PRESIDENTS REPORT

What a great year for our CLUB celebrating 55 Years is a great milestone. I would like to thank our Committee of dedicated people without whom the club could not flourish.

Michael Winter – President	Linda Martin – Secretary	Merv Gabel – Treasurer
Renaë Ellsmore – Registrar	K. T. Wong – Assistant Registrar	
Gary Rogers - Vice President SSG	Stephen Ellsmore – Equipment Officer	
Ralph Martin – Macarthur Delegate	Karen McKneight - Assistant secretary	
Christine Cahill – Canteen Manager		

Our Senior and Junior teams had some close opportunities for finals, but unfortunately for the first time since I have become President we have no Division Champions or Grand final winners.

Proudly we can say we have a Women's M League team with our club, who are a great and appreciated addition. Unfortunately they were duded in their grand final, check Facebook for video of the grand final. A great turn out of support for them from the club on Grand Final day. I just hope it gives the Ladies more incentive for next year.

Our M League Mens' team showed so much promise leading the comp for the large part of the season to fall short due to absent and injured players at a crucial time of year. Onwards for next year.

To all teams a heartfelt well done for your efforts even if they weren't rewarded in the way you wish, there is always next year.

Congratulations to our under 11 team this year made the finals for the CUP which is an outstanding achievement. Unfortunately we were unable to use the mini fields area all season due to a lack of grass and the ground being unfit for play. Hopefully that will rectify itself for next year.

We have achieved getting our lights on all fields and sprinklers on the main fields.

We are in the process of agitating for the following:

- Mini Fields – Irrigation – Top dressing
- Fencing – for the entire fields
- Club House – to be built

Yours in Sport

INGLEBURN EAGLES HISTORY OF AWARDS

BRENDON O'ROURKE AWARD

This award goes to the most improved team in the club. The basis on which it shall be awarded is the difference between competition points reached at the end of the first round subtracted from total competition points attained for the season, but adjusted between teams who played unequal number of games.

If more than one team shall be equal on this basis, then the trophy shall be awarded according to the method used to determine club champions. This trophy shall not be awarded to the club champion team.

TOM FUREY MEMORIAL AWARD

This award shall go to the team with the best scoring average in their respective competitions, according to the method used to decide club champions, providing they are not Brendan O'Rourke winners or Club Champions

MARK BEKS ENCOURAGEMENT AWARD

In 2010 the Committee introduced this encouragement award selected by the executive for a junior team.

The award is to honour the contribution of Mark Beks (who sadly passed away prior to the commencement of the 2010 season) to our club as a coach, parent and supporter. Mark was a very successful coach of AA5 in both 2008 and 2009 and his team went through in 2010 undefeated to win both the Minor Premiership, Premiership and Senior Club Champions.

PRESIDENTS AWARDS – CLUB PERSON OF THE YEAR

Presidents Award decided by the President and the Club Secretary is awarded to the Club Person of the Year based on the following criteria, actively involved in Ground Duties (Set Up/Canteen duty etc) when their team is on duty, attends meetings, goes above and beyond their role in the club as a committee person, coach, manager, player etc.

MARK KENNEDY AWARD - MINI TROPHY

Mark was an integral part of starting our minis off, and was very prominent in the early days of the soccer club. Mark held many positions with the soccer division, he also went on to become involved in the youth club.

DAVID LAUKAITIS - SENIOR TROPHY

David was a player who had been with the soccer division for many years. One who always showed true sportsmanship and generally loved the game of soccer. He was always willing to lend a hand and help out with younger teams.

It was a sad loss to many people when David passed away so young due to a workplace accident. Hence many senior players wanted to honour his memory so his parents were approached and that is how the senior trophies came into being. Due to his involvement in Premier League and his fairness to the game the two trophies came into being.

STAN SHEPHERD COACHES AWARD

In 2009 long serving coach for our club for nearly 20 years, Mr Stan Shepherd, initiated this award at one of our meetings and as such the Club Coaches Award will be now known as the Stan Shepherd Coaches Award.

We know that each team has different challenges through the season, some will become Minor Premiers and Grand Final winners others will struggle at the other end of the table, the award is not just based purely on success. The award is intended to go to the coach who reflects the spirit of the Eagles as a family club.

