# PRESIDENTS REPORT

## Presidents Report 2022

**Finally a full season**, even if it was a bit stop, start and a lot of catch up games due to the inclement weather of 2022. After Covid in 2020 and 2021 shutting us down it was nice to see everyone back on the park. The club had less teams this year with No M league teams but we still had a good season. Proud to have had such a great bunch of people on the Committee. To all the Coaches and Managers for your Time, sacrifices, inputs and the parents, caregivers and partners whom help keep the players on the park a big thank you.

U8 WHITE

## DAVID LAUKAITIS - SENIOR TROPHY

David was a player who had been with the soccer division for many years. One who always showed true sportsmanship and generally loved the game of soccer. He was always willing to lend a hand and help out with younger teams.

It was a sad loss to many people when David passed away so young due to a workplace accident. Hence many senior players wanted to honour his memory so his parents were approached and that is how the senior trophies came into being. Due to his involvement in Premier League and his fairness to the game the two trophies came into being.

2022 RECEIPT

MALE  
RICHARD MIFSUD  
AA8

FEMALE  
MIKALYA BROWN  
AA LADIES DIV 5

The award is intended to go to the coach who reflects the spirit of the Eagles as a family club.

2022 RECEIPT  
DARIAN CRAIG  
TIMOTHY COOMB

## ADAM BURES GOALKEEPERS AWARD

Adam Bures started to play soccer at Ingleburn in 1995 at the age of 5 years. He took up the position of goalie when he was about 9 and the position was his and his only in most teams he played in.

Adam gave up a lot of his free time to coach Mini and Junior teams, including being a mentor for your goal keepers within the club, the perfect role model that a parent could ever ask for to be coaching their child/ren.

Adam was Caring, Fun to be with, Loving to all around him, Loyal to his team(s) and the club, and Passionate towards the game we all love FOOTBALL.

In early 2018 he passed away due to a work place accident and due to his continuous service within the club the "ADAM BURES GOAL KEEPERS AWARD" was introduced

It was a really fun season had by the Under 6 Yellow. It was great to see all the excited faces with Tyler, Zack, Zacks, James, Hudson and Arzan. These player's skills have come a long way in this season. Zack, took to the game right away and excelled with his competitive attitude and drive to win, while to Katsongannis brother kick butt. Zacky would run up while James dropped back to defend and then swap around with their brothers intuition. Hudson was our little trooper always ready to play, with his amazing power kick from the sideline. Tyler was our silent weapon always hanging around the back of play ready to pounce when saw his chance, while our new player Arzan used his imagination and love for dinosaurs to develop his skills. All of the players gelled really well right from the start and they all had a really good time and some really hard fought victories.

CAN I Not GO OFF THIS GAME?? This was the most asked question every week. Before every kick off and at every half time. I think they all wanted to play as much as they can.

Another big THANKYOU goes out to the sideline crew for all your help during the season.

Ingleburn Eagles, U6 Pink Koalas are a team who have had a strong start to the soccer season, as every player was eager to take the field for their first game of soccer. There was a mix of skill level throughout the team, some confidence and most importantly, fast friendships formed between team members that dominated the season.

Felicity's exuberance and effervescence was a highlight that uplifted the team and ensured the smiles were an ever-present fixture at each soccer game. Georgia's massive ball kick was more than competitors could keep up with throughout the season. Thearry never failed to give one-hundred percent effort at every game, with confident defence skills and strong ball control ability. Olivia and Mia dominated the field with their presence at each match and developed their ball skills as every week progressed through the soccer season. These combined skills and effort at each soccer game this season provided a fantastic start to the team's soccer season.

The dedication to play soccer was evident from the team's first soccer training. The U6 Pink Koala's vivacious approach to their soccer was contagious, and their tenacity foremost at every season fixture that only served to improve their soccer skills overall. The team's presence never failed to bring the cheers and every game saw spirits uplifted, including the dedicated parents on the sideline who steadfastly cheered team efforts week-in week-out. Despite many challenging weather conditions, 2022 was a great first season for the Ingleburn Eagles U6 Pink Koalas.

