INGLEBURN EAGLES HISTORY OF AWARDS

BRENDON O'ROURKE AWARD

This award shall go to the most improved team in the club. The basis on which it shall be awarded is the difference between competition points reached at the end of the first round subtracted from total competition points attained for the season, but adjusted between teams who played unequal number of games.

If more than one team shall be equal on this basis, then the trophy shall be awarded according to the method used to determine club champions. This trophy shall not be awarded to the club champion team.

TOM FUREY MEMORIAL AWARD

This award shall go to the team with the best scoring average in their respective competitions, according to the method used to decide club champions, providing they are not Brendan O'Rourke winners or Club Champions

MARK BEKS ENCOURAGEMENT AWARD

In 2010 the Committee introduced this encouragement award selected by the executive for a junior team.

The award is to honor the contribution of Mark Beks (who sadly passed away prior to the commencement of the 2010 season) to our club as a coach, parent and supporter. Mark was a very successful coach of AA5 in both 2008 and 2009 and his team went through in 2010 undefeated to win the Minor Premiership, Premiership and Senior Club Champions.

PRESIDENTS AWARDS – CLUB PERSON OF THE YEAR

Presidents Award decided by the President and the Club Secretary is awarded to the Club Person of the Year based on the following criteria, actively involved in Ground Duties (Set Up/Canteen duty etc) when their team is on duty, attends meetings, goes above and beyond their role in the club as a committee person, coach, manager, player etc.

MARK KENNEDY AWARD - MINI TROPHY

Mark was an integral part of starting our minis off, and was very prominent in the early days of the soccer club. Mark held many positions with the soccer division; he also went on to become involved in the youth club.

DAVID LAUKITIS - SENIOR TROPHY

He was a player who had been with the soccer division for many years. One who always showed true sportsmanship and generally loved the game of soccer. He was always willing to lend a hand and help out with younger teams.

It was a sad loss to many people when David passed away so young due to a workplace accident. Hence many senior players wanted to honor his memory so his parents were approached and that is how the senior trophies came into being. Due to his involvement in Premier League and his fairness to the game the two trophies came into being.

STAN SHEPHERD COACHES AWARD

In 2009 long serving coach for our club for nearly 20years, Mr. Stan Shepherd initiated this award at one of our meetings and as such the Club Coaches Award will be now known as the Stan Shepherd Coaches Award.

We know that each team has different challenges through the season, some will become Minor Premiers and Grand Final winners others will struggle at the other end of the table, the award should not be just based purely on success. The award is intended to go to the coach who reflects the spirit of the Eagles as a family club.

2014 EXECUTIVE REPORT

Our 50th year has come and gone extremely quickly and while on the park we haven't hit our normal heights our off field year has been extremely successful. We had a great night at the 50th Anniversary Gala Dinner and many thanks should go to the Organizing Committee for their efforts. I would also like to thank Nicki Carle and Paul Reid from Sydney FC for helping us celebrate this special occasion. It was great to see many of the former club members and all of the fantastic memorabilia on display.

This year we also worked hard on developing the future of our Club. We had a special on registration for our mini player's this helped increase our small sided teams by approximately 100%. It was great to see so many little players and their smiling faces this year. This also added to the work load on SSG placement day which didn't go as well as it has done in previous years. Lessons learned we now have good information to develop this day for next year.

I would like to thank our great sponsors Ingleburn RSL, CLK Plumbing, Sprint Quip, and Specsavers, Lite n Easy, DTech, Blue Tongue Homes and Salute Restaurant. Without these companies we would struggle to exist and it is help like this that gets Clubs like us to 50 years old.

On Field we had 35 teams 6 x U6s, 4 x U7s, 3 x U8s, 2 x U9s, 2 x U11s, 7 junior teams and 11 Senior Teams. The Senior and Junior teams play competitively and we had 4 Junior Teams in Semi-finals U13-3s, U14-3s, U15-3s and U15-1s and 3 senior teams in Semi-finals ICU Cup, AA5 and the old boys 0/35s. The AA5 team went through to the Grand Final but were unfortunately beaten 2 nil. This team was coached by the legendary Stan Sheppard and interestingly enough Stan told me that was his 1st loss in a Grand Final. Our U15-1s made it through to the Grand Final and are the 1st Division 1 team from this Club to do so in a long time. This is a great effort from a team whom only 4 years ago were in 3rd division, these young men have really put in a tremendous effort are to be congratulated on their achievements. Unfortunately the boys went down 3-2 in the GF but with this experience and the improvement in this team over the years they won't be far away again next year.

Our small sided teams finished the year with Gala days at various venues and our U11 Blue Side made it through to the Semis of the plate which was a great experience for the team as they go onto the big park next season.

Many thanks to all of our hard working Coaches, Managers and Volunteers we really appreciate your efforts and it is wonderful to see many of you involving yourselves in your children's sport. A huge thank you to our Executive Committee of Linda and Ralph Martin, Travis Maddick, David Hamilton we were also supported by Linda Maddick.

In closing I would like to thank you all once again and say how much I have enjoyed being president over the past three seasons. I have met many new friends and have really enjoyed watch our great Club grows. I will be standing down this year but you will still see me here and there so I would like to wish the incoming Committee and all of the Club great success next season. I would also like to invite you all to our Annual General Meeting to be held at Ingleburn RSL on Monday the 10th of November at 7:30pm. If you are interested in helping out in any form please make sure you come to that meeting and put your hand up!!!!

I'd like to congratulate the team on a great year of soccer together. Saturday couldn't come around quick enough for some and it came with a mix of wins, losses and draws and what an enjoyable season it was.

During the year great improvement and progress was shown at each game by each player. The teamwork and spirit, knowledge of the game and individual skills got better and better.

Everyone got along well and became a great little team. It was a pleasure to see and worthwhile watching them have fun and see the smiles and determination on their faces.

Thanks to all the parents, in getting your young socceroo to training and more importantly to games on Saturday.

Looking forward to seeing the boys back in 2015 and enjoy your summer break

Congratulations to ALL the boys (Angus, Brody, Eamon, Ethan, Mark, Maroun and Rishab) from Ingleburn Under 6 Green team. None of the boys had played much prior to this season but what they lacked in experience they made up doubly in excitement, enthusiasm and a willingness to listen and learn at training and on game days. Every single player brought to the team a unique set of skills and I had a great time coaching the boys with the exception of my own falling over at training which seemed to have gained the most laughter all year.

I would like to thank ALL the parents, grand-parents, aunties' uncles and everyone else who made this year possible by bringing the boys to training and games and also taking turns at washing shirts, supplying chocolates and chips, setting up seats and helping with training and subs on game days.

Thanks to the Ingleburn Eagles soccer club and committee for all their help and advice with a brand new team.

Finally, this team could not have functioned so well without the best manager I have come across in my 11 years involvement in Macarthur Football. Mark Magro – YOU ARE THE BEST!