GARY SMITH MANAGERS AWARD

This award was introduced in 2018 by Phil McKnight. Gary Smith is a long serving coach/manager for our club for over 20 years, and as such the Club Manager Award will be now known as the Gary Smith Managers Award.

Gary coached his son's team in the early '90's and as time went on, he hung his coaching role up to become a manager

ADAM BURES GOALKEEPERS AWARD

Adam Bures started to play soccer at Ingleburn in 1995 at the age of 5 years. He took up the position of goalie when he was about 9 and the position was his and his only his in most teams he played in.

Adam gave up a lot of his free time to coach Mini and Junior teams, including being a mentor for your goal keepers within the club, the perfect role model that a parent could ever ask for to be coaching their child/ren.

Adam was Caring, Fun to be with, Loving to all around him, Loyal to his team(s) and the club, and Passionate towards the game we all love FOOTBALL.

In early 2018 he passed away due to a work place accident and due to his continuous service within the club the "ADAM BURES GOAL KEEPERS AWARD" was introduced

What great fun it was to see this team come together and have a ball this season. Over half the team were only 4 when the season kicked off so in most games we were giving away a bit of size, however we made up for it with effort! We had 8 players in the team so the kids had to be patient each week as they would spend a bit of time off the field as everyone got equal game time. They were fantastic though and no one ever complained, they each waited their turn and enjoyed having fun with their team. Really proud of all the team for their effort this year. Unfortunately not all the team will stay together next season due to some moving up to U7's, however they are all best mates now and we'll all see each other down the field next season!

Erik - was sometimes a bit distracted in the games early in the season but he improved week after week. Couldn't quite crack the elusive goal this season but he always had a big smile on his face!

Oscar - "the quickest in the team" his teammates would always say and Oscar scored some great runaway goals this year.

Maddie - the little powerhouse of the team. Was always chasing the ball down and tackling fiercely. The coaches had to watch themselves at training or she'd take us out too!

Owen - the little pro. Owen showed great skills this season and backed it up with 100% effort at both training and games.

Aaron - showed this year he is a little footballer in the making. Played some great games and loved being part of the team.

Josh - most improved player this season. Started out struggling to kick a ball. By the end of the season his tackling, dripping and kicking had really improved. Always brought his "super quick speed" to the games

Lucas - best control and dripping in the team. Just struggled some times to transfer this into the game but it was mostly due to him being intimidated by the bigger kids. Watch out next season he is going to dominate.

Zoe - another one who improved greatly throughout the season. Zoe was always first at training with a big smile. She loved looking after her team mates and had the best post game goal celebrations in the team

U6 GREEN

What a wonderful year of growth for our boys in U6 Green! This group of boys have never played competition soccer before and they showed so much improvement throughout their first year in competition. A couple of the boys knew each other from kindergarten at their school but other than that, most of the boys had never met each other. They went from strangers to instant friends by the end of our first training session – and what a training session that was! They were running around and doing their own thing and not listening to any instructions at all. That quickly changed however with constant structure and routine the boys happily followed the direction of their coach and manager. Being mostly 4-year old's, there were still some goofing around but also some hard work and fun.

The boys only won one game during the season and that was against Saint Mary's. The excitement and joy on their little faces were priceless. Even though they were defeated each week, this didn't stop their love of the game. We had our ups and downs and struggled some weeks to have more than 4 players on game day but all in all the boys tried their hardest and loved every minute.

Matthew showed so much love for the game and would have been very happy to stay on the field the whole time. He showed such excitement when he scored goals and was always amongst it when tackling the ball, showing great attitude towards his fellow players on both sides.

Shannon's biggest highlight on game day was when he kicked off from the middle of the field and scored a goal. He started running around cheering and yelling "I kicked a goal!" as well as parents from both teams cheering and clapping.

Sulay is such a great team player, showing great attitude towards the game, passing the ball to his team mates and scoring a couple of goals as well, even when taking a ball to the tummy showing great team spirit and staying on field.

Hamdh is a great all-round player. He showed great control kicking the ball down towards the goal, and scoring some goals as well, having a good attitude towards his fellow players on and off feild.