It was a great pleasure coaching Under 6 Blue this year.

Most of the kids hadn't played soccer as a team but they had fun training together and enjoyed playing games. It was my first time coaching any teams and I was a bit anxious at the start, but had support from the parents. The kids would listen to what I had to say and always eager to try drills and play mini games specially piggy in the middle.

The kids always played with passion throughout the games, even though they had to play without any subs at times due to various unforeseen circumstances. The kids always listened during the games and they were spot on when I asked them to play differently by changing tactics. Great team work, scored lots of goals and were upset with near misses as well.

Special shoutout to all the parents who brought the kids to training and games, helped me with training and during game day.

What a great bunch of kids. Proud of you all. See you next year.

We started this season with 5 boys and a 1 girl that did not know each other previously. The first game reflected the unawares by going behind by 7-0. In the first half. But a late coming flyster in Stephen Ye turned that deficit around by scoring 9 goals in 20 minutes. Final score 9-7.

A quiet Daniel Peter eventually combined with Steven on left and right front flanks that had us winning nearly every game.

Jacob Roshdy who had the biggest kick in the team showed great heart in both attack and defence. It was good to see him get his first goal after trying so hard all season. His mum watching on was so proud.

The under 6 whites went through the season with only 4 losses and these were mainly due to illness and lack of headcount.

Mid season recruit Noah Cagarovski played quite well even though he came half way through the season. Coming close to scoring he trained hard and next year should see him on the scorers list.

It was a successful season and a very rewarding experience for all of the players in the team.

The kids were looking forward to moving to the bigger field this year. We had our 6 returning players from last year and had recruited some big guns (Harry, Shannon, Suli and Praiev) in the offseason. Great work from my gun recruiters Bruna & Lauren. This rounded out the team to 10 players. Unfortunately with all the bad weather at the start of this year, we didn't get a chance to really train before the season started. I was worried about getting the team to gel together as they didn't all know each other. I didn't need to worry. After week 1 it was like they had all been best mates for years!

We worked a lot on control, passing and working as a team at training. I was pleased to see this was transferred to the games by all the kids. The improvements in all these areas by all the kids throughout the season was great to watch. Our results were great too with plenty of goals scored and it was really pleasing to see that all the kids had turns scoring. What was even more pleasing was the great team spirit showed by all the kids. No matter who scored a goal they were all just as excited and happy for the person scoring as it they had scored it themselves. It's a great attitude I like to see.

Harry – always had the skills from the first training session but it was great to see his vision and passing improve throughout the season as he was looking to pass and set up team mates. This is a great addition to his natural goal scoring skills. A natural striker who would have been right up near the top of the goal scoring chart this year.

Shannon – Always bursting with excitement, Shannon has a lot of natural skills. Sometimes he just doubts his own ability and gets down on himself. I saw fantastic improvement in Shannon throughout the season as his team work and control improved from week to week.

Suli – you never see Suli without a smile on his face. The team loved having Suli around because he's always so positive and team focused. He was one of the best at holding his position on the field and scored some great goals as a result. Also put some great stunts in while goalkeeping.

Praiev – the only one not to have played soccer before this season but you wouldn't have known it. Another one with a smile all the time, Praiev was energetic and always keen to learn. He scored his first ever goal this season and I think his family are still hearing about it daily. He didn't stop at one though and was a constant on the score sheet.

Lucas R – the youngest in the team but also probably the toughest. Relentless in attack but most particularly in defence. Constantly saving the team with well timed tackles in the defensive half and a massive kick to get it out of danger. Although when he did score a goal he certainly gave the goal celebration all his effort as well, best knee slide celebration on the team!