We had a great year. We had every player at training every week barring illness or holidays. However without a shadow of doubt season 2014 was a great year for U6 Silver. Every player improved their skill levels and game play. This was done through practicing hard both at home and at training. They are a great bunch of players and it was a privilege for me to be involved with the players and their families. Every player had a great go and we improved as a team as the season went on. In the second half of the season the team started to pass to one another which was a joy to watch. I must also note that the families of the players were excellent and created a great atmosphere for the players to have fun and learn to play soccer.

Dylan Fernando: First year for Dylan. He really started to pick the game up near the end of the year. He was an effective defender who played and trained with lots of energy. Really improved his dribbling and control over the season and will continue to improve and start harass defences over the coming years.

Zach Hutchinson: No one on the team trained harder than Zach who gave 100% effort all the time. Zach improved as the year went on in attack and defence. Has a cracking right foot and improved significantly with his left. Defended strongly all year and did it all with great enthusiasm

Christian McManus: Also his first year of soccer he improved all year and finished the season with on high by scoring his first goal. Christian was full of enthusiasm and brought a joy to our team which I found encouraging. Christian will become an effective player as he continues to play and to practice.

Jonathan McManus: is a tradesman like player who works hard and effectively in attack and defence. He has a natural inclination to defend and was a very effective defender throughout the year. Scored a few goals this year and loved to come to come forward. Jonathan's skills improved this season and will continue to do so.

Sienna Merlino: This girl loves her soccer. She brought a joy and energy to our team that all appreciated. She developed hers skills throughout the year. She also has a natural defensive inclination but did manage to get down the field and score a few goals this year much to her

father's delight! As Sienna grows in confidence her skills will become more evident and she will trouble many a defence over the years.

Jude Watson: Our most competitive player – I blame his dad! Also in his first season he more than any other in the team had an attacking inclination which meant he scored many goals with both his left and right foot. He improved his ball control over the course of the season and as he improves his passing will become an even better player.

Overall we had a great season together. Thanks to the parents who were consistently helpful, positive and supportive through the season. Also thank you to the Eagles club who are a very easy club to play for. To the U6 Silver I say thanks for the season and all the best as you continue to play the beautiful game.

It was a fun season had by the Under 6 Whites. This was our second year in the Under 6's for half the team from last year (Evan, Nikhil and Ryan) and we were joined by 3 first timers (Miya, Jemima and Lachlan). The skills of all of the players have come a long way since our first training session. Evan and Nikhil were even making up their own set plays and scored some great goals from some of them.

I would like to give a very big THANK YOU to Kala for managing the team this season. You're organizing of the monies and paperwork along with the Under 6 White Facebook Group was very much appreciated.

I would also like to thank Rod and JP for standing in and coaching the team on the few occasions that I couldn't make it.

I hope everyone enjoyed season 2014 as much as I did.

The Under 6 Gold team goal for the year was to HAVE FUN!!!!!!With most of the team in their 1st year of playing soccer, the girls and boys turned up each week full of enthusiasm. As we reflect on the past year, it was incredible how these 6 players bonded in a team environment. They learnt ball skills, sportsmanship, teamwork and rules of the game. They all gained confidence as the season progressed. All 6 players were extremely well behaved and disciplined. We have won majority of our games.

Xavier O'Neill – *All Rounder*. A good all rounder who played many games in defence contributing to our wins. Made many great contributions in attack and defence and scored many goals. He is strong, fast and always keen to chase the ball. He has saved many goals and supplied some fantastic passes to his team mates.

Zoe Talau – *The quiet achiever*. Zoe was always keen at training and developed a powerful kick. A great listener who always followed instructions. Zoe's skills improved as the season progressed and is a good midfield player. Always ready to chase the ball.

Eva Avila - *Our smiley player*. Eva is always happy with a smile on her face and keen to tell jokes. Always keen at training and this effort contributed to her development of her soccer skills. Eva was always busy on the field looking for the ball. A fantastic team player who could hold her own amongst the boys and not afraid to tackle for the ball.

Jesse Naidoo - *The serious player*. Jesse is a whole hearted player in attack and defence. Jesse loved being part of the team and had a great year. He scored over 40 goals (a tally he kept).Scored many of the goals from halfway with his powerful kicks. He always plays with passion and spirit. Has also learnt to use both feet to score.

Isobel Ward – *Our Happy Player*. 2nd youngest player in the team. Quickly learnt and developed good kicking skills and ran hard for the ball. Always very pleasant and played with a smile on her face. Isobel's skills improved as the season progressed and she gained confidence to a point where she was not afraid to tackle the boys.

JovoneSmall - *Teenage Mutant Ninja*. Our youngest player. Had a great introduction to soccer. Jovone's skills and confidence improved as the season progressed. Has good speed in full flight and will develop into a good soccer player next year.

It has been a pleasure watching each player develop as an individual and learn about team work. Thank you to Sidney (Manager), parents , grand -parents and family for assisting and contributing to an awesome year. Thanks to the loudest cheer squad who cheered the team on match days

2014 was a wonderful season for our team. We had a couple of new players; however this did not show on the field. I think our players are on their way to becoming tomorrow's superstars, both on and off the field. With a relatively large team we had to give everyone a go and sometimes this necessitated frequent substitutions. With wonderful side line support and juicy oranges during half time throughout the season, our players had fun, showed skill and improvement and no doubt made new friends. I would like to take this opportunity to thank both our coaches and supporters for their continued support and dedication towards our young team.

Darcy – Great defensive player. Always gives 100%. Fantastic defensive clearances during the year and loves a good slide tackle.

Kunaal –Great positional play and loves to get forward. Has developed his skills this season, loves to celebrate post games.

Mitchell – Great attacking player with excellent speed and a long range goal scoring specialist. Top goal scorer for this season.

Nikhil – Reliable and steady all-rounder (provided he has his tea at half time). Controls the ball well and showed some nice tricks this season.

Rehaan – Steady up and coming midfielder. Very determined player with good tackling ability and loves to win a tackle.

Tristan – Talented player who loves to play fullback. Has developed good pace and skills over the season.

Our team played all games in good spirit and was well supported throughout the year.

A huge thank you to our parents, throughout the year you have created a positive environment that has encouraged our player's development. Without your support our

Young boys would not have been able to develop themselves and their friendship as much, which I hope will last a long time.

The inaugural year of soccer for many in the team, including the coach, produced many epic games and truly memorable moments. 2014 was very entertaining and enjoyable, I couldn't have asked for a better team.

A huge shout out to Bohdi and Kristy for all your help this year.

Milan; our star midfielder, who stifled countless attackers and often set up the offensive counter attacks. Not without his fair share of boot troubles. Of note was the total blowout of his right boot, hastily taped up for a return to the pitch.

Aryan; another key player in the team, whose technical skill and speed bagged numerous goals for the Eagles, his trademark celebrations were always a highlight! Very enthusiastic even when he played for the opposition, scoring against his own team, with notably no celebration.

Aaron; played all positions in every game, relentless in his quest to get possession and score. You could always count on Aaron being on the ball. A true all rounder, who scored and saved many goals. One of the most notable was the chip shot from half way that slammed into the back of the net, stunning everyone.

Dilnoor; unassuming and reserved, but ever so present on the field. Always a pleasure to watch, his goal against Harrington, was my favorite of the season. He has developed a lot throughout the year.