Saheim loved getting out on the field and being wherever the ball was. He did some great tackling and also kicked a goal too.

Jay Jay showed great sportsmanship and always had a smile on his face. We were all so impressed that he came out to play a game after arriving back in the country from his 4 week holiday. He was very jetlagged but put all of his left-over strength into the game and kept trying his best. Well done, Jay Jay!

Miqdad loved coming out to train each week and showed improvement in his Saturday games throughout the year. He was always willing to give it a go and to try his best.

Well done boys for a great season. You didn't care when we only had 4 players on game day and had to stay on the field with no breaks. You also showed great team work and made new friendships. You all gave each game your absolute best and always had smiles on your faces each week. You all grew together as a team and showed your love for the sport.

A special shout out thanks to U6 Yellow players, parents and Kyle and Matt for letting us share your subs when we played at the same time at the Ingleburn Gunners ground. Once again, our team only had 4 players and your kids did a great job playing with our little team. Great team work in helping out your fellow club players!!

Enjoy the break and come back nice and fresh next year! From Coach and Manager

This season was very enjoyable with the development of both individual and team skills.

We were fortunate to have most of the team return from last year and our new players joined in seamlessly. The boys had plenty of fun but they were willing to work hard at training activities.

It was very pleasing to see positional play and passing prominent on match days, leading to a great deal of success on the score sheet.

Once again we were thankful that the parents provided plenty of support, assistance and encouragement. They formed an awesome Saturday morning cheer squad!

A very big thank you to the Referees and our tireless Committee.

The players are to be congratulated on their fine season – we are proud to have been associated with them. They were great representatives of our club.

We look forward to the 2020 season.

Well what a year, we started off with a solid team of 12 players ½ that had played together previously and ½ that had never played the game before, with a rookie coach and first time manager. As the season progressed sadly our solid 12 became a resilient 8. Every week was a struggle to get a full team on the field but with help from the other under9 teams we battled through. Whilst it was a season with no wins the real winners were the kids who turned up every week and will be better and stronger for it. A big shout out to my manager Shanna, and my mentor and advisor Nafiz and his wife Gina

Our U/10 Yellow started with a couple of players returning from last year and some who haven't played at all, while others came from different clubs. But they all became friends very quickly and this made for the great season that they had. We started off slowly with a loss and a draw.

The boys all trained well, learning the rules of the game along with technical skill development, which led to the first win. They all improved so much all season which showed in their results in the second round as we only lost 2 games to opponents that beat us in the first round.

And everyone went home at some stage with the player of the week trophy, which was an impossible task as they all deserved the trophy each week.

On the gala day they had a win and then unfortunately came up against one of the teams that went top 4, the team they beat went top 8 in their draw. Shows what might have been if the draw was a bit more favorable, but at least they can feel very proud of how far they have come in a short space of time. A wonderful bunch of kids, with a big future.

Thanks to all the help by the parents throughout the year. Congratulations U/10 Yellow for a fantastic season!!

Proud to coach you this year.

2019 has been a fantastic year for our team. Our kids really showed us what they were made of this season. We won majority of our games. We lost 1 game and unfortunately had to forfeit 1 game.

Our team once again come together in times of need both on and off the field, their dedication to each other in making sure everyone had a fair go on the field and making sure everyone succeeded in scoring a goal was impeccable. Their sportsmanship towards other teams was outstanding.

We look forward to building our team over the next few seasons to become a force to be reckoned with.

I would like to thank all our Parents, Grandparents, Aunties & Uncles for your support during the season, without you our kids wouldn't be at training or the games. A big thank you to the Dads who helped out with training and game days when I couldn't make it, your time and help is appreciated.

Once again U10 Blue fantastic season, very proud to be your coach and look forward to you returning next year.

Thanks

U11 BLUE

For Ingleburn Eagles Under 11 Blue there was a lot of 'NEW' this year.

A new coach, some new players and a new competition. Macarthur Football Association Under 11 Division 1 to be precise. After a few successful warm up, the season proper started with some great performances and although the future looked bright, we knew that there were tougher tests ahead.