Owen – the second half of the dynamic duo that saved the team with outstanding defence. In tandem with Lucas, Owen put the team first and always took it on his own shoulders to stay back and stop the other team from attacking. Really selfless team play. However, this didn't mean he didn't like to attack. Some outstanding zig zag running and bullet like passing to team mates were Owen's hallmarks. Not to mention some of the best long range goals of the season with both left and right foot.

Maddie – relentless, unstoppable, tough ... just some of the words to describe this little dynamo. You can often hear the other team talking about who they fear most from our team and Maddie is often at the top of that list. Always gives 100% and chases after every loose ball. Has great control and dribbling skills and can often be seen in a game taking a long zig zagging run through the defence.

Josh – brings a bit of "bling" to the team with his fancy haircuts and earrings. Josh has improved dramatically over the last couple of seasons with his touch, control and game awareness. He is one of the fastest on the team and is now combining that with good control to turn some teams inside out.

Lucas F – without doubt the best post goal celebrations in the team with his Ronaldo inspired efforts. Lucas is a coach's dream, he is always looking to learn and listens intently at training. You then know why he is one of the most skilful players in the team as he puts these lessons into practice. Lucas has great control, a wicked step over and great passing and shooting. All combining to be a lethal weapon on the field.

Zoe – last but certainly not least, the spiritual heart of our team. Zoe is the epitome of a team player. Always happy to put the team first and kept putting her hand up to be goalkeeper this year because she knew not everyone wanted to do it. She was great in goals and was always full of positive encouragement for the rest of the team. Zoe skills are often underrated, even by herself. She lacks a little confidence on the field sometimes but she is one of the best close ball dribblers in the team and has a mean tackle. When her confidence is up, she is unstoppable.

It's been a pleasure to coach the kids this year. Also a special thankyou to all the parents/grandparents. I've very lucky to have an engaged team of parents who are always offering to help out and also ensure the kids are always at training and the games. It makes my life a lot easier. Thank you everyone!

Firstly, a big thank you to all the parents for their commitment to training and game day's throughout the season. Without the support of all the parents, we have no team.

As for the team, their commitment and dedication shown throughout the season, is something they should all be very proud of. This is indeed very commendable.

With all the wet weather at the start of the season, it was not the start that we had all hoped for, especially after the events of the last two years with the COVID impacts. However, once the games got underway, it was great to see the return of most players from last year and also to welcome some new players to the team. For some of the new players, this was their first season playing in a team and it was great to see their development during the year. The returning players also continued to develop during the year. By season's end, I enjoyed seeing how much they all developed and understanding more about positional play and game strategy. No doubt this is something that will lay the foundations for a solid start to their season next year.

Whilst the results may not have gone our way this year, the team never gave up and always gave it their all. Initially we were hampered by the lack of training due to ground closures, but once the team started to train together, their qualities and abilities through the season started to improve. It felt like the end of the season came too quickly, as it was not until the last few weeks of the season that the results of the training had started to show on game day. The team may not have scored goals in every match this year, however when they did score, it was heartening to see the excitement on their faces and the goal celebrations.

There were many memorable moments on game days throughout the year, and too many to mention here, but I hope that all the players and parents will remember this year and look back on it with fond memories.

All in all, it was a great year. It was good to see all the team get along together and build their friendships – this is something I hope that they will always remember and treasure. The games are not always about the final scores, but how the team handle themselves during and after the match. As a team, we pride ourselves on good sportsmanship, playing the games in good spirit and representing the family Club of Ingleburn. I believe we truly did achieve this and I hope that everyone enjoyed the season as much as I did. I look forward to seeing all again next year and taking on the challenge of playing as U10's and once again representing the mighty Ingleburn Eagles!

Finally, a big thanks also to the Committee members and volunteers from the Club. Without their efforts during the year – both before season start and after the season – none of this would have been possible.

Until next year – cheers !!

Under 9 Blue had a fun season. With a team full of new players, they gelled well. They came a long way from the start and improved every game. Unfortunately, with the weather not on our side this year, we were unable to practice and find our rhythm as a team.

