" approach to trying out a team sport. Of the 14 of us that played the majority of the season, we had 5 returning members from 2017, 6 were completely new to playing football and 2 hadn't played in a number of years. Then there was Liz who was kind enough to play with us when there was no 16 Girls squad available for her to join at Eagles this year. It is also worth mentioning that of these 14 fabulous ladies, only three of them are younger than 30. Learning that age is just a number out on the pitch has been a powerful and motivating lesson to our team members who have realised that having a goal to play a team sport like soccer is not only achievable, but also fun.

We'd like to thank coach Terry Dumont for being generous with his time and patience dealing with his squad of (sometimes) questionable talent. To our wonderful rookies this year, thank you for being brave enough to take a chance on the unknown and bringing new energy and enthusiasm to the team this year. Thank you to the whole team for making the year easy and pretty much drama free. You made my job as manager an easy one! I know that personally I can't wait to play with all of our wonderful team mates again next year. Last but not least, a special mention must go to our joint Golden Boot winners, Karen Winter and Samantha Watson, who led the scoring charge for the AAL5 Blue with a -1 goal count each. As the rest of us never found the net for our own team, these two fabulous ladies deserve a mention for at least scoring for the opposition!

What a season, started by blending the O45's with O35's signed up 21 players much to the uproar of many and we still ended up scratching for players in the later stages of the season.

A lot of wins and some losses along the way, a lot of player movement with injuries, holidays & work.

Then we finished 2nd on the Ladder, behind Eschol Park who took out one of our best players 'Preet' to a season ending injury in round 3, which created some ill feeling between teams.

We also lost Dib for the season after round 2 with injury also.

We then marched through the finals to set up for a grudge match with Eschol Park in the first Preliminary Final with a 2-1 WIN witch put us straight into the Grand Final.

We then faced them again in the Grand Final and won 3-0. A special mention has to go to Pauly for the best toe punt goal ever in a Grand Final, magic to watch.

Thanks to Gary Rogers, Nathan Smith & Gary Schwenke who subbed in for the Finals and were vital for the wins.

MICHAEL

CLUB HISTORY

Since the beginning of our Year Book, we have been bringing to you our Division's history. The first few years were a little inaccurate, but we can now keep an accurate record of our Club's yearly progress.

Following is a brief summary of our history:

1. Prior 1964

- 1.1 RSL organize cricket for children of members -probably 1962-63 season.
- 1.2 RSL considers formalizing Youth Club.

2. 1964

- 2.1 Soccer division first official unit of Ingleburn RSL Youth Club.
- 2.2 Total registrations - 67.
- 2.3 Home ground - Ingleburn High School (1964-1967).