The jump in class became obvious in an 8-6 loss to Camden Tigers. Although the boys stepped up, this was the first real challenge and one in which we just fell short. After being comprehensively beaten by a very good Bradbury team, some mixed results would follow and the seeming ease with which we were winning at the start of season had turned into a hard slog.

A mixture of some hard losses and some incredibly well earned victories meant that overall we won more than we lost and this amazing group of players proved that they weren't just there to make up the numbers.

Then we come to Gala Day. We had set the team the target of making it into round 3 as this would surpass the second round that most of team made the previous season. A fairly comfortable win in the opening round then led to a second round clash with Camden Tigers. Losing (on behinds - don't ask) we had one more attack and managed with last kick of the game to squeeze it past the keeper at the near post.

Objective achieved and belief was rising. More assured performances followed as the team marched into the semi- finals against a good Mt Annan team. Oddly enough this was probably the worst performance of the day and as Mount Annan has a one goal lead with just a few minutes to go, we began to reflect on what was overall a very good season. Then with everything they could muster, the boys scored straight from a corner, and with one swing of a boot and time just about up, a rocket was launched from about 20 metres away that sailed past a despairing keeper into the top corner. Finals here we come.

Not only were they the first Ingleburn team to qualify for a grand final this season, but the first ever Under 11 team to make the Cup Grand Final in the club's history.

A tough final against a Bradbury team who had eased past us on two occasions already and yet with 5 minutes to go, we found ourselves at 0-0. Unfortunately, 2 late goals ensured that it would be the runners up medals that the boys would be receiving but make no mistake, they made sure that everyone knew there were two teams playing that day.

In fact, Nathan Tallar was named Player of the Final, which in itself was no small thing. Both the coach Nathan McKneight and I would like to thank the parents, the club and the boys for a great season filled with many memories.

You did yourselves and the club proud and the bar has now been set for next season. Enjoy the break and we will see you all next year.

U12 DIVISION 2

2019 was a challenging year for the team. We welcomed 8 new players into our team, five players not having played club soccer previously. The boys got accustomed to playing in the larger field with larger goals. The 8 seasoned players from last year welcomed the new players and shared their skills, advice and friendship. Our defence and goal keeping were once again rock solid being the 4th best defensive team in our competition. Our strikers were on "red alert" at every game. Our midfield continued to improve throughout the season. Every player improved through-out the year which

was one of the most pleasing observations especially the new players. The team showed great sportsmanship on the field and were attentive at training. Training was a joy and a challenge trying to get the boys to go home. Playing under lights for the 1st time was also a milestone for the boys. We had some great wins and several extremely close games, which was the difference in us making the finals having missed out by 2 points. We were competitive with the top 4 teams in our division finishing the season with 7 wins, 4 losses and 5 draws. The team should be proud of their achievement having played the grand final winners Bradbury Bears twice this season. We drew 1 -1 in round 1 and beat them 4-3 in round 2.

Thank you to the referees, linesmen and lineswoman who for most matches did a magnificent job. The club and committee for working tirelessly to provide an environment for the boys to enjoy their sport, Nathan for doing a great job as team manager. Thank you to our great team of Parents, Grand Parents and supporters who cheered and supported the team each week.

UNDER 13 DIVISION 2

Well, what can I say about this year, it was tough.

2019 saw us in Division 2 and it was hard. Under 13/2's welcomed 6 new players to the team. We knew this season was going to be hard for the boys and a challenge losing some players to RAMS, 1 to AFL and 1 to NRL and not having played together before but no matter what, every week the boys came out and gave it their all.

We ended up coming 8th overall, out of a draw of 10, which was a little disappointing but makes us more determined for next season.

We welcomed a new goal keeper who did an amazing job for us, as did all the new players who did their best to quickly fit into a new team.

I have to commend them for their sportsmanship on the field, working well together as a team and it was a pleasure to manage a great bunch of kids as I was proud of their effort, determination and never give up attitude.

Thanks again to Travis for your time and commitment to the game to coach the kids each week, and to our Assistant Coach Dee for stepping up and helping Travis with the coaching and training. Also to

the parents who make our jobs as Coaches & Manager that much easier and turning up every week to support the boys.