Chayse, Svanik, Stark, Mitchell, Hamdh, Shivansh, Karli, Kaeleigh, Oscar, Ali and Sayaan your attitude towards the game and your willingness to learn was great to see. Thank you for having me as your coach this year. I enjoyed watching you all improve and learn the game of soccer.

Under 12s Div 3 started the season in Div 4 and from the very first game found themselves head and shoulders above the competition in the division. Majority of the team has been playing together since they were in Under 7s and know each other's strengths and weaknesses well. The ones that joined us for the first time this season also came up to speed and gelled really well in subscribing to the drive and motivation for self improvement over wins and losses mantra this team has. Nevertheless the wins came and it wasn't until about round 10 that we came up to our first worthy opponent in Minto and unfortunately we as a team came short against them, and it wasn't until we lost again against them a few weeks after that we needed to strengthen our back line against teams like Minto.

With seven games left in the season we were promoted to division 3 and the first two games were a washout and our next game would be against Nerallan who go on to become the premier of the division. With a newly strengthened back line and with few key players missing we played an even game trailing Narellan by one goal with minutes to go when one of their players handballed a clear goal, leading to a penalty we would go on to miss, losing 3-2. Two weeks later we faced Douglas Park second on the ladder in this division and drew with them at home 3-3. The remaining teams we played in Div 3 went down to us 7-0, 11-0, 11-0 respectively. In the final week of the season we needed a few results to go a certain way for us to be able to make the finals and unfortunately the stars did not align for us and we missed out on the finals by 1 point.

Devin Thapa by far the most talented and capable player, deadly in front of the goal, perfectly skilled to be our Centre moved to strengthen our back towards the end of the season as still managed to score headers

from corners, as well as on counters. A leader who would sacrifice the glory of being a striker, to support the team in any position to secure wins.

Abhi Pandey's lightning speed was unmatched by most opposition defenders and brought us goals by bucket loads.

Shaun Peters ball control and support plays meant when he wasn't scoring the goals he was the assist.

Arnav Pant an 11 year old playing up didn't let his coach down playing in defence for most of the season and later transitioning to the mid, his ball control and solid kicks made him an asset in both positions. Our teams defacto set piece and corner taker he has countless assists and a few goals of his own.

Charlie Sharp really grew in the left and right back role. His commitment to his position and his ability to be able to win the ball and drive it up and complete a pass by the end of the season meant he was a clear choice from the most improved in our team.

Anas Ahmed played in our team before but missed a few years due to clashing commitments. Rejoined this year and absolutely played out of his skin in all positions that were assigned to him, a bankable defender as well as a reliable boot in the opposition box meant he also managed to bag a few goals.

Rafin Miah the silent assassin completes our Centre Mid position, as absolute asset in his position, great ball control, ability to move with the play and complete passes.

Hakeem Chowdhury, a reliable pair of hands in goals stepped up in most games where he was needed, came up to cut angles and kept out a lot of the goals to give his team the best chance of winning. He has grown into the role and found his voice this year directing the defensive line from behind.

The season has had its challenges, and the weather being one of them, the boys signed up for 2 days of training each week and attended with great enthusiasm when they could.

As the season comes to a close we are already looking forward to next season and boys will work through the off season, training and playing summer soccer, to keep developing as a team to right the wrongs of this season.

First of all I would like to thank Michael, Linda and Shannon for welcoming us into the club this year, we come with 7 players and gained 7 from the Eagles we were blessed.

Even though we came last I was extremely proud of the teams' effort after getting a draw in the second round we only lost by 2 or 3 goals for 7 rounds and were very unlucky at times.

Coaches from the opposition teams couldn't understand why we're coming last.

If we can keep the team together next year in a lower division we will be extremely competitive.

Well what an amazing season our boys have had. We had our usual 7 returning players along with 9 new players. It didn't take long for the boys to find their click and had one of their best soccer seasons to date.