Noah; a stalwart defender who cleared countless attacks, prevented many goals and often set up the counter strike. Arguably he has the biggest boot on the team, for which his team is grateful,

Mohamed; impressed everyone with his speed and ball control, he scored plenty of goals this year, three in one game, if I recall. Known for his ability to keep possession while breaking through to make runs on goal.

Gordon; my son, often set up the team for a counter attack, a real team player who was happy to be part of the team, even if he didn't always like the coaches directions. Highlights: making shadow puppets, kicking up dust clouds and the occasional folding of arms in defiance of coaches directions.

This season has seen the members of Under 7 Gold grow and learn many new skills together. Aiden, Josh, Tamati, Camryn and Jordan have won 16 games and experienced just 3 losses all season, with very few goals being scored against them. Their success has come as they improve their passing and combinations in the game.

These little athletes have outdone themselves with each finding their niche within the team.

The 2014 U7 Gold Earth players are:

Jordan Lloyd – It took Jordan a few matches to gain the confidence we now see in him. Jordan arrives at training and every game with excitement and energy, and enjoys being on the field and passing the ball around. He came so close on a number of occasions to scoring goals, great effort!

Joshua O'Neill – This little pocket rocket loves scoring goals and playing each week. Working with his team mates and passing the ball Josh has further expanded his ball skills this year and is already looking forward to the season in 2015.

Aiden Richardson – This dynamic soccer player has the whole field covered. From attack to defence Aiden uses his speed to outrun the opposition and shut down opposing goals. Sharing a passion for the game Aiden and his team mates enjoyed playing this year.

Tamati Robbins – Tamati (TJ) is relatively quiet on and off the field but possess wonderful ball skills and good speed. TJ always tries his best and provides good support in attack and defence in the mid-field which teamed with his big kicks makes him an asset to our team.

Camryn Winter – Whilst Camryn is the only girl on the team she is a force to be reckoned with. She has a powerful kick and is not afraid to tackle boys on the field. As the season progressed she became more and more comfortable and came out of her shell on the field helping to lead the team to victory.

I wish all players a wonderful off-season and look forward to seeing all the children playing and loving their soccer again next year!

Thank you to the U7 Gold Coach Darren for all your efforts and to all the parents for bringing the children to training and the games each week. Without you cheering from the side line each week and your commitment our team would not be nearly as successful.

The **U8 White** have performed well this season and have really improved.

Most boys came into this season with basic knowledge and skills of the game. Through a mixture of repetitive and fun drills, the boys developed their skills to a point where they started to introduce them into game day situations.

As with most 7-8- year olds, distractions and short attention spans are at times challenging, but over the course of the season these became less so. It has also been a challenge, but seeing the development and notably the enthusiasm the boys have displayed has given me a buzz.

Friendships have been made, lots of goals kicked - The looks on the boys faces when they get a goal has been fantastic to watch! We hope they continue on an upward path of development through their years.

Special thanks to the parents for their enthusiasm, after some early starts on Saturday mornings and cold training nights!

2014 was a great season!!!

Under 8's yellow saw the merger of two teams from 2013 to make a strong side for 2014 with only one loss all season! My team played awesome games of soccer this season with playing different positions on the field to being a goalie for the first time.

Training is a big part of the game and I wanted my team to focus on passing the ball, individual ball skills of defence and attack and like I told my team all season, 'anyone can score a goal, it's how it gets there that counts!' My team delivered this on several occasions as I saw 5 to 6 pass combinations to get a goal.

Well done to my 8 'SUPER STARS'; Tenaya, Lachlan, Madison, Cooper W., Nathan, Simon, Cooper H. and Elijah for their determination and sportsmanship. Each week they gave 100% on the field and it was a pleasure to coach a great bunch of kids!!!!!!!

Huge thanks to Charlie for being assistant coach this season! Your help with Thursday night training and your support on Saturday game day was appreciated. Having you on one side of the field whilst I was on the other side to encourage the team with your personal 'rev up' was the best!!!

Massive thanks to Linda for being manager this season! Your help was appreciated. You made the season very easy for me, especially Saturday mornings which allowed me more time to concentrate on the team.

Thanks heaps Linda!!! Many thanks to the parents for bringing your child to training and games each week, your support and commitment was greatly appreciated!!!

Liam – came into the team as a first timer and took a liking to the goalie position which was a first for us! With more practise and more games under his belt Liam is going to take off next season – just make sure you consistent with your appearances 😊

Shyam – Returned after being MIA for U8's. I still don't think Shaym knows which his better foot is... left of right! Keep using them both son and you'll be a star one day! Always had a smile on his face and a great role model for his younger brother – make sure you spend the off season playing soccer in the backyard with him.

Kurt – Little Speedy Gonzalez had another big year cleaning up much mess from the back and breaking into attack. Known for his 100% commitment on the field a fine example for all to follow. Communicating with his team mates and directing play is the next step in Kurt's destiny to become the next Ricky Ronaldo of Eagles lol

Paul – Heaven behold he has learnt not to dump his water bottle in random locations pre game 😊 Power and speed of a player beyond his years the future looks bright indeed if he keeps working hard. Scored a few crackers and chased down many an opponent with last ditch tackles. Tell your dad to take you with him to golf and kick the balls to the hole along the way!

Wil – 'Big Willie' as I love to call him just won't stop growing. Destined to be a 7 foot monster. Wil smarts have really improved this season – loves to stop the ball, look up and find a teammate. That's all we want to see in this age group – the thinking – the doing will come in time! Use that big patch of land to kick the ball around in summer – you might need to picky back the old man out though if you need company 😊

Rhys – My little mate. Once again I could write a page on him. Rhys always knows exactly how long every player has been on the field and is always the one 'who is on the bench the longest' Rhys once again had a heart of a lion and is a ferocious opponent to deal with – scored many goals through sheer passion of just wanting it so much! Don't worry about league Rhys! It's for bogans 😊 and soccer players make more money too!

Anton – This little Wanderer wannabe must have been dating the woodwork this year he had so many shots that kissed the bar or the post. Continues to improve and understands

the game very well for someone so young – lucky you have a budding Tony Popovic as your coach ha-ha Anton my son you need to realise as much as you love soccer it is just a game and having fun is more important than winning.

Max – Always smiling, always listening and always running. That's what we want our kids to do and Max is a wonderful spirit. Want to see a bit more of the Balkan passion that his old man has and Max could turn into a budding superstar. Keep up the training in the off season Max!

Ekam – shy young man who came half way through the year and improved each game. Played up in U9's but didn't worry about some of the bigger kids running around. A great listener to the coach and hopefully the others can follow suit and listen as well!

Ben – Mr Commitment! Will be at training or the game if it was 60 degrees or minus 30. Is harder on himself than any other player and is the reason he is so well liked in the team. Always maintains high standards for himself and others. Gets the team fired up and without him our side loses its soul! Well done Ben you are an absolute pleasure to coach 😊

Special thanks to all the parents to all the commitment shown all year; great turnouts for training and games.