I again have enjoyed being manager for the 9th year in a row and look forward to managing again, a position I really enjoy!

Linda Maddick –Manager U13/2

UNDER 15 GIRLS DIVISION 1

To begin with it is great to see that there are enough girls within the Macarthur Region to form an U/15 competition. This enabled us to keep our team together as most of them would of been able to stay in the U/14's while others had to go up an age.

So we entered the competition excited to be all back together, and knowing that we wanted to be there till the end.

First place chopped and changed throughout the season between us and Tahmoor. It was becoming apparent that they were the team to beat. Fast Forward to the finals, and Tahmoor who ended up being minor premiers defeated us in the semis in penalty shootouts. We had to defeat Narellan in the prelims to make the Grand Final. We managed that in normal time 1-0.

So the stage was set. The two teams that fought it out all season for the top spot, were to fight it out in the final match of the year. It was a typical game between the two. No goals for most of the game. Then with 10 minutes left Tahmoor put one in the back of the net, followed by another from a free kick. The end result 0-2.

Despite the loss our girls showed great sportsmanship towards the other team, and supported each other with positive reinforcement. I am so proud of these girls, and they should hold their heads up high. Once again this year the improvement from all girls has been outstanding. It has been an absolute pleasure spending another season with these girls.

Thankyou to my son Bradley for all the help not only on match day, but at training, and at home talking tactics. He is not as loud as me but his input is priceless.

Also I'll keep saying it the girls are only as great as the families that support them and lucky for me the families of these girls have been amazingly supportive towards Brad and myself, and we can't thank them enough.

See everyone next year.

2019 season for 16/2 was a roller coaster of a season, with the team coming together for the first time. THE team showed a lot of potential, but could not quite get over the finish line. We had some great starts but due to a lack of numbers for most of the games, we could not finish as strong. The lack of player attendance each week proved challenging, but those that did attend, always played soccer with heart.

ALL AGE LADIES 5

All Age Ladies 5 has a challenging season, being a newly formed team with a mix of experienced and brand new players coming together. The ladies faced a few highs and lows throughout the season but stuck together to reach the semi finals. The first half of the season we struggled to find our feet and play as a team, we needed consistency in positions and to improve our communication skills. The second half of the season it all clicked, we started to train harder, our skills improved dramatically and we played as a team, who had excellent passing skills.

Throughout the season we became a very close knit team that supported each other and made sure we had the best season possible. We faced some rough and tough teams during the season but keep our cool and formed a close bond with some of the other teams in our grade. AAL5's played for fun and to improve our skills and fitness, we had an amazing season and finished in the top 4. We believe this season was just the start, and we as a team with continued support from our Coach and Manager will push towards greater things!!

M LEAGUE 3

We started the season with fire and brimstone, with 18 Players in the squad only to lose players for the season after rounds 3 (Mortadha Al-Kaneeb) round 5 (Ahmed Kinany) Round 12 (Domonic Fricot) Round 14 (James Staines and Sean Hillier), (Garish Prasad) round 15. But we picked up Matt Conroy after round 12 who then went out injured after round 17. We had injured players unable to play after round 13 and no depth left in our squad, so we were borrowing players for the remainder of the season just to field a team. We had lead the 13 team competition for 16 rounds before sliding back to 4th spot for the finals.

We won our first final Vs Narellan and playing our next final Vs Eschol Park when we were tied at the end of full time and extra time, but lost in a penalty shootout. The entire squad should be proud of themselves as they know and every team we played Knows EAGLES were the benchmark team for the season.

Jamie ALCALDE

Midfield – was always in control of the centre, making time and space at will. An outstanding player.

Mortadha Al-Nakeeb

lasted till round 4 then walked away, would have been a great asset.