We came out strong from day dot and held the 2nd position on the ladder until round 4 where we took 1st spot and held that position for the next 15 games and unfortunately due to unforeseen circumstances we lost the title of minor premiers by 1 point and dropped back into 2nd position.

This little setback didn't stop our boys from giving it their all, they went on to fight and made it to the Grand finals. Grand final day arrived and our boys were both nervous and excited. We knew we had our work cut out for us playing a Division 2 side, but the boys gave it their all and held minto out and after the 1st half they were only down 1-0.

However in the 2nd half not only were the boys playing against minto, it also seemed they were playing against a Ref who didn't quite know the rules and didn't make the right calls or hand out yellow cards where needed. Needless to say we lost 5-0. Our boys walked away in tears and held their heads high and knew they had done their best. I have to say not only as a parent but as a manager of the team, I'm very proud of the sportsmanship on and off the field our boys have shown. They have really done us proud.

Thank you to our biggest supporters, the parents of our boys and their siblings. You brought them to training every week and we have loved hearing you cheer the boys on at their games. Last but not least to Shannon.

Thank you for giving your time and commitment every single week to train our boys, we would be lost without you and your guidance. I have thoroughly enjoyed managing our boys for the last 7 years and look forward to many more years to come!

After a Covid affected season in 2021 which saw us finish on top of the ladder, the U15 Div 2 team enjoyed another tremendous season ( amongst the washouts) which have seen them develop into a much stronger unit having started the season strongly winning their first 9 games and posting a record 11 wins, 2 draws and 2 losses.

We welcomed new players to the team having lost 2 players to MFA reps. Under the guidance of coaches Darian and Tim, the boys trained hard twice a week and showed the commitment required to stay on top of the ladder until their 1st loss.

Due to sickness and other factors, we welcomed the assistance of the U13 players who filled in admirably and became part of the playing group. The team played a possession based, attacking brand of football. Having missed out on being Premiers, the boys stayed focussed and progressed through the semi and prelim finals to march into the Grand Finals against Oran Park, the only team to beat us this season.

Overall the boys have had a very memorable and actioned packed year. The players should be commended for their sportsmanship and commitment shown on and off the field.

A big thank you to Darian and Tim who amongst all the hard and gruelling training sessions, got the boys to have fun and enjoy their soccer. Thank you to the club and committee for working tirelessly to provide an environment for the boys to enjoy their sport. Thank you to our great team of Parents, Grand Parents, Carers and Supporters who cheered and supported the team each week.

The girls had a mixed season this year with some good football played and some unlucky Draws that could have been wins.

The girls progressed from season beginning to the end with improvement in the their skill levels. Their enthusiasm was a joy to watch and the Macca's Runs were highly sought after and enjoyed by the team. Both Gavin and myself believe they are team in the making. We both sincerely hope to see all the girls return for next season.

## ALL AGE LADIES 5

“They might walk like new born deer on Mondays and use salami and lollipops as inner team goal bribery - but on Sundays they grew stronger as each round flew by.

The AAW5 team went from strength to strength to finish second on the ladder for the 2022 season, no amount of rain could dampen this teams spirits!

With some new team mates joining the squad the ladies were thrilled for some fresh younger legs to sign on this year!

Smashing it out up front Melinda, Nancy, Henry and Juliana were the shining strikers while Cat, Chantelle, Gina and Eden dominated the mid-field game. Gracing the wings Elouise, Bruna and Farisha were always ready for the wide balls (even if it meant heading up and back copious amounts of times!) and for some sideline encouragement, Alicia was always down to support and guide too.

The back wall army, Tee, Bronwyn, Lara and Erin protected, defended and “walked it up” when fearless keeper, Sam, instructed to do so - mud, sweat, stacks and all!

With each passing round the AAW5 team succeeded with respect, encouragement and a laugh along the way - nailing the minimal subs rounds and catch-up night games too!