Also to my partner in crime the team manager Neil, always good for a laugh, always good for a chat and gave me some cracking advice about wearing shoes. Wise man. I hope we grow old together losing our hair dealing with the stress of kids chasing the ball now and chasing skirt later in life. Seeya next year buddy.

Looking forward to seeing everyone back!

NICK

And now for the managers comments...

We had a great season compared to the previous 2 years. Only a handful of losses but our bogey team is still Narellan.

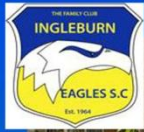

It's also great to have a great bunch of parents following our kids. I think we enjoy each other's company just as much as we enjoy the soccer. Our yearly catch up at the RSL is now cemented as a 'must do' every year.

Nick, Hats off to you!!!! You guide our kids extremely well. And I look forward to many years to come.

This season we had a few new players to our team. They worked very hard and by half way through the season they were all working together as a team. We would like to say a huge thank you to all parents and family for a great season of soccer, we may not have won games but our team never gave up. We are super proud of you all.

To our new team members Isabella , PJ, Paige, Liah, Taimoor &, Patrick a huge congratulations to you all. You were playing against some kids that have been playing for 5 years and you played just as good and never gave up. Hope to see you all back next year.

To our returning players Cameron, Navtej, Joshua, Brendan, Tamara, Alyssa and CJ **WOW** what an amazing season you all played. Thank you for helping with our new players, you all are such a great team showing team spirit and support for your fellow players.

Brendan – Always gave his best. Brendan played in many positions this year but his favourite was centre back which helped our goalie. All round good little player

Cameron- Team player. Wears his heart on his sleeve. One of our most passionate players. The team could always rely on Cameron to be the driving force.

Josh – The Goalie. Always tried his best. Very passionate player. As much as he loved being goalie he also loved to score goals. Great little player

Isabella – Improved the most throughout the season. Always liked to take the boys on at their own game at training and at the games. Had a great season for her first year at playing.

PJ – The Striker – improved as the season continued. Was always willing to take the boys on at training and the games. A great team player who the team responded to well.

Paige – Improved as the season continued. She enjoyed having a chat on the field with the other girls but also knew when she was needed. A great team player.

Alyssa – Always gave 100% at training and at the games. She began to gain more confidence as the season progressed. A great team player.

Tamara – Always gave 100%. A star of the future in the girl’s teams. A very tough and reliable player.

Patrick –Improved as the season progressed. Could always count on Patrick being where he needed to be.

Liah – Improved as the season progressed. Was small in stature, and took some knocks during the season and never took a backward step from the bigger players on the opposition teams.

CJ – The team’s energy seemed to build when CJ played. The players fed off him and in turn played to their potential. Was a pleasure to watch.

Taimoor – Great player. Gained confidence as the year progressed and helped the team play to their potential.

Navtej – Great player in his 2nd year of soccer. Gained confidence as the season progressed. Always willing to take on the other teams.

This year we were lucky to have a squad of kids made up from our existing players and new players that always enjoyed playing their soccer.

It was a pleasure to watch all the players improve greatly throughout the season and come to have a better understanding of the game.

Season highlights were when we played Bradbury for the second time after being beaten the first time 7-0. Our guys came out and played their best game so far in the season to lead 2-0 at half time before conceding 2 late goals in the 2nd half when tied for a 2 all draw.

Another highlight was our guys playing in the Gala day plate semi final where they played their best game of the season to finish off with a 1 all draw after leading most of the game before we were unlucky to concede another late goal and narrowly went down on behinds.

We look forward to the transition to the full field next year and hopefully another good season. Sadly next year April won't be able to be part of our team and we wish her all the best in the future.

Congratulations on a great season guys!!

What a season! The team was made up of a majority of last year's team and a few new players who most already had friends in the team so it didn't take long for the team to bond, but our first year on the full sized field would still prove to be a challenge.

We had a shaky start to the season, not able to find a win but coming close every game. When we finally got our first points, confidence was up and we looked unstoppable. We got on a roll and we started beating even the top teams, we even looked finals bound. Unfortunately our fairy tale run came to an end falling a few points short at the end of the season.

From goal stopper to goal scorer, every player played their part in the team so well and played their appointed position outstandingly (when they didn't wander elsewhere) and made it their own and were able to slot into any other position when needed. Each player had several of their own brilliant and outstanding moments throughout the season that lifted the team. As the coach there was nothing better than to see the team happy and playing well together and like that we were unbeatable.

The season was definitely made easier by Charlie who got the boys fit at the start of the season and helped with keeping them under control when needed. Ben was also a big help throughout the season being my offsider and played a big part in our victories. There was also Rachel who as manager did all the boring stuff that made the season run smoothly. Thank you to all the parents for making the year so enjoyable and for all the help and advice throughout the year.

It would be great to see the whole team return next year for what I am sure will be an even better year.

First the important things – This year was a personal best – 3 high quality hoodies, 2 nice drink bottles, and a watch. St Vinnies will do well from us. I fell into the coaching role this year, we needed to start training and no one had volunteered so I started running training Tuesdays and Thursdays ... and no one stopped me! I couldn't make all the games on Saturdays so I would like to thank Scott and Paul for regularly running the games on weekends – they did a great job.

We started the season slowly – a big loss first up, and some other poor results. The rain slowed us down as it stopped training and games. However we slowly improved throughout the year and ended up not losing a game for the last 6 rounds including a 0-0 with Bradbury in the last round which was their only non win of the season. I think our improvement can be seen in our results; from the first round we got 13 points, and from the second round we got 21. For me improvement is the main goal and we improved as individuals and as a team and for that I am very proud of the boys.

We went out on penalties in the elimination final. The boys played their hearts out all day and were much the better team. That's football. I must comment on officials who acted like morons by physically blocking the boys getting a drink before extra time and at half time of extra time. I know it's the rules but it was hot – and they even let them get drinks in the world cup! Just lucky no-one was seriously hurt. A very disappointing result in the sense that it seemed unfair but I could not fault the effort of the boys.

A few things to note;-

The boys trained well and keenly. Twice a week in the cold with 8-12 boys of out of a possible 13 each session shows such dedication. They trained with intensity and all improved from week to week. Exercises that took ages and were slow became quick and crisp within a few sessions. Well done to all those who showed up regularly and put in ... You made coming to training worthwhile.

In my world there are three awards:

Most improved – can't split between Luke Williams and Anarug Dhar. Both worked very

hard at training and in the game. Luke moved from being a player I needed to try and hide to a being a key player to our great second round improvement. Anarug, started with lots of pace and added to that dribbling and shooting skills, scored a great goal in the final which exhibited skill and positional awareness.

Team Player – can't split this one either between Sean Singh and Luke Reynolds. Sean did everything that was asked of him without complaint and with lots of skill. Always worked hard in attack and defence. Ran himself to a standstill in the semi-final. Happy to be your coach Sean. Luke brought a work ethic to our team, every game he ran to he was spent and then ran some more. Defended really well and did all that was asked with maximum effort and no complaints. This was a hard award to choose as this was a team of hard working team players who did all with little complaint.