Chris BUXTON	played in the backs, extremely solid defender had a venture up front in one of our first finals games and scored a cracking goal, one of the most versatile players around.
Timothy COOMBE	Played CAM most of the season with great commitment and brought plenty of skill to the team.
Darian CRAIG	Goalkeeper, had some cracking saves, played with injuries and still tended goal. Always putting in for the team.
Domonic FRICOT	Dom was played out of position at wing and CAM for his time at the game, but put in for the team. Missed the last third of the season.
Sean HILLIER	Centre back, played with enthusiasm, speed and skill. Could shut down attacking runs and the heart of our defence. Was sorely missed when overseas.
Ahmed KINANY	Backline - a promising addition to our squad, but only lasted a short while with us due to a misunderstanding that this was not NPL and he would not be payed to play.
Lachlan MARSH	Striker – there are not superlatives that are enough to describe this player as the GOLDEN BOOT winner for Macarthur 3 years in a row would attest to. Produces some sublimely magical shots to the dismay from opposing teams and accolades from all players.
Anthony MUSCAT	Utility player, was played mostly in our backs but could be played anywhere on the Park. A great asset to the team.
Adam NAJI	had great ability as a striker only lacked lung capacity (give up smoking) Quick off the mark and some great skills.
Johan PINTO	Backline – A definite asset with his ability to read the game and positional play. Another great team player.
Garish PRASAD	Midfield – striker etc. Mr everywhere had energy from beginning to the end of the game, great skills, a pity he finished his season early by walking away, was a major asset.
Kyle ROGERS	Midfield – started out the season a bit slow (fitness) but really developed his game and cemented his spot. Was always eager for the penalty taking.
Daniel SPEHAR	Wing – Could run all day and most games did. He was without a doubt one of our best players and always played with heart.
James STAINES	Midfield – world worst Moustache winner. Was captain of the team for his duration and lead well.
T-Jay TALLAR	Backline – Captain when Staines was overseas. A general on the field, great awareness and skills. Could read the game and bark orders to suit, Great team player and great form the team.
Bradley WEEDING	Wing – another player who could run the whole game with energy and enthusiasm, great positional play and was one of our leading players
Matthew CONROY	Signed up late in the season, but as an extremely welcome addition before disaster struck with a season ending injury

A thank you to the players who helped us throughout the season, with your assistance we were able to get through the season.

4th on the table for the season

AA3 Ingleburn Eagles had a difficult start to the season after finishing fourth in the AA4 Division in 2018 we were promoted to AA3, a jump of three divisions in two years. The players and coaching staff took this as a challenge and were hopeful to finish mid table at the end of the season.

The team was made up of number over 30 year old players and three were in fact over the age of 40, with our youngest at 20. We had a team of experienced, knowledgeable and exciting players.

The team lost two of the first three matches and after some self-reflection the team stepped up and we went undefeated for the next three months. The team was well entrenched in the top four and at one point looking at a top two positions but due to injuries, suspensions and unavailability we finished 4th.

During the latter part of season we were playing with eight or nine AA3 players and borrowing from other teams, O35-1s, AA8 and AA9. In some matches we were missing six of our regular players. We are grateful to those players who helped out at critical times and the coaches and managers for allowing them to play in the team.

We entered the playoffs coming from fourth position and we were confident of finishing well. Unfortunately a loss of 2-0 to Harrington United stopped our journey for the year. We had a number of missed opportunities during the match and I believe we were the better team in the second half of the game, though two defensive errors, one in each half, determined the match.

During the playoff match highlighted the strength of our team, that we did not drop our heads when the goals were scored against us, more importantly we never gave up and showed the true the spirit of the game, "mateship".

In summing up the season, it was a great season, with a number of missed opportunities but the important and key indicator of the team's performance was how the team grew as mates and played as a team.

In past seasons the team always had the skill, fitness and determination and were very successful but with the addition of new players, the social events, drinks after the matches or back to the Club, as well as BBQs at the coach's house the team grew as a team, it was now based on mateship.

The mateship between the players and coaching staff improved the team to another level and the results highlighted that.

There was no individual star or stars in the team, it was team of players with over a twenty year gap between the youngest and eldest players, playing good football, to play for each other and wanting to win.

Thank You to our Managers David Sunderland and Karen McKneight, Coach Stan Shepherd and our loyal band of supporters. Looking forward to 2020.

Well, after another “Blockbuster” season we had last year all of us were looking forward to 2019 season to bring forward our good form in a higher grade.