The team messenger chat is a 24/7 commitment and that’s just a testament to the bond this team has grown and will continue to have on and off the field!”

Firstly, I want to congratulate my team for winning the title from an underdog position in the 2020 season. The pandemic meant we couldn’t celebrate their success at a presentation, and after just scraping into finals, the boys showed heart to take on the best teams in the comp and take out the title in fashion.

We have had a pretty consistent roster since that season, with a few players coming and going, but one thing has stayed the same; the lads have showed on their day they can play some beautiful football. You don’t expect much when coaching an AA team but with the right mindset and some good coaching ;), you can be more than just a long-ball team. The boys have shown great development in their game from just kicking it around and hoping for the best to fluid passing, thinking about where they need to be to help their team, and how they need to do it.

I’ve seen a few blokes come in and become 3x the player they were just with a bit of confidence and the right environment around them. Alex is a player that can be put anywhere, and he will do a job. The only person that can beat Jordan when he is defending is himself with silly tackles and a killer look in his eye, but we will work on it. Tim has developed the most as a player, from someone without the confidence to perform with the players around him to being able to hold his own and perform just as well as everyone else on the team. Cameron is a player you can count on to put in the dirty work in the hard games and let the man know he is there. And Benji and Owen have shown great leadership on the field to keep the boys focused.

We (try) to follow good training regimes because commitment is the first step to success, and although the floods and injuries have plagued our ability to train, I'm confident we can go into the finals and take out the title. And even if we don't, we regroup, train harder, and go again next season.

Thanks to the committee and all the volunteers at the club for all the hard work you do, it doesn't go unnoticed on our team, and we appreciate you.

I would like to thank the over 35 5s team for giving me the opportunity to come in and help steer them clear of a bottom of the table finish, it wasn't all tactical brilliance from the coaching staff though, these guys put in a big shift every game and left it all on the field!

It began with a small conversation with team organiser Nick Pleadin that I would come down and help run the subs with the first game in charge seeing us taking on top of the table Tahmoor Taipans in which we held them to a 0-0 draw, we were lucky to get that match in as lightning and rain threatened the start of the game.

The following week we were outplayed by Ruse at home with the match Ending 4-2. Round 14 saw us take on Camden Falcons who like us were trying to get every point they needed to stay off the bottom. We were down 3-0 at half time, the half time talk from Michael Winter was motivational and definitely an experience for any young coach to take valuable lessons from! I honestly don't know how we managed to salvage that

game but it was a miracle, Michael and myself couldn't of been more proud of the fight back from the lads that night.

The next week would see us suffer defeat to Douglas Park who were definitely up for it followed by two weeks of rain which hampered a couple of rounds which gave the tired legs some much needed rest.

Round 18 away to Camden tigers the mighty oldies put them to the sword 4-0! Momentum and belief was building amongst the team!

Round 19 we faced Tahmoor again this time away in which we went down 3-2 still we had room for improvement!

Round 20 saw us at Jackson Oval to take on Ruse Lions who were competing for a finals spot. Ingleburn with only 10 players were able to see us into half time at 0-0. The half time talk was all about instilling the belief into the team and giving them hope that we could beat them! A quick goal in the second half and capitalisation on some sloppy ruse defending saw us take all 3 points cementing our place in 5th for the season.

Round 21 our last game of the season under the lights at Gregory Hills against Camden Falcons who were looking to catch up to us for points. Game winning, team enthusiasm with Michael Winter playing his 1<sup>st</sup> game of the season. Goal of the season contender from Jimmy took us into a half time lead. Wonderful teamwork from the players saw Daniel Prince claim another goal for the season. Garth, how can we forget that goal? Scored an absolute beauty ripping two defenders and hitting from just outside the 18 area with an absolute peach!

I am super proud of the guys at how far they have come and the winning mentality that they now have and we will go into next season hungrier and even more determined to topple any competition. Super proud of all involved with this team! Go the mighty Eagles