MVP – Amos Watson contributed intensity to our team particularly at training. He showed skill and composure every game, scored a few great goals from free kicks, and was the most consistent player at getting up and back. At training he set the bench mark for effort and brought an energy that was infectious.

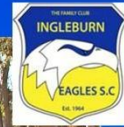

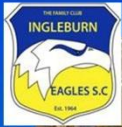

To all the players thank you for the season. After that first game (a 7-2 loss) I was worried it was going to be a long season. But we grew in composure and skill and ended up being very unlucky not to go a lot further. Team if you want to improve then work on your first touch (or as I said several hundred times – control) the quicker you have control of the ball then the more time you have to make the decision of what to do next – that means juggling and kicking the ball against a wall and controlling it.

Parents ... thank you for your support and for bringing the boys along, I hope you enjoyed watching your sons improve as much as I did. The thing that needs to be worked in general for you is getting to the game on time. As of next year the boys need to do an injury prevention warm up as well as a ball warm up so it becomes vital for health as well as playing that the boys are there early.

A special thank you to Fiona Henn who was a terrific manager – and by terrific I mean all the paper work was done and she was very supportive and encouraging. Running a team is hard work and this team had a great team running it – so if you didn't have many hassles this year this is because of the 4 or 5 people who worked consistently hard throughout the season.

Sadly another year has gone and unfortunately the boys have again missed a golden opportunity to make a Grand Final.

For the first time in a few years we only had one side for this age group and it bought together a mix of boys from Division 1/2 and Division 3 as well as some boys that had never played soccer before.

We had no GK, but one of our new boys, Zac Dunn volunteered for the role and took to keeping like he'd been doing it for years. He certainly saved our backsides in some games.

The middle part of our season was difficult as 3 boys were struck down with some serious injuries that left our side short on experience. A big thank you must go to Billy Emmett, Amos Watson and Luke Reynolds from the U/13's who filled in during this period, usually backing up after playing in their own games. Travis and I, along with all the boys appreciated your efforts.

The boys finished the season in 2nd Place and when we were switched on there was no better team.

Travis and I pushed the boys hard at training and even harder during the games, and they were rewarded with 2nd spot and a second chance in the finals, which ultimately meant nothing with the wet weather that affected the competition.

Our semi-final loss by penalties was very hard to take and an opportunity again missed to finally make a Grand Final, after a fairly big spray from the coach at half time the boys responded and showed great heart and fight to fall just short. The effort during the game and indeed throughout the entire season cannot be questioned.

A big thank you to Simon Dunn who turned up to training each week and chased the boys stray balls all night. Thank you to all the parents who braved the winter evenings at training and the cold mornings at each game and for allowing us be involved with a great bunch of kids.

A massive thank you to Travis, for all your support throughout the year as manager, and for offering me the opportunity to be part of the side as coach.

To all the boys, whilst the end to the season was disappointing, you should all be proud of what you achieved this year. We pushed you hard and you responded each and every time. We hope that you all come back next season as we move up to Division 2. For those that aren't coming back, we wish you every success in whatever you may choose to do and know that you are welcome back if you ever change your mind.

Congratulations to all of you on a fantastic year for 2014.

We lost a couple of players at the end of last year but the two we gained, Daniel and Pranay, more than made up for it. It was impressive to watch how well you all came together and played as a team.

The competition started with 10 teams but by round 10, it had been reduced to 6 teams due to regrading. All our old foes were still in there , Uniting Church , Narellan and St Mary's plus a Camden team consisting of rep players.

For the first 9 rounds , we played some excellent soccer. The boys were playing well as a team, scoring some great goals and playing with enthusiasm. We beat our hoodoo team St Mary's, convincingly, for the first time in about 8 years. We found ourselves 3rd on the ladder and only 1 point behind the lead, with 7 wins and 2 losses. At this stage the competition was reduced to six teams.

Over the next 5 rounds we did not perform very well and by round 14, we had slipped to 5th on the ladder. From the 5 games, we had 1 win, 1 draw and 3 losses. There was now a real possibility that we could completely miss the semi finals, for the first time ever.

The boys were well aware of what was required and the effort it was going to take, over the last 5 rounds to make the semis. No losses, would not guarantee a semi spot but it would give us every opportunity.

Round 15 saw us draw with eventual premiers Camden. Round 16 and round 17 were wins against Uniting Church and Harrington. We were now in equal 3rd spot, with only 1 point separating 3rd, 4th and 5th place.

Round 18 was against Narellan. The winner was guaranteed a spot in the semis and the loser would bow out for the year. This was the most frustrating game to watch. We absolutely outplayed Narellan and hit the post, on no less than 7 occasions. The final result a nil all draw.

Our year would come down to our last match against St Mary's. If they won, they would be premiers. If we won we would make the semi finals.

I was left totally amazed by the way you boys performed in this game. Your commitment, enthusiasm and teamwork blew St Mary's off the park. It was obvious that you wanted to make the semis and you deservedly did, winning 2-1.

The normal semi final scheduling was changed due to rain, so we were now only 1 win away from a grand final spot. Our old nemesis, St Mary's, once again stood in our way. Unfortunately for them, we were on a roll and nothing was going to stop us from making the Grand Final.

The game started at a frantic pace and we were soon up 1-0 after some fine finishing from Daniel and it stayed that way until St Mary's scored a lucky goal midway through the 2nd half. As always, you boys picked yourselves straight back up and got into it again.

With about 5 mins to go, St Mary's were awarded a dubious penalty which they missed. You boys once again put so much pressure on them, that they had no option but to foul you.

With 1 minute of time remaining, a great free kick from Christian, found Daniel's head and the ball was in the back of the net. We went back to half way, for the full time whistle to blow. I could only stand on the sideline, in awe, of what you amazing group of boys had achieved. You had come so far, in the last 6 weeks, not losing a game to make it this far. We were now off to the Grand Final.

The Grand Final was an unexpected one for many, with 1st and 2nd eliminated, it was 3rd vs 4th.

****Ingleburn and Uniting Church****

We knew the game could go either way and it would be close, till the final whistle.

We started 'on fire' with great lead up work, finished perfectly, by Brendan within the 1st minute. For the next 10 minutes the game was back and forth and, as he did all year, Robby kept us in the match, with some fantastic goalkeeping.....We then put another in the back of the net, only to be ruled offside. (After viewing photographic evidence later, it was clearly a goal)

Once again to your credit, you kept at it and some great footwork and ball skills, by Christian in the box led to a penalty, which he coolly slotted in the back of the net. Uniting kept coming and scored 10 secs before halftime.

The 2nd half was again back and forth and unfortunately Uniting got the better of us. By the fulltime whistle we had lost 3-2.

To our fullbacks, Alec, Savio and Makka, you boys were simply outstanding this year.

To the midfield of Keegan, George, Brendan, Pranay, Luke (our captain) and Zane, your work rate and incredible performance in the middle was fantastic.

To the forwards, Christian, Zac, Wade and Daniel, your skills and dominance up front were great to watch.

Finally, to our keeper Robby.....You had an amazing year and pulled of some spectacular saves. To all of you as a team..... congratulations on your achievement this year, it was the most incredible year.

To the parents, thank you once again for your support , which helped us achieve a Grand Final spot.