We didn’t take long to capture our great form from 2018 into the the new season. By the end of the 1st round we were 2nd place on the ladder and building an impressive goal differential

Going into the second round our form started to slip- some teams we had defeated in the first round we were struggling to in the second round. Maybe we were trying too hard to capture the great form we had earlier in the season.

Because of our hot and cold form it didn’t take long for us to drop to 3rd place on the ladder and then 4th place by the end of the season, which was enough for us to get into the semis.

We played our first semi-final at our home ground and we played the best standard of football ever – our great attack and excellent defence by every player. At the break we were 2-0 up

We were battling to maintain the same standard in the 2nd half and it wasn’t long before the score made by 2-2 (one was a penalty goal) a third goal from the visitors gave them a 3-2 win.

Our players can hold their heads high for the great effort they put in every game – irrespective of the result they showed great sportsmanship and support for each other. The humorous comments made by the guys at half time and after the game never ceased

Congratulaitons for for a great season – hope to see you all next season

AA8's 2019- Was a newly formed team a mix of 18's and 17's from 2018 and a number of new players.

Having a strong leadership group within the team, it was decided that the team would self-manage, and the group would make decisions with limited outside input, which was a great success (and the boys should take away a lot of self-pride in the way decisions were made)

With three trial games down which included three wins and three very strong performances. We entered the competition with high expectations, Fit, Fast and Strong but limited exposure to Men's all age toughness..

I remember our first game it was vs Narellan RED way back at the start of the year... We started strongly but the boys were not ready for what they received a Huge 7-2 loss, which made the team pull together and hit the training field harder than before, worst thing was we had a bye the second round, so had to dwell on the loss for two week before being able to get back on the pitch.

But the team responded with four strong wins and a draw out of the next 5 games.

One of the most eventful games was a 2-2 draw against Gunners, We only had 9 players turn up (Due to Work etc and 1 of our players that played had only left a cruise ship at 6am to make it to the game) on a cold and windy winters day at 9am @ home ground , we played against a full Gunner team with 3 reserves, at the end of that Game I could not have been prouder of the team, every single one of the team played 110% and never gave up, to the point that the last kick of the game the gunners keeper had to pull off a great safe to keep it scores 2-2... (arh to be young strong and fit)

The AA8's finished the season in 5th spot on 27 Points with 8 wins 4 losses 3 Draws and a bye, Scoring 43 goals and conceding 33.

The team showed many times thru the season that they were not out of their depth and were more than able to match if not better the physical side of All Age, With a few players from the team experiencing higher level football this season filling in for higher level team's up to and including M-league.. So thanks to AA3 and M-league for those opportunities..

I would like to personally thank all the players this year especially the leadership group that responded well, even when I chimed in, with my 2 cents worth, Which included taking off our best players at times so I could talk to them...there was never any complaints within the team which shows a lot of how well you guys ran the team..

A big thank you goes to all of the families / girlfriends and general supporters that attended our games each week to cheers the team on.

Also a big thank you to the committee for your support and help throughout the year....

And lastly thank you to Scott and Chris for the supporting words to the team @ half and full time
See you all again next year when we go even bigger and better...

Majority of the squad from 2018 returning for another season. Plus a couple of additions.

Finished 6th out of 10 was a little disappointing. Thought we could've gone higher. Just needed a goal scorer this year. Fitness and injuries definitely playing apart in some results. Everyone played the latter part of the season with niggles, but special mention to Bryden Mulloy (goalkeeper) for playing 3 or 4 games (could've been more as he didn't see a doctor for a little while) with a bad rib injury.

We will be back next season.

Hopefully they grade a few of the teams a little better as they should not have been in our comp.

Thank you to the committee for all the behind the scenes things you deal with I hope you all have a terrific night tonight, a nice relaxing off season, and see you all again to go around next year!

Thanks again

A slow start to the season being placed in Division 3 and struggling to keep up with teams who had been together for previous seasons. As this was our first season together, with players having not played for some time and regaining skills not used for a while. Once we put some games together and were put in our correct division we came together as a team and won more than we lost but with not enough time to make the finals with the games remaining. The team comrade and bonding really came together with this being one of the most enjoyable seasons in memory. Looking forward to a great season in 2020.