To our Manager Sandy..... Thank you so much for your commitment and assistance throughout the year.

To John, I really appreciated your assistance and the enthusiasm you brought with you.

Special mention to Keegan, who will receive his 10 years service, congratulations.

To Zane, all the very best from the team over the next few months... I'm sure all will go well and we wish you a speedy recovery.

I know some of you are going to move on to other things next year, or bigger and better things and I wish you every success, in whatever you do.

It was a privilege and a pleasure to coach each and every one of you over the many years that we have been together. I am proud to see you all mature into the young men you have become. Good Luck to you all.

	Gaurav Devarkonda	Josh Bolomey	Neacail Dhungana
	Lachlan Reid	Hasib Hassan	Justin Edwards
	Aidan McDonagh	Luke Roseman	Michael Pace
	Radith Khan	William Taylor	Adam Maxwell

This year we had a squad of 15 players, which included 10 from last year and 5 new players that joined the team which included Danyon, Hammad, Jigs, Hasib and Luke.

We had a very slow and shaky start to the season until they split the competition; we ended up finishing 4th overall. Due to the weather conditions at the end of the season we ended up going to straight to play a Grand Final Qualifier against Minor Premiers and Grand Final winners Tahmoor, only losing 2-1.

Danyon Kennedy (1) – The best keeper in the competition for this year! Danyon made at least 60 saves, possibly more, including saving 2 penalties. He was voted the best player in the team.

Hammad Quershi (2) – A mid-season recruit, found himself straight into the starting side playing right back, a very quick and smart player.

Jigs Sharma (4) - Unfortunately fractured his arm at the end of the season and was ruled out for 7 weeks. Jigs is a great player with a lot of pace, which he used to rove around the midfield and forward line.

Gaurav Devarkonda (5) – A versatile player that would play anyway I needed him to play. Always did his job no matter what the situation was. Gaurav scored his first goal in the grand final qualifier.

Josh Bolomey (6) - Started late this season but when he returned he slotted back into his left back position, and would never let me down and always had the big kick on him.

Neacail Dhungana (7) - Most improved player from last year, Neacail got quicker and had fantastic ball skills, always great to have him in the side.

Lachlan Reid (8) – Played on the right hand side rotating and always reliable, playing his position well. Lachlan consistently put in 110% in every game and at each training session.

Hasib Hassan (9) - Controlled our whole side in the midfield every game. Scored a few goals for the season and would always listen, striving to become a better player.

Justin Edwards (10) – the leading goal scorer for the team with 15 goals including 5 in 1 game!!! Had everything a great striker needs including pace, fitness, ball skills and shooting accuracy.

Aidan McDonagh (11) - Captain of the side and did a great job of it. Best player in the whole competition this year. Would never give up on himself or the team, he would lead by example and scored 14 goals for the year!

Luke Roseman (12) - First year with the Eagles and what a great player with a very dangerous left foot, always giving 110%. Had a back injury for most of the season but he would never let me down, always wanted to get back out on the field even when he was injured.

Michael Pace (13) - found himself a new position playing left midfield, was fantastic down the left side. Michael scored a last minute goal from a corner to draw 3-3.

Radith Khan (14) - played centre back for the year and took a massive role controlling the game and telling the players where to be and encouraging them always.

William Taylor (15) - always did his job as sweeper and no one could get past him. Have to go close as the best defender in the competition. Broke his finger at the end of the season and had the coach stressing out for the finals which were coming up. William ended up missing 2 games and came back and showed how much we missed him as sweeper.

Adam Maxwell (16) - Adam is the type of player everyone needs in their team. His funny, passionate about his soccer and he would do whatever was asked for him to do. Played striker all year and even scored himself a goal. Loves his FIFA, Wanderers and Tigers.

Suzanne Taylor (Manager) - as a coach I always need a great manager and it takes most of the pressure off the coach. Suzanne was unbelievable this year collecting match fees, photo money, writing up the match card each week, give out any information to the boys and organised the end of year party to Go Karting for the team. Hopefully Suzanne will be back as Manager for the 2015 season for the 3rd time.

Ashley Carre (Assistant Coach) - couldn't make trainings due to working Wednesday nights but was there for the games and would always calm the coach down after he would give it to the referees for making the wrong decision again!!!

Also I would like to thank **Dane Taylor** for helping out when I was unavailable and his half time speeches to the boys were fantastic and very passionate.

Thanks to **Phil Roseman** for supplying the team with the sports tape for the year for the boys' socks and boots.

Boys, Parents and Families this would have to be the best year of my life, watching the team train and then compete against others teams, always put a smile on my face. They are a great bunch of teenagers and I would do anything for them. Watching Parents on the sideline, it was obvious the pride they had for their son on that field and the team.

I want you guys all back next year all in the same team and we are going one step closer each year!

When Michael Everett asked myself and Linda to take on the role of Coach/Manager after 6 weeks into the season, I was both nervous and excited as I had never really followed soccer, let alone coached, and had only ever been involved as a spectator watching my son play for many years.

My job was made easier with the help of some of the more dominant boys in the team who took on the leadership role at both training and the games.

You could not ask for a more enthusiastic bunch of boys than the 16/2's. We trained 2 nights a week, but that was still not enough for some of the die hards' who would have been happy training 5 days a week. With 17 registered players in the team, each week was a task with subs but the boys did a great job in slotting in where needed.

We were unlucky with some games, with the opposition just being better on the day...Our hopes for semi's were kept alive when we realized that the first 5 teams went through, but unfortunately it wasn't meant to be, with us just missing out on 5th spot.

I would like to thank each and every one of the boys in the team for their friendship and support. I would also like to thank the parents who came along every week to support the boys in rain, hail or shine...

Another thank you goes to Tom Thai who helped me at training, along with Linda Minton who managed our team.

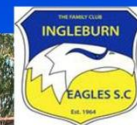

A big thank you also goes to Anson Gilligan who once became available, was able to take on the coach role towards the end of the season. You don't know how much relief this was for me.

I know you all would have liked a better result at the end, but I hope you enjoyed the season anyhow. Just remember, there's always next year !!!

Well another season comes to a close and our boys just fell short of the semis where everything hinged on our last game. If we won we go through and if we lost, the season finished early unfortunately the latter happened and we had to miss out. That being said this was the 1st year for many of these boys in 1st Division and our main goal was to be competitive. We were far more than competitive and really gave the top teams a huge run for their money!! The season started off slowly for us with some new combinations we had a new striker, a permanent goal keeper for the 1st time in many years and a couple of more new midfielders. This and of course dealing with a 1st division comp was something that we had to adjust to and 2 straight losses were hard to take. The boys got their 1st points via draw with Cobras in which we knew ourselves was one of those games that got away after leading. These draws were to keep coming which was a little frustrating for the boys as we were leading most of them to only let in a draw towards the end of the game.

Mid Comp we signed a new sticker which immediately netted us our 1st win and lifted the confidence of all the boys. We were to get 4 more wins this season falling just one win short of the semis. We were kept goal less in only two games all year which highlights the team's ability to score goals and their competitiveness. This year we scored 48 goals which was the most for the Junior Club.

On a personal note I have had the most enjoyable year coaching these young men. We had a lot of fun combining the serious side of our football with the messing around during training and on our team communication page!!!! These young men are a fabulous bunch of guys whom their parents should be extremely proud of and it was a pleasure getting to know them. I don't want to single out any one player as the team improved across the park as the back end of our year proves.

I would like to thank the players, parents and supporters of this team, we really had an awesome year. I would also like to thank my wife Janice for being Team Manager and washing the Jersey's every week, filling out the team card and getting our son out of bed every week!!! I'm sure every parent had to deal with the son in bed issue but adding this to

the role of manager doesn't help!! I would also like to thank the other parents that helped out throughout the year Jimmy and Adam thanks heaps boys!!

Finally as our young men are growing up so fast I would like to wish them all the very best for the future most of them are doing their HSC over the next few years and whether they come back to the Club or not it has really been a pleasure for me getting to know you all and I hope you do well in your lives!!!!

What started as a quest to win back our place in the M League more resembled a bad episode of MASH for much of our season. Starting the year with a small squad proved tough mid-season with a long injury list meaning we couldn't settle on a regular line-up. Despite this, we managed to get to the semi-finals but couldn't capitalize on a good last round and gain a berth in the Grand Final at Wests with our semi against St Marys proving to be a very tough day at the office!

I was pleased to see some new faces at the club this season. Jack Byrne came over from Revesby Rovers and was our most consistent player, covering most positions across the back line (including one memorable game in goal!) and won our coaches award for his positive attitude both at training and on game day. Some of our other new players were the boys formally of Eschol Park, Tommy (Player's Player Award) & Jimmy Atsanani, Alexei Murani, Kenny Thongteeka and Krishal Kumar, as well as our Goalkeeper Darian Craig and Daniel Bakijovski. All of these players proved to be great assets to the club and we hope to see them in the blue and gold next season!

Credit also to those who returned from the tough M League campaign last season; Matt Conroy, Mitch Roach, James Staines, Jamie Alcade, Kurt Oliver and Luke Oakes. The great shame of the season was losing our skipper, Roachy, to a knee injury but Luke really did well stepping into the Captain's role for the second half of the season. Final mention goes to Ricky Marrett; he had a lot to prove this year and certainly surprised a few of his critics. A couple of stunning goals as well as a season with no yellow (or red) cards left us proud to award him the David Laukaitis Award for this season.

Final thanks to the long list of guys who helped us out this season, especially those from the AA/3's, proving how much talent we have spread across our All Age teams! I'd also like to thank my manager, Chris Martin, for his help this year and as always, my old man, Ian, for his eternal (but not always necessary!) guidance.

The future remains a bit unclear for this team next season but hopefully we can find a way to put everyone out on the park again and continue to strive for that spot back in the M League! You should all be proud of a great season under often very trying circumstances!

This season can best be described as a season of ups and downs. We started with a squad of 16 players and in the first few rounds things looked very promising. Then the frustrations set in. Players decided to get married, get engaged, go on overseas trips and even their wife's decided to have babies. Added to that 2 of our players decided to 'withdraw' from the team for personal reasons.

Half way through season injuries were starting to put players on the sideline and it wasn't long before we were battling to put 11 players on the field. Our saviour on so many occasions was the AA5 team – many thanks to their coach Stan Shepherd for lending us so many players during the season.

Although we were up against it for most of the second half of the season the guys always showed the Eagles spirit and held their heads high and continually put in the extra effort. I recall one game where three of our players took the field injured and by halftime Dean and Matthew retired leaving us with 9 players to finish the game. Typical of the spirit that the guys have for the game. After all the adverse events we were always only 1 or two wins away from the play-offs.

Because of the dedication that all of the guys showed during the season it would be a bit unjust to single out one player that continually put in each and every game – that is Michael Jensen. Top effort Michael.

All in all, for the players that were able to get on the field – a great effort by everybody.

Thank you to Clayton Wood for his role of Captain/Coach – although trying to work out who was playing in what position depended on what players turned up fit to play.

Another season gone. Unfortunately missed the finals in what was a tough competition. Probably a below par performance to be honest, given we were grand finalists the preceding 2 years. Once again we challenged the top teams, and on our day knew we could beat any opposition if we played to our potential. Dropped crucial points in games we were expected to win, and played without luck in a number of others. Injuries and holidays once again caused some disruptions throughout the season...factors I'm sure all teams face each year.

All in all glad we made it through the season with no major injuries or suspensions. I am proud of the effort from the boys which was always on display when we turned up to play.

A few new signings this year, namely Shane Morrison, Nathan Glynn, Marcus Meadows and Jake Stark. Welcome boys.

Let's do it all again next year.

Another season has already come and gone with mixed results, but we can look back with pride. We had some good wins, but more losses which didn't help the cause. We played eighteen games in total winning four and drawing three, with three of our wins coming in the last four games.

We had two goalkeepers Jay Cordeux and Jamie Dyas with Jay also playing in every other position in the team that's why he was the captain.

Our defence was made up of Dean Smith, T-JayTallar, Jason Fritz, D-Jay Rodriguez, Alex Jones and Daniel Canham.

Our midfield was made of Alejandro Banffi, Mandella Mark, David Fairbrother, Luke Wilesmith.

Matt Fairbrother, Stan Andrews and Adam Oakes were our strikers for most of the games. The team scored twenty four goals but conceded double that.

Thanks for the season fella's may see you again.

At the end of last season I predicted that the team would be restructured. As a result, a total of seven players either did not renew their contracts or were given free transfers. Our Recruitment Manager, and new player Rob Dumont, was active in the transfer market both pre season and during the season. Scott, Josh, Chris B, Sean, Matt G and Zak were expensive additions to our squad. (I hope you got your 10% of the transfer fees, Rob).

Matt D volunteered to be our keeper this year and he was great throughout the season. Our other 'Over 35' players, Scott, Richard and Praneet were consistently among the best on the field and showed that they could still mix it with the younger guys.

Early injuries to Mark B after only one game (season ending) Peter (season ending) and Matt G (entire first round) were setbacks.

The usual slow start to the season (two unlucky defeats in the first five games) meant catching the leading teams was always going to be hard. The Competition was very close, with only five points separating the top four at the end. Major highlights were demolishing the previously unbeaten Appin on their home ground, coming back from 2-0 to win against the eventual Premiers, S. Districts, who we also beat in the Semi Final.

13 wins, 1 draw and 4 losses were testament to a great season. It was a pleasure to watch the quality football played in the right spirit (no red cards again). In fact, we can go back 4 seasons to the last red.

Thanks to AA10 Blue for helping out with players early in the year. This year we always had at least one reserve, which was a big improvement on last year.

Unlucky in the Grand Final, guys. Played great, but the breaks didn't go our way. Thanks once again to Manager Gary, our supporters, the Committee and all the club volunteers.

Stan.

Another season for the AA7's eagles ended up with a year of football with its ups and downs that anti-climatically fell short of the finals in dramatic fashion.

The team at the beginning of the season was promoted three divisions up and took to the task at hand with wonderful commitment. Training and match-day attendance was at an all-time high, to the point that the squad on Tuesday nights could easily play full-field friendlies against other teams on the park who often needed fill-ins.

The competitive story however was a different animal: in the first half of the season, the Eagles had lost 5 of the 9 fixtures. It was a tough competition different to previous experiences in the AA10s where every week now the opposition would be more experienced, hardened, stronger.

Not a single game was taken for granted.

And with our player commitment to bounce back, of the last nine fixtures, the Eagles had triumphed through six of them. The games we did lose or draw, were competitive and usually on the knife edge.

This despite losing as much as six people in successive fixtures, a problem that thanks to both fellow Eagle fill-ins Daniel Holmes and Ivan Sevrovic covering as well as the hard work of those in the team who played short meant that we finished the season with heads held high: coming fifth and missing out on playoffs due to a rained-out week and a shortened finals format.

Beating the eventual grand final winners Camden Tigers 2-1 in the regular season stood out as a fine example of the potential of this team.

This year was a very enjoyable year for our team.

Just a bunch of boys who barely knew each other at the start of the year having some fun playing soccer on Saturday or Sunday.

Results were not a top priority this year. Don't get me wrong we wanted to win and we're competitive at times but it wasn't the end of the world if we lost.

The boys that hadn't played in our team before did not have a problem fitting in.

Looking forward to next season.

Well another year has come and gone and like most we had high hopes at the start of the year but most had fallen wayside towards the end...

This year we the AA10 yellow team for Ingleburn Eagles started off the season with high hopes after starting off the season with almost 19 players in the side this dropped within 3 weeks down to 16 due to work commitments... however the even thou we had this many players we still struggled to put a team on the field.. With most games just getting 11 players to the game...This lead to quite a few loses in our team as by the end we all struggled to walk off the field...

The 1 game we had a few reserves we won which even shocked the players...

I would also like to add here that the best goal of the year would have to go to a certain fullback who scored from a spot kick not mentioning anyone (Denman)!!!

But all in all we enjoyed ourselves this year whether we had 7 players on the field or we had a full team of 16 players...

I would like to thank all of those players in this side as well as Bodhi from the 17's.I would also like to thank the manager Renae for a great year. Also I would like to thank my daughter Britany-lee for helping fill in for Renae when she wasn't available.

All in all I believe the team enjoyed themselves this year

Well what a great year had by all. One of the most enjoyable seasons I have ever been associated with. We started the season only wanting to play in the 50 year club celebrations with no aspirations of winning the competition and we achieved that running 4th. But we had a great time & were more than competitive in every match mainly losing games due to lack of players (injuries) rather than being out played. Even in our last game playing Camden Tigers (who were undefeated this season) in the semi final we were in the game till the last few minutes losing 2-1. We suffered quite a lot of injuries which saw us play some games short but the effort & skill shown from our players was fantastic to be associated with. Our best performance would have to be against Camden Falcons with just ten players (two or three of those players playing hurt) we beat them 3-2 (They had 15 players). Please see below for a little run down on each player.

Steve Burnett: Steve was new to our side this year. His nickname is Burger & played Goalkeeper. He lobbed at the start of the year & we needed him badly as we had no one to stand between the sticks. He also got lobbed a couple of times throughout the year but pulled off some great saves.

Harry Gosche: We brought Harry out of retirement this season. He had a really great year scoring some great goals & able to play in any position. It was great to see him playing once again with Ingleburn

Steve (Bugsy) Alleaume: A new player to the old bangers & out of the 35's youth programme. He looked a little out of place without the relaxed stomach muscles. A late signing by the coaching staff. He put some extra speed & starch into our team & was a welcome addition to the team.

Adam Weeding: Adam was also new to us this year he is also a part of the 35's youth programme. Adding plenty of speed up front & scoring some fantastic goals this year. He was our leading goal scorer & was awarded the Coaches award this year.

Hector Cerda: Hector had an injury interrupted year missing about 6-7 weeks but made up for it on his return. A very hard working player & a great team player. I'm glad he is on our team

Kevin Brown: Kevin has played with us for quite a few years now. He is a great runner & can fill in all positions. He always gives you 110%

Steve Mondaly: Steve was new to our team this year. He also was able to play in a few positions & happy to play keeper if needed. A few injuries slowed him down but showed up & would play even with injury to help the team. Good team player

Jim McGuinness: Jim was one of my most valuable players. He came around before one of our games & fixed my tap. Thanks mate. He also was just as valuable on the field playing most of the year with injuries but I don't think he missed a game. Jims Moto is *"I'm no good but we will see how we go"*

Neil Singh: Another of the old boy's returning. Neil picked up a couple of injuries throughout the season but battled on scoring a few good goals & creating many more a great team organizer

Marcus Judge: Marcus was also a late signing topping up the team when the injuries took hold. He is also from the youth programme he is now in his 50,s but unfortunately was unable to graduate. But tells me he is OK for next year

Michael Everett: Mick was another of the young (ISH) brigade. He struggled with two bad ankles but played his heart out every game. He also scored some great goals (mostly off the back of his melon). He said he will back up again next year if he can get the hair to grow back on the back of his head from where he scored his goals

Gary Wilson: What can be said about this unique outstanding player? Can play any position, can score cracking goals, best position SIDELINE

Rod Skellern: Rod had a fantastic year. Hampered by injury but was still about the best player in the comp. It is good to have such a great defender in our team. Had a stint up front against St Mary's and was never asked to play there again after damaging the corner posts & canteen windows.

Graham Clarke: Graham has played with us for a few years now & always plays his heart out. Played a lot for us this year at centre midfield. Great passing game (Just not sideways).

Roy Reid: Roy is also one of the oldies but plays a great game. He seems to get better each year. Another great year this year & was voted our Player of the year. A well deserved winner. Congratulations

Alex Judge: Alex came out of retirement this year & didn't let anyone down. He had a great season building his fitness level up along the way. Played with a few niggling injuries but had a great year

George McKenna: Bloody George. Drove me mad trying to get into the team. Once signed only seen him play one game? George gets the Harold Holt Award.

Dave Mouat: Another of the returning retirees. Dave was having a great season till he suffered a fall & was ruled out for the season with a neck injury. Really a great shame because he was a valuable player for our team & also he was really enjoying playing again. Dave also was awarded the fall of the year for the crash into the player at Narellan. I'm glad you landed in the playing area cause at one stage I thought you were headed over the fence????

Marcello Mora: Marcello's season ended with a bad calf muscle injury. He filled in at goals & pulled off some great saves when injured he also played midfield. Sorry he couldn't finish the year maybe rest up & have another go next year.

Rod Matthews: Rod is a good player & a better bloke. He is also a great team player. Rod had a few calf muscle injuries which sidelined him for a few weeks but on return he exploded with some inspiring performances.

Well that's what he told me to say???

I would like to thank all our players for this year it was great fun. We will be continuing the tradition on next year. I will be in contact with you all regarding your fitness programme for the off season.

I would also like to congratulate & thank the committee for a job well done this season.

Thank you

AND DON'T FORGET !!!!!
